WOMEN who feel NERVOUS

caused by functional "middle-age" Do you suffer from hot flashes, weak, nervous, irritable, changing feelings—due to the functional "middle-age" period peculiar to women (30-50 yrs.)? Then try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It also has what Doctors call a stomachic tonic effect.

LYDIA E. PINKHAM'S COMPOUND

One of the extra safeguards we use is the Sealright Hood. Sealed on the bottle at 500 degrees F., this waterproof, tamperproof hood keeps the pouring lip of the bottle safe from contact with hands or other exposure all the way from our dairy to you. And that is important—because every drop of milk in the bottle must pass over that pouring lip.
