## WHY WE SAY

By STAN J. COLLINS & L. J. SLAWSON

At one time the money lenders displayed their coins on a bench—when insolvent in the custom to break the bench. Thus came bankrupt from the Italian banco rotto meaning broken.

### Langell Valley

Mrs. Nettie Davis spent several days in Klamath Falls last week with her daughter, Mrs. Johnnie Campbell. Deanna Campbell came home to spend a week with her grandparents.

Mrs. Bertha Burgoyne of Eden, Ida., is visiting her daughter, Mrs. Joe Horsley and family.

Mrs. Claude Murray of Coos Bay is visiting Mrs. Harry Frazier and other friends for a few days. She came to attend the shower for Doris Leavitt.

Sandra Brunton of Klamath Falls is visiting Mary Ann Hellekson.

Mrs. Nettie Freeman and children, Adah May and Charles, of Santa Ana, visited the Browns and Leavitts recently.

Mr. and Mrs. O. C. Johnson have a lovely new car purchased Tuesday. Mr. and Mrs. Al Dearborn and family also have a car.

Mrs. Ed Simmons and Eddie and Mr. and Mrs. Jay Bray are visiting relatives in Fallow, Nev.

Margery Bramwell is spending a few weeks in Washington with her sister and family.

Mr. and Mrs. Roger Jones of Klamath Falls and Mrs. Madeline Hampton of San Francisco were Sunday dinner guests of Mr. and Mrs. Ed Jones and Mr. and Mrs. Bill Dalton and family.

Fifty of the Langell Valley grange members and their families met at the "Ole Swimming Hole" at Fort Klamath Sunday and enjoyed a picnic. Good eats and a good time were reported by all.

Mr. and Mrs. Riley McCall of Sweet Home are visiting Mr. and Mrs. Elliott House.

### Cascade

Robert Wahlstrom of St. Louis is here visiting his aunt, Mrs. Annette Hoops.

Among summer home colonists who are now occupying their summer homes on Odell lake are Prof. and Mrs. Charles G. Howard of the school of law, University of Oregon. They have as their guests Prof. Alan Hugh Smith, also of the school of law at the university, and Mr. and Mrs. Robert E. Bennett, Portland, Bennett is an attorney.

Secretary of Horticulture of Kansas, George W. Kinkadee, was an overnight guest at Odell Summit lodge with Mrs. Kinkadee. The Kinkadees motored from Topeka Kas. Mr. and Mrs. C. E. Bailey of Ouynton, Okla., were also in the party. They visited with Kinkadee's sister at Yakima before coming here.

Howard Pratt of Corvallis is staying in his cabin on the lake. Mrs. Pratt will join him later in the summer.

Vern Hecker of Corvallis is building a summer home on Odell near the home of Mrs. Howard Hall. Al Nagel is helping build the cabin.

Mr. and Mrs. Larch Douglas (Dorothy Hukel) have purchased a boat formerly owned by the government to house sailors in the bay in Olympia, Wash. Douglas, who is an enthusiastic yachtsman, will convert the boat into a hotel to be used by families owning yachts in the bay. The boat will house a restaurant, sleeping quarters, a restaurant for storing articles that the owners do not wish to leave on the yachts during their absence. Douglas will service the yachts. His uncle, Al Nagel, reports that everything for the comfort of their guests will be on the boat. The ranges and other equipment have been left on the boat from the time the navy used it for sailors during the war.

Odell Summit lodge is doing an immense business with nearly all rooms and cabins filled each night. The owner, J. Badley, whose duties in connection with his diesel engineering school take him all over the country, has been able to advertise the place to easterners who have been coming here to enjoy the fishing.

Mr. and Mrs. Harold Emert of Oswego spent the week-end with Mrs. Adkison and their guests, Mr. and Mrs. Dick Knoll of Portland, and Mr. and Mrs. Herbert Bernard of Oswego.

Grant Erickson, one of the most successful as well as ardent fishermen in Odell, caught seven Rainbows on a fly Wednesday evening.

## 600 Acres Of Seed Spuds Pass Certification Test

Approximately 600 acres of 750 acres of Russet and White Rose potatoes examined on the first 1947 potato seed certification inspection made in Klamath county last week, were passed.

Making the inspection were Harold Finnerl, seed certification specialist of Oregon State college and Rex Warren of OSC, assisted by Walt Jendrzejewski, assistant county agent.

An additional 600 acres of potatoes that were delayed by frost will be examined toward the end of the week, completing the first inspection.

Inspectors walk through the rows in a potato field with counters on their fingers, examine from 800 to 3000 plants individually, counting the diseased plants on the counter on one hand and disease-free on the other. One counter is clicked

for each plant checked. They work from early light until dusk makes it difficult to see, as a lot of territory must be covered when the plants are at a certain stage of their growth. Some seed certification specialists carry several counters on each hand and check different diseases separately.

When the inspection is made the diseased plants are identified for roguing. If the roguing has not been done when the second inspection is

due, it will not be made and the seed cannot be certified.

The purpose of the inspection is to keep the seed used in the state as well as that sent out as free of disease as possible and is the basis of the clean seed planted in Oregon fields.

DODGE "DEPENDABILITY". The word DEPENDABILITY was born in exclusive reference to the Dodge automobile, thirty years ago. It applies to Dodge today in exactly the same exclusive way, although the Dictionary now contains it and defines it. The Dodge meaning of the word remains well fixed and proven. It means exceptional Style, Performance and Economy,—Today, Yesterday, and Tomorrow. Smoothest Car "Afloat" THE LOWEST PRICED CAR WITH FLUID-DRIVE. LOMBARD MOTORS • 522 South Sixth St.

Highway sketches. In which our wandering artist takes us through the Rockies on Chevron Supreme. I climbed a thousand feet from Bear Lake to this mountain pool cupped in the Rockies. It was worth the hike, for Dream Lake is a good example of the spectacular spots hidden in Rocky Mountain National Park. If you like scenery, fill up with Chevron Supreme Gasoline and head for Colorado. Between this ghost town and Colorado National Monument, I drove some mighty high highways. But high-octane Chevron Supreme always pulled us through without pings or vapor lock. Sketched Great Salt Lake at twilight while getting an RPM Lubrication job and Chevron Supreme. Wherever I drove, I found Chevron Supreme premium gasoline "climate-tailored" to fit local driving conditions and bring out my car's smoothest performance. It's good going on CHEVRON SUPREME GASOLINE.
