

# British, French Gloomy Over Prospect Of Action For European Recovery

PARIS, June 26 (AP)—A gloomy atmosphere pervaded both British and French quarters today after a private conference between Ernest Bevin and Georges Bidault, prior to their second meeting late today with Soviet Russia's V. M. Molotov. French sources reported that the preliminary meeting of the British and French foreign secretaries, and one informant said: "The success of the conference is in doubt." There were indications that the Russian position at this afternoon's

# Jap Officer Cuts Throat

GUAM, June 26 (AP)—Navy Lieut. Shigetsu Nakamura, a prosecution witness in the war crimes trial of 19 Japanese accused of causing the torture deaths of 10 Americans on Truk committed harakiri with a razor late today. Nakamura slashed his stomach and his throat in the witness section of the marine stockade to which he had been returned after a harrowing day of cross examination before the scowling faces of the defendants. This morning Nakamura testified against his former commander, Capt. Hiroshi Iwanami, former commandant of the Truk hospital, saying Iwanami had given the order for torture experiments on American prisoners of war. Iwanami's loyalty to his former commander probably drove him to suicide. Nakamura spent the morning under cross examination by Defense Counsel Martin E. Carlson, 618 North Lotus avenue, Chicago, after describing in detail how the Yanks were killed with bacterial injections, dynamite and the application of tourniquets—all as part of hospital "experiments."

# Log Rioting Fines Given

UKIAH, Calif., June 26 (AP)—A February 4 incident arising from the year and a half old Redwood lumber strike brought sentences or fines for four men convicted June 7 of rioting and assault in connection with the stoning of non-union mill workers. Judge Eldora Gibson sentenced Robert Moore and George Sherrad yesterday to six months in jail for rioting and to San Quentin prison for 1 to 10 years for assault. Joe Pimental was fined \$250 for rioting and \$300 each on three assault counts. Richard McCoard was fined \$250 for rioting and \$300 each on two assault counts. Both were given the alternative of one day in the county jail for each \$2 of the fines remaining unpaid. All defendants were from Fort Bragg. The Northern California redwood strike is one of the nation's oldest. The main unsettled issue is the AFL Lumber and Timber Workers' union demand for a union shop.

# Wage Agreement Ends Long Strike

FOREST GROVE, June 26 (AP)—A contract providing a union shop and a 7 1/2 cent hourly wage increase was to be signed today by the Stimson Lumber Co. and the AFL Lumber and Sawmill Workers, ending a month-old strike. The workers voted, 115 to 6, last night to accept the contract, which grants their demand for a union shop. After Aug. 23, a union shop will be harder to get—a majority of all employees, not just a majority of those voting, must approve it. Larry De Bondt, secretary of the AFL local, said workers would resume operations about July 7, after taking their annual week's vacation. About 275 men are involved.

# Wage Agreement Ends Long Strike

ROACH NAMED HEAD VANCOUVER, B. C., June 26 (AP)—The Northwest Electric and Power association will be headed for the coming year by P. E. Roach, Boise, Idaho, who succeeds James J. Polhemus of Portland as president. He was elected yesterday at the 40th annual association meeting, which also chose W. T. Thrallkill, Spokane, as vice president.

# Eagles To Elect Officers Today

SALEM, June 26 (AP)—The Oregon state aerie of the Fraternal Order of Eagles was to elect officers today, with A. C. Lucas, Medford, the only presidential candidate. Five other candidates are unopposed: Gerald W. Mason, Portland, for vice-president; W. E. Mack, Astoria, for treasurer; W. M. Loy, Bend, for chaplain; Roy Jewell, The Dalles, for conductor; Dr. F. L. Utter, Salem, for guard; W. H. Lynch, Eugene, Harry Seavy, Albany, Harry James, Pendleton; Ray Marks, Medford, and William Lizer, Coos Bay, all were nominated for the three trusteeships.

