Happy Holiday all Year Round

CHRISTMAS comes but once a year? Don't you believe it!

Not when you can travel in style that's bright and gay as a holiday wrapping — and just as sure to bring a sparkle to the eye.

Not when you've a big Fireball straight-eight with which to explore those pleasant little roads that are as full of happy surprises as a Christmas morning.

Not when you've a car like this, that can be snug and cozy as a seat by the fire when the weather's bad — yet wide open to the sun, the sky, the stars and the moon when the season's right.

Not when every mile you travel is cradled on four soft coil springs that give your car a gait as smooth

and flowing as its long and tapering lines.

Not, in short, when you've a Buick Convertible, with push-button top, self-adjusting front seats, and electro-hydraulic door window lifts that are more fun to operate than a new toy train.

With this one, the holiday spirit lasts all year. With this one, that happy, contented, at-peace-with-

the-world feeling knows no season.

It's too late, of course, to put one in your driveway for this Christmas morning. But why not see your Buick dealer, and fix things up for a future time?

Just the news that you've got an order in for a sparkling new Buick Convertible will be enough to give your household its merriest Christmas ever.
