

A MESSAGE TO THE GRAIN GROWERS of the KLAMATH BASIN

Since 1888 our firm has been specializing in the merchandising of grain on the Pacific Coast. It is our hope and intention to progress and expand along with the agricultural development in the West. We can only hope to merit your business through service and price . . . and we

only ask that you give our firm a chance to bid on your grain when you are ready to sell.

All purchases will be made through

★ **SHUCK BROS.** ★
MERRILL, ORE. PHONE 28 OR 3201

In order to facilitate billing of cars, making prompt settlements on purchases, etc., we are sending our own representative, Frank J. Wagner, to help out in the bookkeeping department of Shuck Bros., but Clifford Shuck will be in charge of all buying of grain for our account.

Seattle or Vancouver, B. C., we will be very happy to have you call on our offices in those cities and we will be pleased to show you the grain facilities and grain exchanges in those markets.

Hoping that we may have an opportunity to do some business with you this season, we remain

Whenever any of you are in Los Angeles, San Francisco, Portland,

Very sincerely yours,

Thomas Kerr
