

## Prospective Rodeo Queens Compete At Tryout Sunday

A grand show was put on by the Klamath Basin Rodeo association Sunday at the county fairgrounds when candidates for the honor of queen of the rodeo were judged on horsemanship.

The seven girls chosen for the queen's court, one of which will reign as queen, received keen competition from the 19 contestants who tried out.

Named as the seven by the Klamath Basin club are: Carol George, number 7, on the registration list, from Hefley; Doris Porterfield, number 8, of Dor-

ris, Calif.; Mary Catherine Hammond of Merrill, number 10; Barbara Daniels of Klamath Falls, number 13; Billie Harris of Bonanza, number 15; Ginger Thomas of Fort Klamath, number 18, and Frances Frey, number 19, of Tulelake.

Honorable mention was given to Dolores Hunt and Darlene Knowles who rated high scoring in their horsemanship.

Of the seven girls chosen at the tryout Sunday, one will be selected as queen at the coronation ball to be held Saturday, June 21 at the armory, with dancing to the music of Baldy's band. The remaining six girls will preside as princesses over the July rodeo which will be held July 4, 5 and 6.

## Posse Makes Good Showing

A good showing was made by the Klamath Sheriff's Posse at the Medford rodeo Saturday night when it tied in the musical chair event and took second in the stake race against the Oregon Trail Riders.

During the drill preceding the show Vic Douglas of the posse injured his ankle when another horse crowded him. He was rushed to the hospital where X-rays showed a fracture in the same ankle he had broken over a year ago.

Jim Ellledge, driver for E. P. Ivory, rode in his place, putting on a remarkably good performance, considering it was the first time he has ridden with the posse and the first time he has ridden at all for a long time.

Capt. E. P. Ivory and Sheriff Lloyd Low rode the points in the drill and Lt. Mel Henry acted as drill master giving the orders. Clay Howard was flag bearer. Following the preliminary drill the posse rode in the parade through the main streets of the town. Several members of the posse and their wives stayed overnight in Medford but all returned home for the rodeo queen's tryout held at the fairgrounds Sunday afternoon.

The Oregon Trail Riders were hosts to the Klamath group in their club house at the fairgrounds in Medford and sponsored a dance which was attended by the riders following the show.

Carol Brunton, Klamath Falls cowboy, lost a section of his pants in one of the several events he entered in the rodeo. This was the only casualty and was not considered serious except by Brunton.

## Cecil Haley Named To Fair Board

Cecil Haley of Bonanza has been appointed to the Klamath county fair board for a three-year term, replacing the late Ed Crawford. Haley's term begins as of January 1, 1947.

J. A. Johnson has been named by the county court to continue to serve on the board until January 1, 1948.

## Vet's Mail Bag

As a service to veterans in the community this newspaper will publish a weekly column of news briefs from the veterans administration. For further information, veterans should contact or write their nearest VA contact office at Klamath Falls.

**VETS REINSTATING**  
Pacific Northwest veterans have reinstated more than seventy-five million dollars in National Service Life Insurance during the past four months, the veterans administration reports.

Liberal reinstatement privileges established by General Omar N. Bradley, national administrator of veterans affairs, allows veterans to pick up lapsed policies by submission of a comparative health statement and payment of two monthly premiums. After August 1, a physical examination will be required of veterans who wish to reinstate lapsed policies if their policy has been lapsed for more than three months.

Reinstatement application forms are available at the local VA contact office.

**VETERANS BOOM IN U. S. POPULATION**  
The veterans administration estimates that the number of living veterans and members of their families will reach a peak of 43 percent of the nation's population within the next five years and decline in percentage thereafter.

A veteran's family as defined by the VA is a family living together and headed by a veteran. The unit may include a wife, children, parents and relatives by blood, marriage or adoption.

The VA reports that of the 822,000 veterans in the Pacific Northwest, five out of seven are veterans of World War II.

**QUESTIONS OF THE WEEK**  
Q. Who is entitled to the last compensation or pension check due a veteran in event of his death?  
A. The check received at the time of the veteran's death becomes a part of his estate. The person who bears the expense of the last sickness may apply for the burial award of \$150.

Q. Can I include household furnishings in the purchase price of my new home and have the entire amount covered by a GI loan?  
A. Household furnishings are not eligible under GI loan regulations.

Q. I have a blue discharge from the army. Am I entitled to any of the benefits under the GI bill?  
A. If you have other than an honorable discharge, you may request the circumstances under which it was issued. If it is found that your discharge was issued under conditions other than dishonorable, you will be eligible for GI bill benefits.

Q. I have a blue discharge from the army. Am I entitled to any of the benefits under the GI bill?  
A. If you have other than an honorable discharge, you may request the circumstances under which it was issued. If it is found that your discharge was issued under conditions other than dishonorable, you will be eligible for GI bill benefits.

Clarence Ward Williams, 49, son of Mrs. Caroline M. Timms of Klamath Falls, died in Philadelphia, Pa., on June 5. Williams lived here for several years before going to Berkeley to attend the University of California and later, Lincoln University at Lincoln, Pa. He was employed in post office work. Interment was in Philadelphia.

## Crowds Flock To Outdoors

Klamath folk took advantage of the first nice week-end in nearly a month when they headed in droves for lakes, campgrounds and resorts. Lake o' the Woods, Diamond lake and other favorite spots reported large crowds of week-enders on hand to fish, swim and just generally loaf for a day or two.

