

# Dick Barrett Hangs Total Fan Record

## Suds' Curveballer Has Whiffed 1616

By The Associated Press  
 Dick (Kewpie) Barrett, Seattle's curve ball expert, smashed the all-time Pacific Coast league strikeout record last night by fanning eight Sacramento Solons and giving his cellar-dwelling Rainiers an 8 to 2 victory.

Barrett's feat gives him a total of 1616 strikeouts. Before last night's game he was tied at 1608 with the previous all-time record holder, Frank Shellenback, who formerly played with the Hollywood Stars and San Diego Padres and now is with the Detroit Tigers staff as a coach.

Shellenback finished up his Pacific Coast league playing in 1938 with the San Diego club as pitcher-manager.

In establishing the new mark the veteran Barrett yielded Sacramento to four hits and yielded runs only in the fourth.

The Los Angeles Angels, thanks to the home run bats of Johnny Ostrowski and Al Glassop, stepped up to a four-game lead over second-place San Francisco yesterday by defeating Hollywood 5 to 1.

Oakland, opening a seven-game series with San Francisco, edged up to within a game of the second-place Beas by defeating them 3 to 1 in a ten-inning contest. Pitcher Dewey Soriano poked in the clinching run.

In the Los Angeles-Hollywood tilt Pitcher Red Lynn held the Stars in check for his eighth win of the season. Andy Ostrowski's homer in the fifth was his 14th of the campaign, putting him in a second place tie for circuit-climbing honors with Ed Bauer of Los Angeles and Vince DiMaggio of Oakland. San Diego's Max West leads the home runners with 19.

Homers accounted for all the scoring in the San Diego-Portland game with the Padres coming out on top 5 to 2. Frank Evers' three-run four-bagger in the 10th inning won the game for the Padres.

The Beavers went into a 2 to 0 lead with circuit blows by Herman Reich in the second stanza and Danny Escobar in the fifth. But Max West evened it up in the sixth when he struck his 19th of the season with one on.

This is one of the stock sedans which will be driven in the auto thrill show at the county fairgrounds next Saturday night. Driver Jack Armstrong is at the wheel for this stunt.

# Stafford, Jennings Lead Field Into PGA Rounds

PORTLAND, Ore., July 9 (AP)—A pair of Louis Stafford and Jennings paced a 31-man field into the championship flight match play of the Pacific Northwest Golf association title meet today.

Stafford, the University of Oregon ace, put a four-under-par 68 with his previous day's 70 to take medalist honors in the 36-hole qualifying rounds yesterday. The 138 total was one stroke ahead of Jennings, first day leader, and four up on Guy Owen, Missoula, Mont.

In the first round of women's match play, favorites came through as anticipated with medalist Edean Anderson of Helena, Mont., topping Isabel Jarvis of Victoria 7 and 5. In other matches, Grace DeMoss of Corvallis outshot Irene Church of Seattle, 8 and 6.

Other men's scores (36 holes): Bob Sederstrom, Salem, 165; Bruce Fischer, Eugene, 159; Duke Matthews, Olympia, 154; Don Provost, Eugene, 156; Henry Near, Yakima, 178; John W. Hulbert, Aberdeen, 166; Bill Johnson and Charles Kindred, both Corvallis, 156.

This award pushed his total earnings in winning five out of 10 tournaments to \$16,187.50, and vaulted him into second position on the financial list behind little Ben, who is tops with \$17,000. Hogan, however, has pocketed his change through 52 tournament rounds, while Perfectionist Locke has banked his in only 32 rounds of competition since becoming the greatest golfer to visit these shores in 25 years.

NORWALK, Conn.—Willie Pep, 128, Hartford, outpointed Leo LeBrun, 128, New York, 8. (Non-tel.)

# New Rules Adopted . . . Time Limit Placed On Softball Tilts

By RONNIE BROWN

As decided in last night's city softball league meeting of team managers, the second round of play will be conducted in the same round-robin method as the first half, rather than to play the teams according to their strength and standing in the league as was suggested by some.

