Stock Market Slow Today

NEW YORK, Aug. 7 (AP)—The stock market today dawdled through another of the slow sessions of the past two months with assorted oils, rails and industrials exhibiting a certain amount of strength while many leaders were ignored at losing levels.

There were one or two active flurries after a quiet start although the ticker tape dozed during the greater part of the proceedings. Amusements were among the soft groups. While plus marks of fractions to a point or so were well distributed at the close, declines of as much persisted. Transfers held at around 650,000 shares for the full stretch.

Ahead were Standard Oil (NJ), Sinclair Oil, Ohio Oil, Publicker, Frisco Railroad preferred, Southern Railway, Union Pacific, Norfolk & Western, Consolidated Vultee, Lockheed, Phelps Dodge and Philip Morris. Steels, motors and rubbers generally followed a slim groove.

Word that the British had imposed a heavy tax on United States films depressed 20th Century-Fox, Universal Pictures, Paramount and Loew's. American Telephone floundered, appearing on a 2000-share block. Laggards were American Can, United Fruit, Cluett Peabody (in the wake of a proposed new preferred issue), International Nickel and Kennecott.

Bonds were more or less trendless. Cotton, toward the finish, was up $2.20 to $2.75 a bale. At Chicago wheat ended off 1⅛ to up ⅜ of a cent a bushel, corn was up ¼ to 1⅝ and oats 1 to 1¼ advanced.