Over a hundred people were reported at Rim lodge at Crater Lake National park Sunday. The lodge opened for the summer season yesterday. Large numbers of people went to the park, where beautiful weather made the day ideal.

## Phone Rate Hike Hearing Slated

SALEM, June 16 (AP)—Hearing on the application by the Pacific Telephone and Telegraph company for \$2,249,000 annual increases in rates will open here July 1. Public Utilities Commissioner George H. Flagg announced today.

The company asked for \$1,550,000 increase in exchange rates, and \$699,000 in intrastate long distance rates.

Similar hearings already have been held in Washington and California, Flagg said.

## Ward Named Elks Lodge Trustee

Willard Ward, past exalted ruler of the Klamath Falls Elks club, was elected as trustee of the Oregon State Elks association at a state convention held in Coos Bay June 13 and 14. Ward, who has been a member of the local club for 12 years, will open here July 1. Public Utilities Commissioner George H. Flagg announced today.

Other new officers included E. L. Hatton, Eugene, who was named president, and Elmo Angele, Lakeview, second vice president. Roseburg was selected as the 1948 convention city.

**Vacationing**—Mrs. Alice Jarvis, Koh's flower shop, is vacationing in Portland with relatives. She expects to be gone 10 days.

## Stocks Show Little Gain

NEW YORK, June 16 (AP)—The stock market took news of the tax bill veto in stride today although share prices failed to make much headway.

Industrials benefitted from some late demand although many finished below their tops of the day. A number of utilities and rails stayed in losing territory.

Transfers picked up to the neighborhood of 1,000,000 shares. Railway bonds improved.

New highs for 1947 were touched at one time or another by Chrysler, Allied Chemical, Standard Oil (N.J.) and Gulf Oil. Other prominent gainers included U. S. Steel, Dow Chemical, Caterpillar Tractor, J. I. Case, Electric Power & Light, General Electric and U. S. Rubber. Remaining on the outside were American Telephone, United Air Lines, Pennsylvania, Central Airline, Norfolk & Western, Western Union "A" and Douglas Aircraft.

## Grains Show Slight Rally

CHICAGO, June 16 (AP)—A late rally recovered some of the ground lost early by grains today, but the market was unable to get back to the preceding close. Trading was active.

Clearing weather in the Mid-west and a feeling that much of the corn crop had been planted caused substantial losses in feed grains during early trading. Corn tumbled around 6 cents at one time. Oats were also off for large losses despite mostly unfavorable crop reports.

Wheat closed unchanged to 2 cents lower, July \$2.09 1/2-2.0. corn was 3 1/4-4 1/2c lower, July \$1.85-1.85 1/2, and oats were 3 1/4-3 1/2c lower, July 89 1/2-1.1c.

FOURTH TRY  
EUGENE, June 16 (AP)—For the fourth time, Eugene is trying to persuade someone to build its swimming pool.

The city made its fourth call for bids on construction of the \$60,000 project. No bidders appeared the last three times.

## Marine Officer Predicts Peace

PORTLAND, June 16 (AP)—Brig. Gen. William T. Clement, director of the marine corps reserve, said on arriving here yesterday that only two countries in the world today are capable of waging war.

The marine officer described world conditions as "full of suspicion, distrust and obstructionism" and said one of the two great nations is delaying formulation of constructive peace.

**Now! LIFE INSURANCE EXPERTS PROVE THAT FORD TRUCKS LAST up to 19.6% LONGER**

FOR THE first time in history, scientific methods used by life insurance companies in computing rates have been put to work in figuring out life-expectancy tables for Ford Trucks.

**4,967,000 Trucks Studied**... Wolfe, Corcoran and Linder, leading New York life insurance actuaries, assembled the records of all trucks of the five sales leaders registered from 1933 through 1941... 4,967,000 trucks in all. Then they prepared truck life-expectancy tables exactly the same way they prepare human life-expectancy tables for life insurance companies.

**Ford Trucks On Top!**  
The result? Ford Trucks Last Longer! Up to 19.6% longer than the other 4 sales leaders! Why is this true? Because Ford Trucks are built stronger. They're built to last longer! That extra life that's put into Ford Trucks comes from Ford experience in building more trucks than any other manufacturer. Ford knows how to build trucks that last longer!

See us today. See the life-expectancy charts. You'll see why it'll pay you to place your order for a Ford... the truck that lasts longer!

**Certified Proof**

What Longer Truck Life Means to You... Why It Pays to Wait for a New Ford Truck!

It stands to reason the longer you use a truck, the less it costs to own. That's why longer-lived Ford Trucks are the top truck value. And, logically, Ford longevity means lower maintenance costs... less time in the shop. It means more unused miles when you're ready to trade, and a better trade-in. Yes, any way you look at it, you'll get more truck for your money with a Ford Truck... because Ford Trucks last longer!

**FORD TRUCKS LAST LONGER!**

The life-expectancy of a Ford Truck is 13.1% longer than that of truck "B", 23.6% longer than that of truck "C", 7.2% longer than that of truck "D", 19.4% longer than that of truck "E".

OFFICIAL ACTUARIAL CERTIFICATE  
Based on the application of sound and accepted actuarial methods to the actual experience as measured by truck registrations, we hereby certify that, in our opinion, the accompanying table fairly presents the relative life-expectancy of the trucks involved.
