Stocks Show Little Gain

NEW YORK, June 27 (AP)—Modest demand lifted some oils to highs for the year and strengthened selected issues elsewhere in today's stock market although persistent labor pessimism inspired further light selling of many leaders.

The petroleum section again was responsive to a pleasing earnings outlook. A batch of good dividends was helpful. Transfers of around 700,000 shares were the low for the week.

Tops for 1947 were recorded for Shamrock Oil, Standard Oil of Calif., Standard Oil (N. J.) and Texas Pacific Coal and Oil, although some of these failed to hold.

Better movers included Chrysler, Electric Power and Light, Southern Railway, American Smelting, Oliver Corporation, U. S. Gypsum and Sperry.

Grains Show General Loss

CHICAGO, June 27 (AP)—All grains declined on the board of trade today, although corn at times showed some strength on buying through commission houses.

Moderate hedging was the main factor in the downturn of wheat, which dropped more than a cent at times. Corn encountered profit-taking late in the session and oats turned weak in sympathy with the yellow grain.

Lard futures met a good demand, rising more than \$1.00 a hundred pounds at one time. Buying was based on trade reports that the government would purchase large quantities of fats and oils for shipment to Germany.

Wheat closed 1/4-2/4 cents lower, July \$2.16 1/2, corn was 1 1/2-1 3/4 cents lower, July \$1.99 3/4, and oats were 1/4-1/2 cents lower, July 96 1/2. Lard finished 60 to 80 cents a hundred pounds higher, July \$19.40.

Boy Admits Rifle Theft

Steve Custer, aged 11, who accidentally shot his younger brother, Donald, 8, with a stolen 22 calibre rifle, yesterday morning, is held in juvenile custody today in connection with the theft of the weapon.

Officials at Klamath Valley hospital today said that Donald was not seriously wounded, and that the bullet wound in his left side was superficial.

He was hit while Steve was target shooting at bottles from the back porch of their residence, 1526 Lakeview. They are sons of Mr. and Mrs. George Custer.

Juvenile Officer Ronald Hewitt said that Steve had admitted stealing the 22 rifle from the Charles Moore residence, 304 N. Carroll.

After the shooting, Steve mounted his bicycle and ran away, but was located by city and state officers about noon yesterday.

Damage Suit Filed Here A shove by a door, propelled by a mechanical closing gadget, should be worth \$5000 according to a damage suit for that amount filed in the circuit clerk on behalf of Mrs. Betty Patterson against Minnie C. Erickson, operator of the 2nd Street grocery.

Mrs. Patterson's complaint alleged she was struck in the back by a rapidly closing door, knocked down a flight of steps and onto the sidewalk as she was leaving the store March 25. Her right wrist was broken and she received other injuries in the accident.

The suit charges the operator of the grocery with negligence in not having a handrail on the flight of steps and in having so forcible a closing device on the door. L. Orth Slesinger is the plaintiff's attorney in that suit and another filed by H. P. Patterson, 524 N. 2nd, Betty Patterson's husband, for a total of \$1094 special damages.

Work Progressing At "Y" Building Work is progressing satisfactorily at the new "Y" headquarters, according to Secretary Cecil Kollenborn, and the floor sanding is almost completed. The Klamath Cabinet shop has donated the glass for the entire project, and this will be installed soon.

If the schedule is maintained, said Kollenborn, the organization should start registrations within the very near future. Some painting and last minute work remains before the offices and rooms will be ready for occupancy.

Revolt Looms In Java JOGJAKARTA, Java, June 27 (AP)—Confronted by a solid front of opposition to his moderate policies, Premier Sutan Sjahrir quit as head of the Indonesian republic's cabinet, and Indonesian sources said "only a miracle" could prevent renewed armed conflict with the Dutch.

A Dutch spokesman in Batavia, however, said The Netherlands East Indies government expected President Soekarno, in his first move as head of an emergency presidential cabinet, to request arbitration of the current crisis by a third power or by the United Nations.

The spokesman said the NEI government had been informed unofficially that a letter from Soekarno containing such an arbitration request probably would be delivered to H. J. Van Mook, the acting governor general, some time today.

Building Not Moved As Yet Approximately one-third of all buildings ordered by Klamath potato growers from the WRA camp at Newell have not been moved to date. The original agreement required that moving be undertaken within 90 days. It is important that every effort be made to move all of the buildings just as soon as possible and if some unforeseen delay occurs applicants should contact Joe Thomas, in charge of the camp at Newell.

The Klamath Potato Growers' association has contacted Thomas to see whether or not any other buildings might be made available from Camp Newell to growers.

Senate Passes New Wool Bill WASHINGTON, June 27 (AP)—The senate passed a substitute wool price support bill Thursday less than four hours after President Truman vetoed congress' initial wool legislation because of its increased tariff and import restriction sections.

The new measure carries out Mr. Truman's request in his veto message for legislation providing extension of wool price support but eliminating the tariff and import provisions of the measure he rejected.

The substitute was passed by voice vote and sent to the house. Senator Aiken (R-Vt.) said the agricultural committee, which approved the bill, "decried it would be futile" to attempt to pass the previous bill over Mr. Truman's veto. That would have required a two-thirds vote of both senate and house.

Other businesses slated to close for the three days are the banks, the Oregon state liquor store, the city and county library, the city hall, the county courthouse, and chambers of commerce. The post office will be closed the 4th but will be open until noon, July 5. The Herald and News will publish the 4th but not the 5th.

Most Business Houses Close Klamath Falls employees will have an opportunity to take part in the community rodeo and 4th of July celebration as the retail trade bureau voted to close retail stores July 4 and 5, giving workers a three-day holiday. According to Nicholas Long, bureau head, the majority of the food stores, restaurants and amusement centers will remain open the 5th for the convenience of the public.
