

# R. M. WADE & CO.

PORTLAND, OREGON

announces that

## THE WEST-HITCHCOCK CORP.

677 S. 7th STREET

Has Been Chosen As Klamath Basin Distributor  
For Its Famous Irrigating Product

# WADE RAIN

## ALUMINUM PIPE PORTABLE *Sprinkler* IRRIGATION

### WHY NOT HAVE THE BEST?

Wade's Exclusive Patented  
Coupler Offers These  
Outstanding Features:

1. **STRONG CONSTRUCTION,  
BUT LIGHT WEIGHT.**
2. **SELF LOCKING POSITIVE  
LATCH.**  
(Water surges cannot disconnect).
3. **EXCLUSIVE MAXIMUM  
FLEXIBILITY.**  
(Wade Rain coupler built independent of the pipe).
4. **POSITIVE HYDRAULIC SEAL**  
(No leakage at low or high pressures).
5. **RUBBER GASKET SEAL.**  
(Protected by metal ring inside the coupler).

A typical contour irrigation scene with WADE RAIN in operation.

A complete irrigation system  
from source of water to your  
crops with Wade standing be-  
hind every complete system  
sold.

1. Wade's 80 years of farm ser-  
vice your guarantee.
2. Saves 2-3 the water used in  
surface irrigation.
3. Proven on steep contours and  
shallow soils.
4. More acres irrigated per man  
hours.
5. Assures uniform water distri-  
bution.
