

Feeder Airline Supported

Klamath, Lake Chambers Of Commerce Vigorously Favor Aerial Connecting Routes Into Three Adjoining States

Support for Southwest Airways application to operate feeder air line service between Klamath Falls and other points in this general region as well as to the Sacramento valley direct was given the hearty support of the Klamath County chamber of commerce in action by the board of directors at Wednesday noon's meeting.

At the session, representatives of the Lake County chamber of commerce likewise indicated vigorous support of the plan to cover this area with feeder line service. Alturas chamber of commerce is giving similar support and Dale Williams, chamber manager from that city, was present at the meeting.

Strike Stops Eight Mills

SPOKANE, June 19 (AP)—At least eight Spokane and Inland Empire sawmills and lumber plants reported they were closed yesterday by a strike called by the CIO International Woodworkers of America. Negotiations between 14 such mills and the union had been broken off last Tuesday. It was not known immediately whether more than eight plants had been struck. Union officials had said earlier they had about 1200 members in the 14 plants in Eastern Washington and Idaho.

Prefab Units Go To Santiam Dam

WASHINGTON, June 19 (AP)—Sixteen prefabricated wooden barracks and a mess hall unit near Fort Stevens are being dismantled and shipped by the corps of engineers to the North Santiam dam project at Detroit, Ore.

The CAB application seeks permission to operate service connecting Klamath Falls with Medford on the west, Lakeview on the east, Alturas, Portola and Reno on the south. In addition, Southwest proposes to operate a loop direct from here to Dunsmuir, Mt. Shasta and Sacramento valley points on the south. A third proposal is to run a line from here through Lakeview to Boise, Idaho.

P. G. Sturges, public relations director for Southwest, was present at the meeting and discussed the company's proposals. He said that a hearing has been set for August 25 on the application, and it will be held probably in Los Angeles or San Francisco.

He explained that Southwest is now operating from Los Angeles to Medford, with stops at 25 California cities. In May, the company's planes carried 8283 passengers and more than 45,000 pounds of airmail.

Girl's Good Grip Saves Her Life

WASHINGTON, June 19 (AP)—Nine-year-old Micheline Boudrias' firm grip probably saved her life. The little girl fell through a skylight above an eight-story stairwell last night.

She struck a seventh floor railing. This slowed her fall. Then she grabbed the stair railing on the sixth floor and hung on until rescuers reached her.

At a hospital she was reported to have a broken arm and possibly a fractured pelvis.

He said that the company is extremely interested in the proposal to get into the Klamath region with feeder services, and does not consider that such service will be in competition with United Airlines, which operates main line service through here.

Sturges said Southwest would plan to operate at least two round trips a day between here and Reno at the start, with additional flights as business built up. He said that probably one of the trips would be made in the morning and another in the late afternoon.

The communities are expected to make representations at the hearing, presenting statistical and economic data in support of the application. It was pointed out that the community representation will be for the service, rather than for the particular company, with Southwest making its bid for permission to provide the service requested.

Reward Offered To Spur Search

McMINNVILLE, June 19 (AP)—A citizens committee has offered \$500 reward to spur search for the body of Robert Lee Rubottom, missing since January 10 when he left Klamath Falls on a flight to McMinnville, Harold Ryals said today.

He added that \$1100 has been raised to finance the search and to aid the widow, who last week became the mother of twin girls. She is with her parents at Wyola, Mont.

More Comfort Wearing FALSE TEETH

Here is a pleasant way to overcome loose plate discomfort. FASTEETH, an improved powder, sprinkled on upper and lower plates holds them firmer so that they feel more comfortable. No gummy, gummy, pasty taste or feeling. It's alkaline (non-acid). Does not sour. Checks "plate odor" (denture breath). Get FASTEETH today at any drug store.

All good vacations start with SHELLUBRICATION

Vacation may be 50 miles away — or 5,000 miles long. But you want every mile to be fun. You want smooth, sure, safe miles of traveling. And for that, you start with Shelllubrication.

Shelllubrication is far more than a "grease job." It is a system developed by Shell engineers to give your car thoroughgoing inspection and "conditioning" — like this:

- Forget-proof lubrication:** Shelllubrication follows a factory-approved guide chart for your particular make and model of car.
- Right lubricant for right place:** Shelllubrication uses at least 15 different types of lubricating equipment—as many as 14 specialized lubricants.

- "Danger-spot" inspection:** Your Shell dealer checks a score of hidden spots where wear can start—thus helps prevent trouble happening.
- Written receipt:** Shelllubrication gives you a "picture-chart" receipt showing just what's been done and what trouble may be brewing.

HERE'S ANOTHER WAY WE SHELL DEALERS CAN HELP YOU

For any trip — long or short — count on us for free, expert touring service. Come in and tell us where you want to go, when and for how long. If it's a short trip, we've got the helps you need — maps, accommodation lists, what-to-see booklets — right in our station.

If it's a longer trip, we'll have Shell Touring Service plan it from country-wide information. Just allow time for mailing and all will be sent to you for free!

DRIVE SANELY — WALK CAREFULLY

Fall Results In False Fire Alarm

PORTLAND, June 19 (AP)—Two fire boats and nine pieces of fire fighting equipment sped to the Eastern & Western Lumber company terminal yesterday when police, receiving a report of a man injured on the freighter Telfair Stockton, feared fire and turned in an alarm.
