

Plans Made For Teacher Meet Here

Tentative plans are being made for the organizational week scheduled for city teachers September 1 through 5. Teachers will attend the sessions to receive instructions before schools open September 8.

Beginning Monday, September 1, a general session will be held in the morning and probably part of the afternoon, at Klamath Union high school. Supervisors of each department will outline the program. J. V. LaClair will discuss visual education; Mrs. Lena Hackett, special education; Andrew Loney, music; Robert Banister, art; Joe Peak, health and physical education, and G. E. Robertson will be in charge of the course of study presentation. In the afternoon the session will break up into special groups for discussion with department heads.

Tuesday morning, teachers will travel to the Oregon Vocational school to observe the educational program underway there. Tuesday afternoon and Wednesday will be spent in special sessions at the high school for high school and grade school teachers.

Teachers will go to their respective buildings Thursday with high school freshmen registering at the high school that afternoon and junior high students registering at Fremont school. All other students will register at their respective schools Friday, and regular classes will begin Monday, September 8.

Throughout the first three days of

organizational school for the teachers, they will hear reports of late educational trends from instructors who have attended the various summer schools in California, Oregon and Washington.

Tioga Forest Fire Dying

MARKLEEVILLE, Calif., Aug. 7 (AP)—Fresh forest service crews were flown here today to join in fighting a big-timber forest fire which has swept across thousands of acres of timber land in Tioga National forest.

The situation eased somewhat, and Sheriff Orrin P. Brown reported fire fighters appeared to have it "pretty well under control."

The 65 occupants of this high Sierra village remained at their homes after making plans to evacuate the town last night. They won a vital respite when winds died down before midnight.

A mile of fire breaks, on which bulldozers were hard at work, still separated Markleeville from the fire line.

Fresh forest service crews from Ogden, Utah, were being flown to Minden, Nev., about 30 miles north of Markleeville, and were to be brought here by car.

Meanwhile, another fire, smaller but extremely fierce, broke out 14 miles to the north in the Job's peak area.

TEACHER PASSES
CARBONDALE, Ill., Aug. 7 (AP)—Miss Harriet Elliott, 63, dean of women and professor of political science at the women's college of the University of North Carolina and prominent democrat who served on public service committees during the war, died last night.

Candid Camera Snaps Hughes

Showing many expressions, but only one mood—angry—Howard Hughes was snapped in those poses during a hearing in Washington, D. C., involving his war-time plane contracts.

Scouts Plan Picnic Soon

All Boy Scout committeemen, Scoutmasters and interested persons will gather at Moore park on Monday, August 11 at 6:30 p. m. for a picnic and confab about Scouting.

Coffee will be furnished those attending, who are asked to bring their own picnic meals. The forthcoming swimming meet, to be held on August 14 at the Klamath Union high school natatorium, will be discussed, and some interesting out-of-door activities are planned.

The main topic of discussion will be the Scout training program in this council area. Plans for future training will be tentatively formulated at this meeting, and details of the general activity program for Scouts in this area will be discussed.

Indian Drowns In "A" Canal

James Raymond Chocktoot, 41-year-old Klamath Indian from Beatty, was drowned last night in the "A" canal near the Eberlein street bridge.

State policemen arrived at the scene of the drowning after Chocktoot had been in the water about 35 minutes. They applied artificial respiration for 50 minutes but were unable to revive him.

According to the investigating officer, the Indian was only partly submerged in the waters of the canal. His wife, Vivian Tupper Chocktoot, was unable to lift him out of the water when he slipped in, and it took two officers to get the heavy man up the bank. The lower half of Chocktoot's body was out of the water.

The accident was first reported by an unidentified cab driver who called police. The body is at Ward's.

Cottage Grove Slates Regatta

COTTAGE GROVE, Aug. 7 (Special)—Champion Northwest motorboat racers will contend in a regatta at the lake here Sunday sponsored by the Junior chamber of commerce.

Another highlight of the weekend will be the regatta queen's ball at the armory from 9 to 1 Saturday night. Admission will be by tickets sold by Jaycee members and may be purchased at the dance. Music will be by Art Holman and his orchestra. Proceeds will go to the local hospital fund.

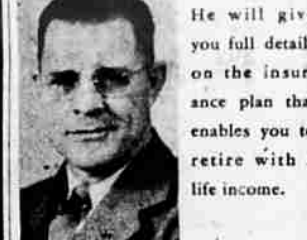

Admission is free to the regatta, which will begin at 1 p. m. Sunday at the Cottage Grove lake. Nationally known drivers are expected to race, with entries still being accepted by Elwyn Woodson, Jaycee president. All try-outs will be Sunday morning.

The Surete General, France's Scotland Yard, recruits only University men to serve in its ranks.
