Girl Scout News

Congratulations to the new Girl Scouts who have flown up from Brownies this month. The following troops recently held their fly-up ceremonies: Roosevelt troop 31 was entertained by Intermediate troop 6 for its ceremony. The girls and their mothers attended the meeting which was held in Mrs. Dean Osborn's garden. Mrs. Osborn is leader of troop 6 and Mrs. George Condry is leader of troop 31. Fremont Intermediate troop 2 gave a party for Brownie troop 33 in the school cafeteria.

The fly-up ceremony for Fairview troop 23, with Mrs. L. R. Thompson and Mrs. H. Ayres leaders, was in the form of a potluck dinner for the families of the girls flying up. Ten girls flew up, nine of which were present. The ceremony was conducted by six Intermediate Scouts from troop 18, with Mrs. Beach as leader.

The leaders of both troops wish to express their appreciation for the help given them by the mothers during the year. Brownie troops 34 and 40 had their fly-up ceremony during a picnic at Moore park, which was sponsored by Intermediate troop 19. Brownie troop 22 was aided by Mrs. Priest's new Intermediate troop in a fly-up ceremony held in the Pelican school.

Wednesday, June 4, troop 2 had a meeting to finish the entertainment plans and write the invitations to the parents of the members of troop 2 for their parents' night, which is to be held Wednesday, June 11, at 7:30 p. m. in the social room of the First Presbyterian church at 6th and Pine. This Wednesday was the last meeting of troop 2 until fall.

Girl Scout news from Malin includes a report of a hike which took the girls of troop 46 to many interesting places. Mrs. Otto Ellis and Teddy Stenvers were leaders. It was also announced from Malin that the Neighborhood group will have its regular meeting in the social room of officers at the Malin city hall on June 12 at 8:00 p. m.

All members, troop committees and sponsor representatives are urged to be present. The Malin Girl Scouts are very interested in summer camp and many are busy signing up and preparing for camp. Word has been received that Mrs. Ann Saunders, leader of the Intermediate Scout troop at Malin is seriously ill at her home. The Malin Scouts express the hope that she will soon recover.

Fort Klamath Civic Improvement Club Meets

FORT KLAMATH, June 10—The regular monthly meeting of the Civic Improvement club was held in the clubhouse on Friday afternoon, with a good attendance of members present, and Mrs. Frank Denton, first vice president, in the chair in the absence of the president, Mrs. H. T. Williams.

During the business session, the name of each club member's secret friend for the past year was revealed, and new names drawn for the ensuing year. Routine business was transacted, at the close of which each member presented her secret friend of the past year with a parting gift. A game provided further diversion for those present, with Mrs. Bert Gray winning the award for high score.

Three new members were welcomed into the club at this time, including Mrs. Charles Beiden, Mrs. L. J. Sherman, a recent arrival from Eugene, and Mrs. Blaine Thorpe.

At the conclusion of the afternoon, refreshments were served by the hostesses, Mrs. R. O. Varnum and Mrs. Delbert Denton, at tables made attractive with panisets and other lovely spring flowers.

Attending the meeting were Mrs. Sarah Stocum, Mrs. Nettie J. Bishop, Mrs. Raymond S. Lousley, Mrs. Roy Stanley, Mrs. Bert Gray, Mrs. Joanna Taylor, Mrs. William A. Page, Mrs. William C. Hackler, Mrs. Velma Nash, Mrs. Earl Jackson, Mrs. Jerry Sisemore, Mrs. Stewart Nicholson, Mrs. Frank Denton, Mrs. Ord Pritchett, Mrs. Charles Beiden, Mrs. Elmer Zumburn, Mrs. L. J. Sherman, Mrs. W. McNary Dam Work Demand Relayed

PORTLAND, June 10 (AP)—A demand of the Portland labor-management committee that work at McNary dam be pushed to ease unemployment here has been relayed to congress by Reps. Ellsworth and Angell (both R-Ore.).

The committee's statement to a house sub-committee said the construction program was the only likely opportunity to find work for 31,000 now employed in the Portland area.

"Blue Boy" Heads For Operation

PORTLAND, June 10 (AP)—Jimmy Bristow, 12, Wauna, Ore., who has been a "blue boy" since birth, was headed east across the continent today for an operation he hopes will allow him to play with his friends.

"I just want to get it over with and be like the rest of the kids," Jimmy said last night as he boarded a train with his grandmother, Mrs. Bert Bates, for Baltimore and the Johns Hopkins hospital.

Money for the operation was collected by the community of Wauna.

MIDLAND EMPIRE NEWS

Fort Klamath

Mrs. Sarah Stocum and brother William Lambert were Klamath Falls visitors one day last week. Although the wet weather has hampered operations considerably a campaign has been under way for the past three weeks to kill grasshoppers which are infesting local pastures heavily this season. Among Wood River valley cattlemen who are having the work done under county supervision are Nicholson brothers, John Cauhaup and J. P. McAuliffe.

Mrs. and Mrs. Allen Belleu spent the Memorial Day week-end holiday at Coquille, Ore.

Mrs. L. J. Sherman has arrived in Fort Klamath from Eugene to make her home and assist in the management of the Crater Lake cafe, which was recently purchased from C. J. Briceo by Mr. and Mrs. Sheehan and son Jack.

Mrs. Roger Wright resumed her position as telephone operator at the local office of the West Coast Telephone company on June 1, and is now operating a service station at Sand Creek highway patrol station where she and her family reside, and where her husband is employed as foreman of the highway section. Mrs. Weston Engle has replaced Mrs. Wright as operator, having formerly been employed as relief operator. She and her husband have moved to Fort Klamath from Sand Creek, where Engle is employed on the highway patrol. Mrs. E. J. Knox is now acting as relief operator at the local switchboard, Mrs. Harry Engle being chief operator.

Mrs. Fern Head arrived here last week from Santa Barbara, Calif., for an indefinite stay at the home of her son-in-law, daughter and family. Mr. and Mrs. Roy Powell and two sons, Mrs. Powell had a surprise visit last week from her uncle, O. D. McAllister, her mother's brother, who was accompanied by his bride-to-be. They stopped briefly at the Powell home while en route from Eugene to Reno to be married, and planned following the ceremony to visit at Palo Alto, Calif., with a sister of McAllister and Mrs. Head before returning to Eugene to make their home.

Additional unexpected guests at the Powell home the same day were Mr. and Mrs. O. L. Hunnicutt of Roseburg, the latter being Roy Powell's sister. They spent the night with the Powells and left early next morning on a sight-seeing trip in this vicinity, this being Mrs. Hunnicutt's first visit to this part of Oregon.

Mrs. John Cauhaup and her mother, Mrs. Caroline Mueller, were Klamath Falls shoppers on Thursday.

Mr. and Mrs. Roy Wimer this week completed the sale of their local property, the new owners, Mr.

FIREMEN STEAMED UP
 CHARLESTON, W. Va., June 10 (AP)—Firemen rushed to a Charleston hotel in answer to an alarm, but they didn't stay long.

The "smoke" somebody had reported proved to be steam from a shower being taken by a guest.
