Yule Ship Fund \$700

The Christmas Ship fund, subscribed by Klamath county residents, reached the \$700 mark this morning, according to Fred E. Fleet, local chairman, and Earl Kent, Jaycee coordinator.

Receipts in both banks and the Klamath theatres is expected to bring in another \$100 before the appeal is over. More clothing was shipped from Klamath Falls Wednesday, and Fleet said that still another shipment would go out of here this week. Money may be placed in receptacles or left at the mayor's office in the city hall, and clothing left at the Salvation Army, 4th and Klamath.

Five Marines Lost In China

TSINGTAO, China, Jan. 2 (AP)—U. S. marine headquarters announced today that five marines have been missing since Christmas Day and were feared to have fallen into the hands of Chinese communists while on a hunting trip.

The party's jeep was found abandoned beyond authorized hunting limits. Names of the missing men were withheld.

Winter Wonderland Is Washout As Heavy Snow Hits Klamath

alarms and state police said the New Year holiday was one of the quietest on record. There was no report of a major accident in the county. Klamath Valley hospital attendants said Rube Moore, 734 Walnut, was admitted for treatment at 9:30 p. m. last night as the result of injuries received in a car-truck accident near the Link river bridge. Police had no report on the accident. Moore was treated and dismissed.

Although weather held local attention—conditions here were mild as compared to nearby sections. At Dunsmuir, Calif., to the south, 18 inches of snow blocked the Pacific highway and it was hoped to have one-way traffic available later in the day.

Heavy snow and floods will hamper week-end travel, the state highway advised, although all heavy equipment was in use and the Southern Pacific said a heavy snow and "still falling" in the Kirk-Crescent Lake sector made it necessary to put the flangers into action. SP officials said 14 inches of snow fell at Crescent Lake, 18 inches at Lenz, Chemult and Mowich.

Planes were operating on schedule at the local airport where three inches of snow covered the runway during the night. The runway was cleared of snow although there was some slush, CAA reported.

Minimum temperature here early this morning was recorded at 32; maximum yesterday, 38. Total precipitation, .46 inches.

The Oregon state highway commission's 9 o'clock road report included the following information: The Willamette river at Eugene was rising one foot every three hours and highways would be flooded tonight if the rise continues during the day. The Wilson River highway was blocked by a fallen tree 19 miles east of Tillamook, and high winds were pounding the coastal area. Yesterday's storm brought winds recorded up to 65 miles an hour at Tatoosh island and 58 miles an hour at Astoria.

Odell lake, Willamette highway, 34 degrees, snowing hard, 14 inches new snow at the summit, packed snow throughout district, chains absolutely necessary.

Greensprings highway, 14 inches new snow on Hayden mountain, raining, slushy and very slick.

Virginia Brown Artist Of Week

Well known for her own paintings and interest in the furtherance of art in the community, Mrs. Virginia White Brown is "artist of the week" now exhibiting in the Klamath Art association space allotted in the Jewel and Gift shop. Mrs. Brown is exhibiting four oils which have been shown many times before in jury exhibits throughout the country, including three still life paintings, "Design for Autumn," "Through the Window," and "Roses in April," the latter having hung in New York City one season. "Sunset Ranch" is a landscape of the local Evans ranch. Two water colors never before exhibited are "Cape Falcon," on the Oregon coast, and a scene "Above the Barracks."

Having studied art in Minneapolis, where she was reared, Mrs. Brown enjoys working with both oils and water colors and with whatever scenery her locale affords. She studied art in both public and private schools in Minneapolis and attended the Minneapolis Society of Fine Arts. She is a member of the Oregon Society of Artists and for many years was local chairman for the National Art Week in Klamath Falls.

Stanley Krassin Passes Friday

Stanley Krassin, 50, boys' supervisor at the juvenile home located in the Klamath County Health unit, 1949 Main, died suddenly shortly after 8 o'clock this morning as he prepared to shovel snow from the unit sidewalk.

Krassin was found just a few minutes before 8 o'clock when Gloria Depuy, clerk-typist, arrived for work. He was lying near the front door and expired before a physician arrived. Mr. Krassin had been in ill health for some time and had been under treatment for a heart ailment.

Final rites will be announced later by Ward's.

IN ADDITION TO WAGES

In England during the early part of the 19th century it was customary to state whether tea and sugar were furnished with the wages when advertising for house servants.

CARNIVAL

By Dick Turner

"If he'd only been content with welcoming the New Year, Doctor! But no—he had to go on and hold an extra celebration over being able to pull through 1947!"

Britain May Quit Mandate

LONDON, Jan. 2 (AP)—The colonial office announced today the British government will consult the United Nations next week on the possibility of surrendering the Palestine mandate before the announced date of May 15.

The British position in the Holy Land, the announcement said, will be laid before the UN commission on Palestine by J. Fletcher-Cooke, senior official of the Palestine government, and Trafford Smith, head of the middle eastern department of the colonial office.

"The whole business will be discussed," a colonial office spokesman said, and it depends on the negotiations with the UN commission whether it will be possible to advance the date at all.

One usually well informed Whitehall (government) source said it may be found practicable to hand over the mandate at least a week in advance of May 15.

Eggs Show Drop In Many Cities

A sharp drop in egg prices at various Pacific coast points was reported today but local egg distributors said there was no decline this afternoon but a drop is expected shortly.

Butter advanced another cent on the local market this morning, bringing the wholesale price to 88 cents which makes the retail price around 95 to 96 cents.

Mrs. Monteith Dies Today

Mrs. Ralph E. (Anna Mae) Monteith, 59, for the past four years a resident of Klamath Falls and afflicted with her husband in the operation of Castleberry's drug, died at Hillside hospital at 4 a. m. this morning following a four weeks' illness.

Mrs. Monteith was born in Dillon, Mont., and moved here with her family from Napa, Ida., in 1943. In addition to her husband, Mrs. Monteith is survived by two daughters, Mrs. Martha Ulrich and Caroline Ann, both of this city. There are three sisters, including Mrs. Raymond Biggers of Klamath Falls, and also two brothers. Final rites will be announced Saturday by Whitlock's.

SUNSPOTS CENSORED

War censorship not only clamped down on weather reports here on earth, but also on the sun. Because disturbances on the sun affect radio reception, sunspot activity was a military secret during World War II.

Japanese Visit Royal Palace

TOKYO, Jan. 2 (AP)—Thousands of Japanese continued today their visits to a section of the imperial palace grounds opened to the public on New Year's Day for the first time in history.

Continuing good weather and their second consecutive holiday contributed to the cheerful disposition of the citizenry, who lined up for more than a half-mile awaiting their turn to walk across the famed Niji-Bashi (double bridge) and along one section of the most surrounding the grounds.
