Dentists To Attend Meet

Two Klamath Falls dentists have been selected to represent the Klamath County District Dental society at the 54th annual meeting of the Oregon State Dental association June 5 to 7 in Portland. They are Dr. Phillip Cole and Dr. A. G. Goehring.

A group of nationally prominent leaders in the dental profession, headed by Dr. Bernhard Gottlieb, Dallas, Tex., will deliver lectures at the meeting. Dr. Gottlieb, a graduate of the University of Vienna and professor of oral pathology and research at Baylor university, will speak on "Dental Caries and Periodontia."

A feature of the convention will be clinics conducted by several Oregon and Washington dentists.

Registration of delegates will begin at 7 a. m. June 5 in the Multnomah hotel. A preliminary meeting of the house of delegates is scheduled for June 4 in the Medical-Dental building. Officers will be elected on the second day of the meeting.

Stores Lose Beer License

PORTLAND, May 29 (AP) — Four grocery stores lost their licenses for sale of bottled beer in state liquor control commission action yesterday and the commission said other violations by sale to minors would continue to draw similar penalties.

Previously the enforcement board has recommended 30-day suspensions. Revocations included: Woodruff's Saving Center, Salem.

Timberline lodge on Mount Hood lost its operating license for 30 days on a charge of illegal sale of liquor by the drink across the bar. The two offending bartenders have since been discharged, the board noted.

Suspensions included: Goldie's, Silverton, 10 days for disorderly premises; Thomas B. Hill, Frank K. Staff, Willamina, 30 days, sale to minor.

Midwest Shivers, Alaska Swelters

CHICAGO, May 29 (AP) — The Midwest shivered in unseasonal temperatures yesterday while Alaska basked in midsummer heat.

The nation's cold spot was Eckman, N. D., near the Canadian border, where the mercury dipped to 15 above.

In Fairbanks, Alaska, the high yesterday was 88 while Anchorage reported 80 above.

Girl Injured By Falling Log

WARRENTON, May 29 (AP)—Marion Brons, 16, was in a hospital today with injuries received when a log toppled from a truck near Rockaway onto an automobile in which she and six other Warrenton high school girls were riding.

The group was en route to a sophomore class picnic. The others suffered minor injuries.

Our Home Town

Memorial Day

By EARL WHITLOCK

Earl Whitlock

It is good that this Memorial Day, originally set aside to honor our soldier and sailor dead, has been broadened to bring honor to ALL those who have passed on and who lie at peace in the thousands of cemeteries of our land. For each of these dead has contributed to the nation's progress in a greater or less degree.

Maybe in the humble lives of many of them, there were no newspaper headlines. Maybe they had no slightest claim to fame. But the folks they knew loved them. The words of kindness or wisdom they spoke have influenced others to greater kindliness and greater wisdom. Indeed, I have known families, and also have you, where the sayings of some long gone forebear were still a very active and powerful guide to the family thinking and action.

This is a good day to consider our inheritance—an inheritance of bravery and sacrifice on the part of the men who died in battle, and an inheritance of rugged, American individualism from those who, in their more peaceful lives helped to guide their families and their own communities along the paths of right living, and so helped to make America great.

Next Monday Mr. Whitlock of the Earl Whitlock Funeral Home will comment on "Another Ten Commandments."

WHY WE SAY

by STAN J. COLLINS & L. J. SLAWSON

Klamath Flying News

Successful Breakfast

Redmond, Prineville and Bend were represented at the pilots' breakfast at the local hangar Sunday, when about 60 were served from Pilot inn.

In the Redmond group were Dick Ballantine, J. R. Roberts, Harold C. Clapp, Milton L. Odem, Phil Dahl, Sam Johnson, Forrest Cooper, Ed Spruce, Eugene McClure, Mary Conn Brown, Bob Ballantine, Al Urie, Fred Sear, Del Allen, Stuart Troutman, Fred Dalton and L. E. Davis.

Bend was represented at the breakfast by Larry Lermo, Jim Chamberlain, Al Eriksen, Lloyd Meyer, George Lineter, Kenneth Bull and Norman Nickelson.

Pilots and passengers from Prineville were Marvin Puddy and Pat Lydon in a Cessna, Ray Thompson and Barbara Thompson in a Piper Cub, Elmer and Ethel Schultz and Helen Thompson in a Piper Cruiser, Claude and Myrtle Williams and Kenneth and Vesta Piercy in a Stinson Voyager.

The Redmond contingent hopped in, breakfasted and flew out before the others arrived. Bend came in next and right on its heels, Prineville. Plans for a meeting were scotched by the spotty arrivals.

Short Hops

Harold McPherson and Kit Carson flew to Stockton, Calif., Saturday in a twin-engined Cessna, taking Clive McPherson with them. Clive picked up his Ercoupe at the Stockton airport and returned in it Sunday morning.

Mike Houser, district manager for Safeway stores, left last Thursday morning on a routine company field trip to Hermiston, Pendleton, Enterprise and Burns in his Ercoupe, returning home Saturday noon.

Four Ercoupes are expected to leave here in formation for the June 1 convention in Pendleton of the Safeway Employes association. Pilots and passengers will be Mike and Margie Houser, Penny Payne and Agnes Geddes, Mr. and Mrs. Rolan Nelson of Medford and Mr. and Mrs. James Scott.

Fleet For United

United Air Lines will soon have a fleet of 139 planes whose engines together will produce nearly two-thirds of a million horsepower, according to a tabulation released today by the company.

By early fall, when United has in operation its entire fleet of 35 four-engined Mainliner 300's, the total horsepower of these ships, plus that of the 26 Mainliner 230's and 78 twin-engined Mainliner 180's, will be 621,600.

