LOMBARD'S LEADER
Exclusive Granitize Service
"Ask the Man Who Has One"
The modern method of treating automobile finishes.
GRANITIZE SOLUTION contains a patented material which leaves a hard, dry, granite-like finish. It produces a very high lustre which cannot be obtained by the hand method of polishing. There is nothing "like" Granitize. Granitize cleans, polishes and leaves a lasting protective coating. It is not necessary to wax a Granitized car. This solution is made for machine work and a trained operator is necessary for the best results.

Porcelainize Guaranteed for One Year!!
The surest, safest, long-lasting auto body preparation to eliminate frequent costly waxing and other unsatisfactory operations. PORCELAINIZE is a three application procedure to coat the finish of your car with a porcelain-like finish that brings out the lustre and beauty of the paint in a glossy permanent finish, yet assures you of the greatest protection against road oil, scratches, and all the elements.
This is the only approved method recommended by the Lincoln-Motor Car Company.
