GRAIN TREND LISTLESS TODAY

CHICAGO, Dec. 17 (AP)—A firm trend in corn featured an otherwise listless grain trade on the board of trade today. Action of the distilling industry in turning down a government proposal to limit grain consumption to 2,500,000 bushels monthly aided the yellow cereal.

The commodity credit corporation again remained out of the cash wheat market. Flour business was reported as fairly liberal during the past week.

Wheat closed 1¼ lower to 1⅝ higher, December $3.09¼, corn was 1¼ to 3 cents higher, December $2.60¾-$2.61, oats were ⅝ lower to ¼ higher, December $1.26¼-¼, and March soybeans were 5 cents lower at $3.89.

Wheat—	Open	High	Low	Close
Dec.	3.10½	3.10½	3.08½	3.09¼
May	2.97½-2.97	2.98¼	2.96	2.96¾-½
July	2.63½	2.68	2.63¼	2.66¼-½
Sept.	2.56¼	2.60⅝	2.56	2.58¾-½

Most Stocks Show Gains

NEW YORK, Dec. 17 (AP) — The stock market responded to selective demand today and a wide list of rails and industrials achieved gains ranging to more than a point.

Although some losers persisted near the close, narrow advances were well distributed. Total transfers were in the neighborhood of 1,200,000 shares.

Holding gains, some at new 1947 highs, were Follansbee Steel, Continental Oil, Pacific Tin Consolidated, U. S. Steel, Goodyear, U. S. Rubber, Montgomery Ward, J. I. Case, Santa Fe, Union Pacific, New York Central, Texas Company, Oliver Corporation, Phelps Dodge and Public Service of New Jersey. Ahead after dividend news were Sun Oil, American Sugar Refining (at a new high for the year) and A. P. W. Products. Remaining in lower ground were American Smelting, Goodrich, American Can and Glenn Martin.

Commission houses said bidding in the expectation of a year-end rally and purchases for re-investment aided bullish forces already encouraged over lack of volume on Tuesday's corrective decline.

Public participation was reported at a minimum, however, in view of uncertainty over congress' anti-inflation moves.

Bonds were steady. Wheat at Chicago closed down 1⅝ cents a bushel to 1¾ cents up, corn was ahead 1¼ to 3 and oats off ⅝ to up ⅜. Cotton near the finish was 70 cents a bale lower to 20 cents higher.

Two-Year-Old Dies In Trailer Blaze

TILLAMOOK, Dec. 17 (AP) — Two-year-old Leslie Jean Wilson died in a minor trailer house blaze here last night, apparently from suffocation rather than burns.

Her parents, Mr. and Mrs. Leslie Wilson, had just stepped into the adjoining house, occupied by Mrs Wilson's parents, when Wilson turned and saw a fire in the trailer. He rushed out and extinguished it but the child was unconscious.

Firemen's efforts at resuscitation were unavailing.

It was believed the fire started from an oil heater in the trailer house.

Vets To Open Own Grocery

BOULDER, Colo., Dec. 17 (AP) — Veteran students at the University of Colorado are going to do something about the high cost of living.

They are going to open a cooperative grocery about January 1 at "Vetsville," housing center for ex-GI's on the campus.

Vetsville Mayor Ted Rockafellow said groceries would be priced about the same as at Boulder stores, but that meat and egg prices would be "definitely lower."

The store will pay quarterly dividends, but most savings will be passed on in the form of lower prices.

The navy recruiting office in the post office building will be open every Tuesday evening until eight o'clock. Phone 3431 for information.

Never before has the navy offered so much to the men enlisting. Any one of 50 trades may be learned during your enlistment.