Signal Lights

Two red blinker lights have been installed at the airport recently, located at runway intersections 1836 and 1432. These lights are used for signaling planes taking off and landing to hold them in position and avoid traffic tie-ups in the air, the airport manager, W. B. Whitcomb Jr., explained.

Air Tour To Go In Four Flights

PORTLAND, Ore., May 29 (AP)—Private planes participating in an air tour of three states next month under chamber of commerce sponsorship will operate in four flights.

L. S. White, committee chairman, reported the groups will leave four Portland airports June 24, lunch at Yakima and spend that night in Walla Walla. The pilots will fly to Pendleton for breakfast, then split up to visit La Grande and Baker for lunch, spending the night of June 25 at Boise. The groups will again split June 26, have lunch in Lakeview and Bend, spend that night in Klamath Falls and Medford and lunch the next day at Eugene, where the tour will end.

SCRAP

PORTLAND, Ore., May 29 (AP)—The passenger-cargo ship Arrow, aground at Ocean Park, Wash., will be sold for scrap next month by the U. S. maritime commission. Bids will be opened June 4 in Washington, D. C.

"My mom's sure a pal!"

"When I get tired of drinking all my milk, she never says, 'You drink it or no dessert!' like some mothers. She just gives me a swell rennet-custard dessert an' tells me to *eat* the rest of my milk—an' everybody's happy!"

It's easy to make milk into rennet-custards with "Junket" Brand Rennet Powder or Tablets, for you do no cooking. They're not only fun to eat—the rennet enzyme makes the milk easier to digest, too. And the whole family enjoys light, tasty rennet-custard desserts.

Make rennet-custards with either "Junket" Rennet Tablets—not sweetened or flavored—add sugar and flavor to taste; or "Junket" Rennet Powder—six flavors, already sweetened. Both at all grocers. For free sample of "Junket" Rennet Tablets, write "Junket" Brand Foods, Division of Chr. Hansen's Laboratory, Inc., Dept. N-3, Little Falls, N. Y.

Reds Accuse Officials

BUDAPEST, Hungary, May 29 (AP) A high Hungarian source said today that the Russians, in an official note, had accused Prime Minister Ferenc Nagy and two other officials of complicity in a recent plot to overthrow Hungarian "democracy."

This informant identified the two other officials as Foreign Minister Janos Gyongyosi and Bela Varga, speaker of the house.

All three men are members of the anti-communist smallholders party.

A government announcement on May 14 said Nagy would leave that day for a three-week vacation in Switzerland and that Deputy Premier Matyas Rakosi, a communist, would be left in charge. Private sources in Budapest said Nagy probably would stay longer than three weeks.

The government announcement followed by two days reports that Nagy was planning to leave for Switzerland and Paris to stall off another communist-inspired "crisis" in his coalition government.

Pilot Lost, But Finds Position

SEATTLE, May 29 (AP)—All aircraft search-and-rescue agencies in Western Washington were alerted by the CAA last night as a Texas pilot, flying from Medford, Ore., here in a trainer craft, became lost over "some city" and radioed for help. The Sand Point naval air station ground-controlled approach system went into action and McChord field was called upon to "flash every light." The pilot finally found his position and landed here at 2:30 a. m.

Juvenile Hearing Set For Youth

ASTORIA, May 29 (AP)—A juvenile hearing will be held here to investigate a report that a 15-year-old boy had forced two 9-year-olds to lash one another and then shot at them.

Judge Guy Boyington called the hearing after State Police Sgt. Ken Healea said the boy, a resident of the Lewis and Clark district, forced the boys at gunpoint to whip each other with a switch, then fired several rifle shots near them.

Woodworkers Agree On Pay Boost

LEWISTON, Idaho, May 29 (AP)—A tentative agreement, subject to union ratification, calling for a 7½ cent hourly wage increase retroactive to April 1, was reached yesterday by the CIO International Woodworkers of America and Potlatch Forests, Inc.

Further negotiations are provided on the question of eliminating a 7½ cent differential between Pacific coast fir and coast fir and inland pine operations.

Directors Talk Senate Bill

Klamath County chamber of commerce directors discussed briefly senate bill No. 1185 at yesterday's meeting. The measure, which was introduced by Senator Guy Cordon, provides for the disposal of materials on public lands. The measure is of special interest to Klamath county, according to Chamber Manager Charles Stark, because of several lots of timber which will be affected by the bill. It was referred to the industrial development committee.

Due to the absence of President Phil Hitchcock, Verne Moore, vice president, conducted the meeting.

Appointments to the finance committee were announced, it being the only full committee yet appointed. Members are J. W. Kerns, chairman; E. H. Thompson, director; R. D. Rakestraw, treasurer; E. H. Balsiger, A. M. Collier, Frank Drew, John L. Fowler, E. A. Geary, G. J. Hilyard, K. G. Klahn, W. E. Lamm, George McIntyre, Al Oines and William W. Patterson.

A rifle which has its sights adjusted for shooting over level ground will normally shoot high. The bullet will strike above its aim when shooting up or down steep slopes.—Sports Afield.

Mary Lee Taylor's Juicy Meat Loaf
Broadcast: May 31, 1947

1 lb. twice-ground meat*
⅔ cup Pet Milk
⅓ cup uncooked rolled oats
2½ tablespoons finely cut onion
1 teaspoon salt
⅛ teaspoon pepper
1 tablespoon shortening

Turn on oven; set at moderately slow (350° F.). Mix together meat, milk, rolled oats, onion, salt and pepper. When thoroughly mixed, shape into a loaf. Put into greased pan. Put bits of shortening on top. Bake about 1 hour, or until brown. Baste occasionally with drippings in pan. Makes 4 servings.

*Beef, veal, lamb or pork or a mixture of these meats can be used.
