CORN PACES GRAIN UP TURN

CHICAGO, Dec. 10 (AP)—Corn paced an upturn in grains on the board of trade today, soaring as much as 7 cents a bushel in times in the December contract. This delivery moved to a new seasonal high. Wheat and oats followed the advance of the yellow cereal.

Strength of corn largely reflected the small movement of cash grain to market, brokers said.

Wheat closed 1 1/2-3/4, higher, December \$3.11-\$3.12, corn was 3 1/2-6 1/2 higher, December \$2.63-\$2.64, oats were 1/4-1/2 higher, December \$1.36-1/2, and soybeans were 3 cents higher, March \$3.88.

Most Stocks Move Ahead

NEW YORK, Dec. 10 (AP)—Stocks moved irregularly higher for the third successive market session to date, paced by the long-dormant rails.

Carriers got off to an early advance and succeeded in holding most of their gains, although other sections of the list were unresponsive.

Total transactions approximated 1,200,000 shares near the close. Narrow advances were in the majority.

Among leaders of the upturn were New York Central, Pennsylvania Railroad, Santa Fe, Northern Pacific, J. I. Case (ex-dividend), Allied Chemical, Johns-Manville, Owens-Illinois, Dow Chemical, International Paper, Paramount Pictures, American Smelting and Goodrich (ex-dividend), New 1947 lows were touched by Chesapeake and Ohio and Public Service of N. J. Declines were recorded for Du Pont, Bell Aircraft, American Can, Sperry International Nickel and Oliver Corp.

The inactive Mahoning Coal Railroad common, in its first trading since August 27 following a declaration of a \$12.50 dividend, registered a 5 1/2-point jump at 500.

Commission houses attributed the selective demand for stocks to hopes for a year-end rally, dwindling the amount of selling to establish tax losses, and easing of overseas strike troubles. Bearish contingents continued to be well populated, however, with skepticism stemming from possibility of inflation controls affecting business.

Selected rail bonds improved. Wheat at Chicago finished 1 1/2 to 3 1/2 cents a bushel higher, corn up 3 1/2 to 6 1/2 and oats ahead 1/2 to 1 1/2. Cotton near the close was 30 cents to \$2 a bale higher.