# Benefit Pay Claims Filed

Every day last year an average of about 700 retired wage earners 65 years old or older began to receive monthly benefit checks under the federal old age and survivors insurance program. Paul Weidenheimer, acting manager of the Klamath Falls office of the social security administration, announced today. All workers and their families should know that benefits earned under the program are payable to the workers after retirement at age 65 or later, or to their dependents in case of death, only after claims have been filed, Weidenheimer said. The workers, or their survivors, must file claims in order to get anything. Surveys by the social security administration have shown that benefit payments are lost by many reasons because they delay asking for them. According to Mr. Weidenheimer, benefits payable on retirement or death of a breadwinner may be paid retroactively for only three months before the month in which a claim is filed, and any delay longer than three months after retirement or death may mean loss of monthly payments. It is advisable for the worker who is 65 or over, or who is nearing age 65, to visit the nearest office of the social security administration to discuss his benefit rights, even though he has not yet retired or does not intend to retire soon. It might be to the worker's advantage to file a claim before retirement. In any case the social security office will give him advice which will help him to forestall any loss of benefits.

# Legion Sets Service Date

PORTLAND, June 26 (AP)—The American Legion's Oregon department turned to election of officers today after rejecting all proposals to admit to the Legion men who joined the armed services after war's end. In a bitter floor fight, delegates yesterday thumbed down resolutions which would have extended from Sept. 2, 1945 to December, 1946 the deadline on which a man might have enlisted and still be eligible to the Legion. An Oregon woman's candidacy to the national auxiliary presidency was backed by the Legionnaires as they voted \$1,500 to the campaign of Mrs. Hubert Goode, Portland. She is running for the 1948-49 term. The Legion voted a \$270 annual higher education scholarship to an Oregon veteran's orphan, and gave \$300 to the Legion child welfare committee. Another resolution condemned, as contributing to juvenile delinquency, comic strips, radio programs and motion pictures dealing with crime. Delegates asked the national organization to remand Legion dues of members on active duty with the armed forces.

# Morse Asks Long Session Of Congress

WASHINGTON, June 26 (AP)—Oregon's Senator Morse wants congress to stay in session through August and September, if necessary, to admit to the Legion men who joined the armed services after war's end. "We are being well paid, and the people of the country expect us to stay here," Morse declared yesterday in an argument over action of his own republican party majority. After Senator Taft (R-Ohio) asked unanimous consent on a motion, Morse charged that the "unanimous consent" method had been abused to restrict discussion of vital issues. Morse declared he had been forced to a filibuster last week-end because the majority refused a "reasonable request" to postpone voting on the Taft-Hartley labor bill. He accused GOP leaders of "domineering tactics."

# HOSPITAL UP

PORTLAND, June 26 (AP)—The government has a \$5,000,000 hospital to give away. The war assets administration said the huge Camp White Hospital has been declared surplus, but no buyers have turned up. A proposed purchase by the state of Oregon bogged down, and the veterans administration said it lacked funds to take over the plant for a veterans' hospital.

# Truman To Consider Rent Extension

Washington, June 26 (AP)—President Truman will take action next week, probably Monday, on the bill to extend rent controls through next February 29, the White House said today. The measure also allows voluntary rent increases up to 15 per cent where landlords and tenants agree on leases running through 1946. Mr. Truman has until midnight Wednesday to act on the legislation, but since present controls expire after June 30 he is expected to announce his decision Monday.

# Alcoa Official Rotary Guest

Norman Purser, Vancouver, Wn., Rotarian and member of the Aluminum Company of America, spoke to the Klamath Rotary club Friday noon at the Willard on the aluminum industry. The Alcoa official pointed out that the Vancouver plant, the first aluminum plant west of the Mississippi, performs one of the four steps in the manufacture of aluminum products—the reduction of alumina to metallic aluminum. The first two steps are the mining of bauxite and refining it to alumina, he said, and the fourth and final step is fabricating of metallic aluminum. Operation of the Washington plant, which was started in 1940, was made possible through hydroelectric development in the Northwest. The Alcoa plant uses as much electric power in a day as the whole city of Portland, he said.

