KENWOOD BLANKETS

Kenwood blankets have long been a standard of popularity with thousands of American people. There's a good reason for their popularity... as the scientific weave with the long fleecy depths makes air spaces that keep body heat in and cold air out. Made from premium select long fibre wool—Kenwood blankets last for a life time, and if properly washed, never shrink—as all Kenwood blankets are pre-shrunk.

Kenwood Standard 100% Virgin Wool Blanket 15.50
