Stock Leaders Move Ahead

NEW YORK, Aug. 5 (AP)—Recoveries ruled in today's stock market for motors, steels, rails and selected industrials but many leaders did little or nothing and dealings remained among the slowest of the past month or longer.

Short covering and nibbling by professionals accounted for most transactions, with public customers holding aloof. The ticker tape loafed after a fairly active opening. Extreme gains running to 2 or more points were reduced at the close and a smattering of pivotals reverted to the losing column. Transfers again were in the vicinity of 750,000 shares for the full proceedings.

Packard Motors was the liveliest performer on blocks of as much as 13,800 shares but held to a narrow range as the company showed a substantial 6 months' loss.

In front were Chrysler, General Motors, Studebaker, Bethlehem, U. S. Steel, Youngstown Sheet, Frisco Railroad common and preferred (on talk of a merger with Gulf Mobile and Ohio), Chesapeake and Ohio (on directors' approval of distributing the road's holdings of nickel plate stock to share owners), Southern Pacific, Montgomery Ward, Phelps Dodge, Du Pont, Union Carbide, Allied Chemical and American Woolen. Pleasing dividends gave a modest lift to Masonite, Beaunit Mills and Fajardo Sugar.

Bonds were uneven. Cotton, toward the finish, was up 85 cents to $1.65 a bale. Grains broke in the forenoon, then cut their losses. At Chicago wheat ended off 2 to 3¼ cents a bushel, corn 2¼ to 3¼ cents and oats 2½ to 3¼ cents.

Most Grains Show Gains

CHICAGO, Aug. 5 (AP)—A fairly brisk rally in corn, led other grains upward from the day's low toward the close of the board of trade session today.

Forecast of temperatures during a five day period of from 4 to 10 degrees above normal for the corn belt started commission house buying accompanied by some short covering.

Wheat advanced on demand attributed to houses with commercial interests.

Oats followed the movement of corn, but was sluggish on the rallies.

At the finish wheat was 2 cents to 3¼c lower than the previous close, September $2.32-2.32¼. Corn was 2¼ to 3¼c lower, September $2.19¼-½. Oats were 2½ to 3¼c lower, September 98-97¾c.