Several additional rules were adopted by vote of the managers in an attempt to speed up playing the games and lessen the bickering that has accompanied some of them in the first round.

A time limit of one hour 10 minutes was placed upon the games, the plan being that with 10 minutes between games, an evening's program may be over by 10 o'clock. In the event of a tie, the game will be played out as long as necessary and in a case of an inning not being completed, the inning will be played out, regardless of time.

In view of this time limit, the men decided to do away with the rule of calling a game if one team is ahead by seven runs or more by the end of the fifth inning.

A suspension penalty for abuse to umpires or any other unsportsmanlike conduct on the part of players was also decided upon. A player may be suspended for two games in a case of any physical contact with an umpire or opposing player. Two games, that is, in addition to the one in which the offense is committed.

In other cases, not involving physical contact, the suspension may be one additional game or less, the severity of the penalty resting upon the "decision and discretion of both umpires. Excessive and personal abuse of an umpire, verbally, will come under the latter bracket, as will other unsportsmanlike actions.

Considerable time was spent by the managers in hashing over other difficulties which have arisen during first round competition. It was agreed that in the event of a disagreement while a game is in progress, the managers or field captains shall take part in the discussions, not the whole team as has been the case in the past.

Another point discussed was the necessity and difficulty of keeping spectators in the stands and off the playing field. To remedy this situation, the managers agreed to be responsible for keeping the area occupied by their teams clear of all unauthorized persons.

Article 7, section 1 of the Oregon State Softball association's by-laws, which are definitely observed by the city league, states that there shall be no smoking on the field or the players' benches. This rule has not been enforced in the past but will be enforced strictly from now on. Besides causing actual damage to the field, the matchsticks left on the field by smokers constitute a hazard to the boys who will be playing football on the field next fall.

The final game of first round of competition will be played tonight under the arcs at Modoc field.

At 7:30 Moose will meet Rickys at the south end of the field, while Ashleys will tackle the Bureau of Reclamation on the north diamond. At present the Moose are in fifth place in league standings with three wins against as many losses and Rickys have fallen to seventh place with three wins and five setbacks.

Ashleys have pulled up to fourth place with five victories and three losses while Reclamation is on the bottom rung of the league ladder with one win and six losses.

The fate of the hotly disputed Eagles-Reclamation game of Monday night has not been decided yet, but Frank Drew, league president, and Sam Smith, league secretary will confer with the officiating umpires and then render a decision. The game was thought to have been declared no contest, but the umpire claims that he did not give such a decision.

marked Salmon Unlock Secret

PORTLAND, July 9 (AP)—Young salmon should be held in breeding ponds until 14 months old, the state fish commission reported today after a check of marked salmon now returning to spawning grounds.

The commission said the check disclosed those held 14 months outnumber those released after six months.

The fish held the longer period returned at a ratio of 4 to 1 at Alsea and 8 to 1 at Bonneville.

# DOERR'S BAG RUNNING WON ALL-STAR GAME

CHICAGO, July 9 (AP)—The National league, whipped in the 14th all-star major league game, still wondered what makes the American league so tough.

Jubilant Joe Cronin, who directed the American leaguers to a 2-1 triumph for their 10th victory against only four defeats before 41,123 at Wrigley field yesterday, could point to several reasons.

One might be the hell-bent-for-election base-running of Cronin's own Boston second sacker, Bobby Doerr, who scored the decisive run in the 7th.

Another was the pinch-hitters used by the American league. Ansted Luke Appling of the Chicago White Sox scored the first junior circuit run in the sixth inning, and Washington's Stan Spence rammed a single to score Doerr from third in the seventh frame.

The National leaguers had only one big moment and that was the home-run shot by big Johnny Mize of the New York Giants in the fourth inning which gave Eddie Dyers' outclassed boys their lone marker and a short-lived 1-0 lead.

Even though Dyer trotted out 38 players the losers collected only five hits off four American league tossers.

The crowd of 41,123, although the sixth largest in the game's history, contributed a record net take of \$105,314.90, most of which is earmarked for the players' pension fund.