# Graduated

Mervyn Shuck, son of Mr. and Mrs. Clifford J. Shuck of Merrill is home for the summer. He was graduated this spring from Montezuma school for boys in Los Gatos, Calif., and was active in riding and aviation as well as being named on the honor roll last term.

# Hawkins In County Post

J. V. Hawkins of Dallas, Tex., has been named the new county sanitation officer and arrived June 16 to take over his duties, replacing Lloyd Seeley who recently resigned the post. A native of Dallas, Tex., Hawkins graduated from the University of Texas and since then has worked as a sanitarian in Austin and Odessa, Tex.; Pasco, Wash., and was senior sanitarian for the Territory of Alaska. Hawkins is a registered sanitarian and pharmacist and has been graded by the merit system as a senior sanitarian. Hawkins said his duties would include the grading and checking of restaurants, checking of sewage disposal, inspecting the water supply, checking the local swimming pool and numerous lesser duties. Hawkins' office is located in the county health headquarters at 1949 Main.

# Flashes Of Life

By The Associated Press PENNY HONESTY WORLAND, Wyo., June 26 (AP)—An honest tourist, finding a parking meter out of order when he parked his car, lost two pennies on top of the machine. Worland citizens, just as honest, left them there for 24 hours until a collector picked them up.

# 64-DOLLAR QUESTION

KING CITY, Mo., June 26 (AP)—Clifford Boone, King City farmer, is debating whether to tear down his kitchen ceiling at a cost of \$64, to ferret out a large store of honey between the rafters. Even at present high prices, Boone says, one can buy a lot of honey for \$64.

# PREFERENCE

DES MOINES, Ia., June 26 (AP)—After Arthur Williams, 18, entered a plea of guilty to a traffic charge he was given the choice of a \$20 fine or three days in jail. He hesitated a moment and then told the court: "My home is under water (due to the floor) despite my efforts to save it. I have been sleeping on the levee for the last two nights. Take me to jail."

# Bonneville To Pare Expense Account

PORTLAND, Ore., June 26 (AP)—Bonneville power administration, trying to cut expenditures to meet an expected reduced budget, may order many of its employees to take their paid two-week vacation soon. Bonneville officials said this mass vacation was one of several plans being considered to meet the emergency. An appropriation, still being debated in congress, may give Bonneville either \$3,290,000 (senate proposal) or \$2,500,000 (house proposal). If the house does not agree on the figure by June 30, end of the fiscal year, Bonneville must operate with in the lower figure in the interim. Already, 400 employees have received separation notices.

# Newest Stamp On Sale Here

The newest stamp on sale at Klamath Falls post office is the three-cent maroon memorial to doctors. Central design of the stamp is a reproduction of the famous old painting of Sir Luke Fildes, "The Doctors," showing a bearded doctor visiting a patient in the home with the shade of an oil lamp tilted to shed light on the bed. The words "United States Postage" in white Gothic lettering stretch across the top of the stamp. Postal authorities announce the new revised edition of the official booklet is available now. It shows designs and illustrations of U. S. postage stamps from the date of their introduction, 1847 to May 31, 1947 and includes plate numbers and quantity of issues of commemorative and air mail stamps. This new booklet is published by the division office of the superintendent of document, government printing office and may be ordered through this office in Washington, D.C. Booklets are 45 cents each and a post office order, note or check must accompany each order.

# Officers Face Police Board

PORTLAND, Ore., June 26 (AP)—The death of a sales manager in the city jail "drunk tank" will bring six Portland patrolmen before a police disciplinary board Monday on charges of neglect of duty and conduct unbecoming an officer. Police Chief Leon V. Jenkins cited the men as a coroner's report showed Alfred W. Love, 55, Portland, died in the drunk tank from a brain hemorrhage and a fractured skull. Love was found dying on the sidewalk, beside his automobile, on Thursday morning. The police chief said that, despite standing orders that any man appearing injured should be taken to emergency hospital, Love was placed in the jail drunk tank.
