MIDLAND EMPIRE NEWS

New Pine Creek

The Baptist church Bible school was climaxed last Saturday with a big picnic up at the canyon picnic grounds where games and lots of good things to eat were enjoyed. The picnic followed the program which took place on Friday evening where a large crowd of grown-ups as well as young folks viewed with admiration the work of the youngsters and enjoyed the program. An average of 69 children participated in the Bible school activities during the two weeks it lasted.

Mrs. J. E. Broill of Reno, Nev., was a visitor here last week and part of this week with Mr. and Mrs. Earl Butler and Mr. and Mrs. Evert Reid. She left for home Wednesday.

Mr. and Mrs. Donald Hanel and daughters, Lindo and Marylan of Pomona, Calif., were week-end guests at the Evert Reid home. Mr. Hanel is the son of Neita (Reid) Garmon, a sister to Evert Reid and Mrs. John O'Neil, and a former resident of New Pine Creek. They also visited friends and relatives on both sides of the lake.

Olen Tucker motored to Reno, Nev., last Sunday and met his mother, Mrs. Zelma Tucker, and son who will stay for about six weeks with Olen and Helen.

Mrs. Rhesa Dick and daughters Betty and Sharon Rae are visiting with Mr. and Mrs. Tom Dick and also with Mrs. Sadie Keller at Lakeview. She left for home Wednesday.

Mrs. Margaret Lemon from Boise, Ida., left last Sunday after spending about a week visiting with Mr. and Mrs. W. E. Butler and family and Mr. and Mrs. Evert Reid.

There was a big community picnic for the Fourth up the canyon, sponsored by the East Side Grange. All granges and the public were invited. Raymond Fisher was in charge of the games and entertainment and a big time was had by most grangers.

Mrs. Glen Mahan and children, Berl and Geree, have spent the past week visiting with her parents, Mr. and Mrs. Earl Butler and other relatives.

The East Side grange benefit dance held last Saturday night to raise funds for the building fund was well attended. Better than $50 was cleared at the event.

The Happy Hour club met with hostess Alice Allen at her home. Twelve members, 15 children and five guests, Mrs. Julius Broill, Mrs. Joy Mahan of Martinez, Mrs. William Larkin of Santa Rosa, Helen Sanford and Norma Larkin were present.

The secretary of the club was instructed to write to the forest service protesting the use of high powered speedboats on Lily lake and to ask for signs prohibiting breaking of bottles in that recreational area.

For the game the hostess played familiar tunes featuring girls' names in titles. Prizes went to Helen Sanford, Fannie Fisher and Ines Larkin. Refreshments consisted of cake, jello, whipped cream and coffee. The next hostess is Mrs. Hazel Sanford.

Clara Cloud received her birthday gift from her secret pal and Eunice Coeburn received her anniversary gift.

A community on the Adriatic sea called Zadar in 1920 was given to Italy and the name was changed to Zara, but in 1946 it was awarded to Yugoslavia and the name has been changer to Titrograd.

The miracle you seldom think about

Rain or shine, summer or winter, the milk your family needs is waiting on your doorstep—pure, fresh and wholesome.

The speed at which milk travels through all the stages of scientific, health-protective handling is a miracle of modern dairy management.

Your dairy pays a big price for speed—because speed is so vital to the freshness, safety and wholesomeness of the milk you get so easily.

One of the extra safeguards this dairy uses is the Sealright Hood. Sealed on the bottle at 500 degrees F., this paper closure provides water-proof, tamper-proof protection of the pouring lip of our bottle. It keeps it safe from contact with hands or other exposure all the way from dairy to you. And that is important—*because every drop of milk in the bottle must pass over that pouring lip.*
