Blasts Rain From Ripening Fruit

Flying at tree-top level, an army helicopter was pressed into service in an effort to save the Santa Clara county, Calif. cherry crop following an unseasonable rain. The downdraft from the rotor blades blasted the rain from the ripening fruit, keeping it from splitting. Paul Mariani, spokesman for 50 orchardists, said the effort apparently saved the \$250,000 cherry crop. —AP wirephoto.

Flashes Of Life

CAUTIOUS COUNCIL. LOS ANGELES, May 29 (AP)—The city council debated painting this line from Hamlet on the chamber's wall: "This above all, to thine own self be true, and it must follow as the night the day, thou canst not then be false to any man." Councilman John C. Holland declared: "Admirable. Ideals are something we all need." But Councilman John R. Roden observed: "It might serve to scare hell out of some councilmen when they turn around in their swivel chairs." The council, after learning the cost would be from \$375 to \$750, tabled the matter.

PRIZE CATCH. BEVIDERE, Ill., May 29 (AP)—Two 13-year-old boys hooked a 10-inch bullhead simultaneously while fishing from opposite banks of the city park millrace during a fishing contest.

The boys, Clarence Countryman and Clark Wyldie, yanked their poles and the luckless fish dangled in the air.

But sponsors of the contest awarded the fish duplicate prizes. Wyldie won the fish by a coin flip—but he sold it to a sportsman who wanted it for his trophy den.

FAMILY AFFAIR. CHICAGO, May 29 (AP)—Four members of the family of the Rev. Elmer W. Palmer will take part in the double wedding planned Saturday at the Judson Baptist church in suburban Oak Park.

Dr. Palmer will officiate at the wedding of his two daughters, Dorothy Jean, 21, and Phyllis Eileen, 20. He also will accompany Dorothy Jean to the altar while his son, Paul, 15, will walk with Phyllis. Dorothy Jean is to marry John C. Lobes, 23, of Shomokin, Pa., and Phyllis Eileen will marry Clifford Raad, 23, of Chokio, Minn.

Longshoremen Talk Contract Problem. PORTLAND, May 29 (AP)—CIO longshoremen meeting here last night discussed progress of negotiations with waterfront employers for a year's extension of the present contract.

Results of a vote on the employers' proposals will be reported by the San Francisco union headquarters. R. T. Baker, Portland ILWU president, said.

District Gets Election Fund

WASHINGTON, May 29 (AP)—Both democratic and republican national committees are sending money to the third district of Washington state where a special congressional election will be held June 7 to fill a vacancy caused by the death of Republican Rep. Fred Norman.

This is a see-saw district that went republican by 57.1 per cent in 1942, democratic by 52 per cent in 1944 and republican again last year by 53.9 per cent of the total vote.

Democratic party officials told reporters the national committee is sending "several thousand dollars" into the district to help elect Charles R. Savage, who beat Norman in 1944 but lost last year.

It was learned that the republican congressional campaign committee is sending \$2500 the maximum it allocates for contests it regards as "real battles."

Republicans said they had no knowledge of the amount being collected in the state in addition to the allocation from here. The republican candidate is Russell Mack.

False Alarm Case Winds Up

NEW YORK, May 29 (AP)—The case of the false fire alarm which Mrs. William F. Jensen of Seattle, turned in to summon aid when her husband was being beaten by two thugs in Chinatown last month had its sequel in general sessions court yesterday.

Pasquale Pittelli, 33, who pleaded guilty to attempted assault in the second degree in connection with the beating, was sentenced to a year in the penitentiary by Judge John A. Ullen. A second defendant, Guglielmo Cosidente, 35, who also entered a plea of guilty, was given a suspended sentence and placed on probation for two years.

Mrs. Jensen pulled the fire alarm after falling to obtain aid from passing motorists. She was fined \$50 in magistrate's court for sending in a false alarm. The next day her conviction was reversed and the judge returned the fine.

June 14 Slated As Flag Day. WASHINGTON, May 29 (AP)—President Truman today designated June 14 as Flag Day, in accordance with custom.

In a proclamation, he directed federal officials, requested state and local officials, and urged the American people to fly the American flag from buildings and homes on that date.

He also suggested that civic groups and individuals arrange, where feasible, for joint displays of the emblems of the United Nations "in recognition of our joint declaration to the freedom of mankind."

June 14, 1777, was the date when the American flag was adopted.

Crowd Jams Music Show

The all-school instrumental festival, presented in Pelican court of KUHS Wednesday night was enjoyed by a capacity house made up of admiring parents, friends and fellow students of the young performers who turned in a highly creditable program of difficult music.

Taking part were combined string orchestra members, the Mills school orchestra, all-city elementary band, junior high orchestra and seventh grade instrumentalists, the high school orchestra and band, Roosevelt school band, combined beginning and intermediate bands, junior high band and the massed band.

Directors were John A. O'Connor, Patricia Hunt, John McManus, O. K. Warcup of the music department, and Andrew Loney Jr., director of music in the city schools.

Superintendent Arnold Gralapp expressed gratification in the progress shown by the young students participating in the festival.

"I am more than gratified with the showing made at last night's festival," Gralapp said. "A high degree of improvement was noted over the span of several years in which instrumental classes have been started in the city schools and we anticipate a definite strengthening in the high school program as a result of the lower grades participating."

Violations of the child labor provisions of the public contracts act reported during the 1946 fiscal year cost 436 contractors for the manufacture or supply of commodities for the government more than \$550,000 in assessments, or damages.

Holstein Bulls To Go To Italy

SEATTLE, May 29 (AP)—Five Washington state Holstein Friesian bulls are headed east by train for a transatlantic flight to Italy.

Carnation farms reported the sires from their famous herd, destined for an assignment in building up Italy's war-depleted herds, will be flown from Barnes airport, Westfield, Mass., to Milan.

Unlike the mild-mannered heifers which Carnation flew to Uruguay recently in a race against the stork, the bulls will be crated for their air jaunt.

High School Expels Students

SALEM, May 29 (AP)—Seven Salem high school students, including three who were to graduate next week, were expelled last night by the Salem school board because they belong to secret fraternities, which the board has been attempting to abolish for several years. Names of the boys were withheld.

Board members said the boys had been warned several times.

Merchants To Sponsor Show

South 6th street merchants, 100 strong, are participating in a new program to be started at the Tower theatre tonight, Thursday, and continued each following Thursday.

The program will be called the "Broadway Merchants' Stage Show" and will be for one-half hour with Emcee Thor Anderson. Each week 15 of the 8, 6th street merchants will donate valuable merchandise to be given away during the program.

"This is a getting-acquainted show," George F. Cotner, president of the South Sixth Street association, said, "to introduce the public to the merchants who will serve them in the suburban shopping area. The audience will participate in the program which is planned to be full of fun for everyone."
