

Klamath Art Association Formed To Foster Exhibits

Klamath Art association is the name of a newly organized group formed at a meeting held Tuesday with Vern Swanson as temporary chairman. Twenty-five persons were present.

The group was incorporated as a non-profit organization for the promotion of talent in arts and crafts in this community, and to bring to Klamath Falls famous art exhibits that are now passing this city.

The next meeting of KAA will be held June 17, in the parish house of St. Paul's Episcopal church at 8 p. m. when the charter group will be formed. Anyone interested in the establishment of such an organization is welcome to attend this meeting and does not need to be an artist. A temporary constitution is now in the hands of the attorneys.

Reserve Cruise Schedule Out

Samples of cruises available to members of the U. S. naval reserve, are announced by John B. Martin, CSM USNR, Klamath Falls recruiting office.

Departure dates listed are from Seattle, Wash., and cruises of two weeks duration are made on destroyers.

June 19, to Sitka; July 3, to Ketchikan; July 17, to Prince Rupert; July 31, to Sitka. Departure dates for cruises to San Francisco and Victoria are August 15, August 29, September 12, September 26, October 24 and November 21.

Many other cruises are offered the recruit, Martin states, and are available on request only. Men joining the reserve now are eligible for cruises starting June 19.

DISTRESS CALL

SEATTLE, June 6 (AP)—The coast guard said that a PBV-5 coast guard plane piloted by Comdr. Fred Wilde left Port Angeles this morning to investigate an SOS which apparently originated at a point 350 miles west of Tillamook, Ore.

A faint SOS was first heard at 7 a. m. but it was not until about 10:30 that the signals became strong enough for the coast guard to plot a rough bearing.

LEGAL NOTICE

Sale of Timber, Klamath Indian Reservation, Crooked Creek Sugar Pine Unit. Sealed bids, in duplicate, on forms provided therefor, marked outside, "Bid Crooked Creek Sugar Pine Unit" and addressed to the "Superintendent, Klamath Indian Agency, Klamath Agency, Oregon" will be received until 2:00 o'clock P. M., Pacific Standard time, on July 1, 1947, for the purchase of merchantable sugar pine timber, estimated to be about two million (2,000,000) feet, B. M. more or less, on a tract within the Klamath Indian Reservation, Oregon, described as the "Crooked Creek Sugar Pine Unit." The unit includes approximately 1800 acres of timbered land. A possible small amount of sugar pine may be found on included allotted lands, for which separate approved contracts must afterward be made with allottees desiring to sell, and on terms similar to the contract for the unsold timber. Each bid must state the price per thousand feet B. M. Scribble, Decimal C. Log scale that will be paid for timber cut and scaled prior to any readjustment of rates as specified in the contract. No bid will be considered for less than \$3.00 per thousand feet B. M. for sugar pine timber. Each bid must be accompanied by a certified check in the amount of \$100.00 on a solvent bank payable to the Special Disbursing Agent, Klamath Agency, Oregon. The bidder will be returned to unsuccessful bidders. The deposit of the successful bidder will be applied as part of the purchase price against timber actually cut on this unit only, or retained as liquidated damages if the bidder shall not execute the contract and other information, apply to the Superintendent, Klamath Agency, Oregon. Dated this 29th day of May, 1947, at Portland, Oregon. E. Morgan Pryse, District Director. J. 6-13-20-27, No. 738.

Grain Yield Drop Seen

ODESSA, Wash., June 6 (AP)—Hundreds of thousands of acres of Eastern Washington wheat land will bear only a fraction of last year's yield this summer, grain dealers predicted today.

Although soaking rains fell over a large part of the Northwest

during the last several days, rain was spotty over the Big Bend country with the Southwest section receiving little or no relief.

W. C. Raugust of the Odessa Trading company, grain dealers in Southwestern Big Bend, said several hundred thousand acres there will produce no more than half of last year's crops—15 bushels per acre or less.

Ten thousand or 15,000 acres of new land west of Odessa will not be harvested, he said, unless rains come "immediately."

J. D. Urquhart of the Union Ele-

vator and Warehouse company at Lind said yield in that area would be 25 to 30 per cent under last year.

Lumber Export Increase Shown

WASHINGTON, June 6 (AP)—An increase of 30,000,000 board feet in the export lumber quota for the three-month period ending June 30, was revealed today by Senator Cordon, R-Ore.

The Oregon republican said the

export policy committee's new quota for the quarter now is 305,000,000 board feet, with that of the next quarter being set at 350,000,000 board feet.

The increase was granted to maintain operation of tidewater lumber mills set up chiefly for the export trade. The export lumber, Cordon said, is not used domestically but the mills, while operating, do produce some finished materials for domestic housing.
