## Capital Of Mindoro Island Captured By Armed Band, But Police Restore Order

MANILA, July 2 (AP)—Thirty-two heavily armed escaped convicts last night seized control of Calapan, capital of Mindoro Island, but military police reinforcements restored order late today after a bitter gun battle in which the rebel leader was killed.

Governor Conrado Morante of Mindoro telegraphed Malacanang palace that 10 of the jail breakers had been captured, 19 still were at large and three were killed.

Morante, along with Calapan's mayor, Filomeno Sumaco, the city police chief and Congressman Raul Leuterio, were disarmed by the escapees.

Heavy reinforcements of military police were flown to Mindoro to put down the coup after a Philippine airplane pilot managed to fly to Manila from the embattled capital and reported the uprising.

The convicts had seized all local radio transmitters, cutting off communications from Calapan.

A Lt. Romero, the leader, then forced the town's police and one platoon of military police to disarm and rounded them up in a stockade the prisoners had occupied.

Radio operators at the airfield and aboard ships anchored in Calapan harbor were seized simultaneously, blocking out all communication with the outside world.

Conde said Romero was killed with a bullet in the head during a bitter battle with military police at the airport today.

That was not the end of the resistance, however. The town still was in control of the escaped prisoners in the afternoon.

There was no indication of the fate of Governor Morante, who was reported taken to a hideout designated only as Casablanca.

Military police headquarters here ordered two plane loads of reinforcements to Calapan late today while additional forces were brought from Batangas, on Luzon.

Calapan is about 80 miles due south of Manila.

The pilot, a flight Capt. Manuel Conde, reported he had been captured by a Lieutenant Romero, former military police officer serving 16 years for rape and who had boasted he controlled the town.

Romero and about 45 men broke out of the prison stockade.

### 673 Births On County Record

Klamath storks were kept busy during the past six months, according to county health department reports, with 673 babies born from January 1 to June 30. There were

slightly more boys than girls born, with 372, compared to 301 girls. There were 42 new baby girls during the month of June, while 36 boys were delivered. Deaths for the month numbered 27.

### Clark Honored At Fort Lewis

FORT LEWIS, July 2 (AP)—Elaborate ceremonies marked the return today of Gen. Mark W. Clark to this army post which he left slightly more than seven years ago with the rank of major.

The famed war general and new commander of the sixth army arrived here last night but remained off the post until 9 a. m. today when a 17 gun salute and an honor guard of war veterans welcomed him.

A full day of ceremonies is planned for the visitor, including a quick noon-time trip to Olympia for luncheon with Governor Wallgren. A review and formal reception will cap the program on this post this afternoon.
