Selling Hits Most Stocks

NEW YORK, July 15 (AP)—The stock market ran into selling trouble today although assorted favorites managed to override this handicap with fair success.

Decline ruled in the morning. There was some comeback around midday, a subsequent stumble and a stiffening of quotations here and there in the final hour with motors and special issues attracting short covering and mild investment demand. Dealings were relatively quiet throughout. While a number of leaders retained gains at the close, many losers persisted. Transfers were in the neighborhood of 1,200,000 shares compared with Monday's 1,660,000.

Among new 1947 highs were Chrysler and McGraw Electric, up a point or so each. Phillips-Jones added about 4 on a big earnings jump. Resistant were Virginia-Carolina Chemical, Guantanamo Sugar, Studebaker, Hudson Motors, Willys-Overland and Nash-Kelvinator.

Bonds turned somewhat spotty. Commodities rallied after forenoon unevenness. Cotton, toward the finish, was up $2.60 to $2.90 a bale. At Chicago wheat ended ahead 2½ to 4½ cents a bushel, corn 1¼ to 5 and oats off ⅛ to up 1⅞.

Grain Futures Leap Upward

CHICAGO, July 15 (AP)—Grain futures leaped upward in late trading today, with wheat and corn showing gains of about 5 cents a bushel at times. Oats, weak early, strengthened with other grains.

Part of the wheat buying apparently was influenced by reports of fair bakery flour business.

September and December wheat, and September, December and May corn reached new seasonal highs. July corn reached $2.21 a bushel, equaling its all-time high set last week.

Wheat closed 4½ cents higher than the previous finish. July $2.39¾-$2.39, corn was up 1¾ to 5 cents, July $2.20¼-½, and oats were ⅛ off to 1⅞ cent up. July $1.02-$2.01¾. November soybeans closed at $2.78, up 8 cents.
