Kitsilano Band To Play Here

The famed Kitsilano Boys band of Vancouver, B. C., is slated to play here at Modoc field the evening of June 18, according to Charles Stark, chamber of commerce manager. The chamber is sponsoring the performance, Stark said, in answer to the request of the band managers. A letter was received from them by the chamber several weeks ago seeking arrangements for the boys and asking permission to play somewhere in the town in order to help defray expenses. Stark said that the KUHS gym had been obtained for the boys' lodgings, and an effort is being made to find cots enough for the group. He added that the band would start its concert at 8:30 p. m. and there will be no admission charge, however a hat will be passed to help the band along. The band is on its way to Los Angeles to enter national competition.

PALACE NEWS
by "Butch"

Does your child sometimes grab his foot and stick it in his mouth and gnaw on it? Does your baby sometimes chew his shoes to frayed pieces before he has time to wear them out? It could be, because this thing DOES go on, you know.

JACK JONES, our cobbler neighbor, admits that there are thousands of children who are expert at putting their shoes in their mouths and munching, but he says he doesn't know why unless the leather will have some of the flavor of our T-Bone steaks in it.

JACK may have something there but we doubt it. We are more inclined to believe that the mothers of those babies haven't been in to the Palace Market and shopped from our big variety of chopped and strained Baby Foods... all Nationally Known and Nationally Advertised and priced JUST RIGHT!

These foods are made expressly for babies by experts who know just what vitamins babies need to keep them from massaging their gums with their big toes.

THAT'S why they say... it pays to shop Palace. The Palace Market, Fancy Groceries and Meats, 324 Main.
