

MARKETS AND FINANCIAL

Most Stocks Stay Level

NEW YORK, July 16 (AP)—Stocks generally dined at moderate, lower levels during the greater part of today's market although a little late stock covering and investment demand stiffened trends in virtually all departments.

Leaders inclined to slip from the start in quiet dealings. Motors did better approaching the final hour and extreme declines running to a point or so elsewhere were reduced. The revival failed to hold in the majority of cases at the last but the close was no worse than slightly irregular. Transfers topped the million-share mark for the eleventh successive session.

Stumblers included Douglas Aircraft, International Harvester, Pacific Western Oil, Goodrich, U. S. Rubber, J. C. Penney, American Can, Mission Corp., International Paper, American Telephone and Western Union. Ralls and steels were narrow.

Bonds were uneven. Cotton futures hit a peak since 1920, and toward the finish, were up \$3.10 to \$52.25 a bale.

Wheat Futures Boom Ahead

CHICAGO, July 16 (AP)—Wheat futures advanced about 5 cents a bushel at times today under buying and short covering, but there were occasional recessions from the highs due to weakness in corn.

Commission houses and commercial interests bought wheat. Corn was depressed more than 3 cents a bushel at times under selling influenced somewhat by favorable weather and crop reports. Oats slumped with corn. Soybeans showed independent strength.

Wheat closed 1 1/2 to 2 1/2 cents higher than the previous finish, July 32 1/2 to 34 1/2, corn was down 2 to 3 1/2, July 27 1/2 to 28 1/2, and oats were off 1/4 to 1 1/2, July 11 1/2 to 12 1/2, November soybeans closed at \$2.78, up the 8c limit.

Workers Cross

Picket Lines

SEATTLE, July 16 (AP)—Workers in all unions except the striking automotive machinists union (independent) walked through picket lines today to return to work in Seattle automobile shops.

There was some heckling by pickets but no violence was reported.

Representatives of the mechanics and the dealers met with U. S. Labor Commissioner Harry H. Lewis yesterday but made no progress toward a strike settlement.

The machinists are asking a 25-cents-an-hour wage increase. The dealers offered 15 cents which was accepted by the other unions.
