

Drunk Driving Model Plane Meet Slated

TULELAKE, June 3—Oren Dokken, Mallin, employed on construction of the Tulelake-Dorris highway, paid a fine of \$150 last week in police court when he pleaded guilty to a charge of drunk driving on a highway.

Duncan was picked up by Ralph Dunlap of the police force after he was alleged to have permitted a nine-year-old son to drive a truck loaded with a water tank from near El Rancho tavern to Merrill when he was unable to drive.

Hugh Gilbert Rick, of Tulelake, charged with transporting a bar truck building from the Jap camp at Newell on a state highway with no transportation permit, paid a \$100 fine in Modoc justice court Monday.

Model Plane Meet Slated

The Klamath Gas Model Airplane club is holding a meet at the alkali flats two miles past Worden on the Dorris highway, on Sunday, June 8. Howard Renner is president of the club.

All model airplane clubs and all model airplane owners are invited to participate in the events including controlled line and free flight contests in the first big general meet held here since before the war.

Clubs from all over the state have received special invitations to attend and Medford, Grants Pass and Ashland are expected to be well represented at the meet. Those planning to enter may call Renner at 5520 for further information or just come out to the flats Sunday and set in the competition.

Valuable merchandise has been donated by several Klamath mer-

chants to be given as awards at the meet. Firms that have contributed include West-Hitchcock, Conner's Radio Service, Spot Tavern, Poole's Sporting Goods, Matt Finlayson's.
