

Allowance Up Okayed

LONDON, Dec. 18 (AP)—The House of Commons has approved an annual allowance of 50,000 pounds (\$200,000) for Princess Elizabeth and Prince Philip, over opposition of a small labor bloc but with the support of Prime Minister Attlee and Chancellor of the Exchequer Sir Stafford Cripps—staunchly advocate. Elizabeth will be taxed on one-tenth of her annuity—4000 pounds (\$16,000)—and Philip one one-fifth of his—2000 pounds (\$8000). The average Briton in his income bracket pays roughly nine shillings (\$1.80) for each pound income, but because the rates vary under different conditions the exact taxes to be paid by the royal couple remained uncertain pending an official announcement.

Court Hears Murder Appeal

SALEM, Dec. 18 (AP)—The state supreme court heard arguments Wednesday in the appeal of Forrest Wilson, convicted of first degree murder in Jackson county and sentenced to life imprisonment. Wilson, who contends he wasn't even present when the murder occurred, was convicted of the shooting slaying of John B. Camden, one of the players in a poker game in a Medford garage. Wilson was accused of shooting Camden in an attempted holdup of the game.

Fire Breaks Out Aboard Freighter

MANILA, Friday, Dec. 19 (AP)—Fire aboard the 425-ton Philippines steamer Luzon was extinguished late last night and the vessel was taken in tow by a sister ship, the Panay, the operators of both reported early today. Extent of the damage was undetermined, but no casualties were reported among the crew or the large list of passengers en route from Cebu to Manila. The fire began off the north coast of Mindoro in the Verde island passage of the Philippines.

Holy Land Meet Slated

LAKE SUCCESS, Dec. 18 (AP)—Trygve Lie, secretary-general of the United Nations, announced today that he had called a meeting of the newly created five-nation Palestine commission for January 7.

The commission was established by the recent general assembly to supervise the partition of the Holy Land into separate Jewish and Arab countries. Lie told a news conference that none of the five countries on the commission had yet named their representatives but that he had urged them to expedite their decisions. The countries are Denmark, Panama, Czechoslovakia, Bolivia and the Philippines.

No date could be set for the commission's department for Palestine, Lie said, until after the first meeting. He said the secretariat staff would be ready to leave for the Holy Land at any time the commission was ready.
