

Jury Affirms Treason Count

BOSTON, June 30 (AP)—Douglas Chandler, former Baltimore newsman accused of serving as a naval radio commentator during the war, was convicted of treason Saturday by a federal jury.

The verdict was reached after 5 hours and 40 minutes of deliberation.

The tall, thin, 58-year-old defendant allegedly made recordings under the name of "Paul Revere" for broadcast to the United States over short wave from Germany.

The penalty for treason may be death or as little as five years' imprisonment and a \$10,000 fine—at the discretion of the presiding judge.

In an 85-minute charge, Judge Francis J. W. Ford told the jury the case was important to the United States of America and important to the defendant, accused of a "most heinous crime."

Langell Valley

The community was saddened late Wednesday afternoon when death came unexpectedly to Allen E. Gale, a resident of Langell valley for over 40 years. Dearest sympathy is extended to his family.

Bill Branson arrived Tuesday from Missouri to visit his sister, Mrs. Herb Schmidt and family.

Mr. and Mrs. George Fernlund and sons spent Sunday at Medford with relatives and friends.

Elise Kent of Tacoma, Wash., Mrs. Bernice Hedrick of the Hawaiian Islands, and Earl Kent of Klamath Falls were dinner guests Sunday.

Mr. and Mrs. Bill Burnett and family.

Mrs. Albert Dearborn and family spent Monday with Mrs. Wesley Dearborn and family.

Mr. and Mrs. LaRue House and Susan, Mr. and Mrs. Don Ross and Bill, David and Tom House spent the week-end at Medford. Their father is improving from his illness.

Mrs. Herb Johnson is recovering nicely from a major operation and has returned to her home at Bly.

Mr. and Mrs. Bill Prior and Janet are here from Southern California visiting his sister at Olympia, Wash., at the Earl Kent home.

Mr. and Mrs. Joe Roads are spending a few days in San Francisco.

Mr. and Mrs. Harry Frazier visited on Tuesday evening with Mr. and Mrs. F. W. Brown.

Mr. and Mrs. Ed Deering of Fallon, Nev. visited with Mr. and Mrs. Lee Davis and family.

Mrs. Lois Hunt and small daughter spent Wednesday with Mrs. Maren Randall and her small son.

Doris Leavitt spent last week in Bonanza with her grandmother, Mrs. Mary Dearborn.

Edith Gift has returned home from Hillside hospital. She is recovering nicely from her recent accident.

Mrs. Stella De Bel is visiting relatives and friends at Baker.

Mrs. Gladys St. Clair and her brother, Gerald Andrews, both of Minneapolis, Minn., spent several days with Mr. and Mrs. Harry Frazier.

Babe Connor of Merrill is spending a week with her cousins, Mr. and Mrs. Herman Hodges and family.

Mr. and Mrs. Fred Rueck have returned from a vacation trip to Yellowstone park.

Sunday dinner guests at the home of Mr. and Mrs. Ed Jones and Mr. and Mrs. Bob Dalton were Mr. and Mrs. Roger Jones and Dorothy Jones of Klamath Falls, Mr. and Mrs. Herb Jones and family and Mrs. Woodward of Fort Klamath.

Mr. and Mrs. Casey Jones of

CARNIVAL

By Dick Turner

"Oh, say—here's that ten bucks I owe you!"

Dairy were Thursday visitors at the Les Leavitt home.

Simon Yoder, the new manager of the Langell valley irrigation district, arrived last week to start work. He recently was graduated from Oregon State college and is a former Montana resident. He was in the armed forces for several years.

Mrs. Daisy Cox took her Blue Birds to Klamath Falls on Wednesday. The girls enjoyed a picnic at Moore park and went to a show.

Mr. and Mrs. Ed Gowan are spending a few days at Diamond lake.

Mr. and Mrs. Bill Novotny visited Mr. and Mrs. F. W. Brown Wednesday evening.

Diabetes is most common among the Jewish race, strikes more women than men, and more married women than single.

Glucose Plant Funds Talked

A meeting of the board of directors of the glucose plant at Hatfield, Calif., and officials of the Northwest Chemurgy Co-op bank in Spokane, Wash., was held in Wenatchee, Wash., Saturday, with Chester Main of Tulelake present.

At a meeting of stockholders of the plant, held recently in Merrill, consideration was given refinancing the project so that it could be operated this fall. A proposal put before the stockholders to accept stock in place of dividends until the plant is paid for was accepted. Payment for hauling cull spuds, however, would be made according to the agreement.

This plan came under full discussion at the Wenatchee meeting.

Bee Men Start Blaze In Brush

Burning bees Saturday in a pit on a grassy field near the Spring Lake schoolhouse caused huge columns of smoke, reported from Hogback mountain lookout as a brush fire.

The county fire department found upon investigation that E. K. Nichols, bee inspector from Ashland, was burning a swarm of infected bees with gasoline in a pit when the fire spread to the grassy field. About one-half acre of dry grass was burned but no damage caused.

The bee men are camping in the Spring Lake schoolhouse and it was first believed from the volume of smoke that the school was afire.

**POISON
OAK, IVY or
SUMAC**

A U. S. GOVERNMENT BUREAU REPORT announces the discovery of a new tannic acid treatment for ivy, oak and sumac poisoning. The treatment has been found excellent; it is gentle and safe, dries up blisters in a surprisingly short time—often within 24 hours. These government findings are incorporated in the new product—**IVY-DRY**

At your drugstore, 50c.

New Group Fights Rogue Damming

MEDFORD, June 30 (AP)—A new organization, the Rogue River Basin Conservation committee, will fight attempts to dam the main channel of the Rogue river.

The spartan from Southern Oregon and Northern California comprise the group, headed by Kenneth G. Denman, Medford. The committee includes Merle Griffin, Grants Pass.

It will lay plans at a meeting next month in Grants Pass.

Suddenly it's young again

PROBABLY that faithful Buick of yours still can show a clean pair of heels to other cars on the road—probably still rides and runs like a charm. It makes you realize how wise you were to have picked a Buick in the first place.

Even though time always takes a toll, Buicks do carry their years well. They can keep their eagerness to go, their light-hearted gait and gentle comfort—particularly when they are rewarded with the considerate care that Buick dealers know how to provide. It's care that brings out your car's youthful spirit—care that lets you feel that suddenly it's young again.

Buick car care is something far different

from what's regularly called service. It's something that only a Buick man can give.

Because he is trained in all the needs and preferences of Buicks. The tools he uses are the right Buick tools. And any replacement part your car may need is a Buick-engineered part.

So it's easy to see why your car is so ready to give you its best when it receives regular Buick car care—care by men who know Buicks through and through and love them heart and soul.

**BUICK CARE
KEEPS BUICKS BEST**

THIS WORM TURNS A BIG CAR.

A Buick steers with a finger touch. Part of the secret is a stream of 66 steel balls that circle the worm on the steering column. With these balls there is so little friction that steering is feather-light—so little wear that the gear stays taut and firm without frequent take-ups.

Your Buick dealer lubricates this gear with just the lubricant Buick intended. Anything heavier would make steering stiff in winter—anything lighter would fail to give full protection against wear.

It's another instance of how Buick care keeps Buicks best. And the same holds true in whatever your car needs—lube job, tune-up, major or minor repair.
