Arab Plan In Action

JERUSALEM, Jan. 7 (AP)—The supreme command of the Arab allied forces (SCAAF) has a three-phase operations plan to prevent the partition of Palestine and right now is about halfway through phase one, it was learned today from reliable sources.

A military scheme designed to "make it impossible for the United Nations to turn Palestine into Jewish and Arab states" has been devised in these three stages, these sources said:

1. Eviction of the Jews from quarters where the Jews and Arabs have lived as neighbors.
2. Isolation of Jews of the North Coastal plain and the southern desert by driving Arab wedges between them.
3. Final drives to exterminate or subjugate Jewish communities such as Tel Aviv, Jerusalem's Rehavia, Haifa's Hadar, Macarmel and hundreds of Jewish villages and settlements.

For two weeks volunteer forces under the unified command, directed from Cairo, have been engaged in phase one, which is about half done, the informants said.

Pirates Ask Big Ransom

HONG KONG, Jan. 7 (AP)—Pirates who looted the Dutch steamer Van Heuts and kidnaped six of its wealthy Chinese passengers December 14 today demanded 100,000 Hong Kong dollars (\$50,000) ransom for each.

The demands were reported by the newspaper Wah Kiu Man Po, which said Swatow relatives of the kidnaped men received identical ransom notes, signed Ling Ling.

The pirates took charge of the ship four hours out of Hong Kong on the way to Swatow, held it nearly 15 hours and leisurely robbed the 1600 passengers of cash and jewelry amounting to approximately \$500,000.

Fog Blankets S. California

LOS ANGELES, Jan. 7 (AP)—Heavy fog blanketed Southern California's coastal areas Tuesday, snarling traffic, causing scores of auto accidents and almost completely tying up maritime operations in the harbor.

Commercial planes and mail carrying helicopters were mostly grounded at municipal airport, although the Burbank field was clear most of the night, and operated almost normally. The weather bureau forecast that the fog conditions, which started yesterday, will continue tomorrow with some alleviation Thursday.

French Airliner Crashes; 13 Die

PARIS, Jan. 7 (AP)—Air France said a passenger liner from Brussels crashed in a woods less than two miles from Paris' Le Bourget airport Tuesday and first reports indicated that 13 of the 16 passengers and crewmen were killed.

The reports said three persons escaped with injuries.

Eleven passengers and five crew members were aboard the airliner, which was due to land at Le Bourget at 7:20 p. m. (1:20 p. m. eastern standard time.)

Rescue parties were sent to the scene from Le Bourget.

Symphony Is Planned Here

Establishment of a junior symphony orchestra in Klamath Falls is the aspiration of F. S. Long, for the past six years identified here in the music teaching field.

Long announced today his plans for the junior symphony which will be open to high school and junior high school players having had not less than three years actual orchestra experience. Players should be those who are interested in making the orchestra a success, Long said. Only a high standard of music will be used and the only cost to the players will be the price of the music.

Rehearsals will probably be on Sunday afternoons until a more satisfactory time can be chosen by the personnel. Long said he would receive no compensation for his services but is interested purely from the standpoint of benefiting young musicians.

He hopes to present two concerts yearly, proceeds to go toward the infantile paralysis fund, a milk fund or school lunches.

Players interested may contact F. S. Long at Box 289, city. They should state type of instrument played, years of orchestral training, age, address and telephone number. Long asked that applicants be sincerely interested in the project.

Bogart Is Basin Hunter

FORT KLAMATH, Jan. 7—Fort Klamath entertained a famous guest, Friday and Saturday when Humphrey Bogart and male companion visited here on a duck hunting trip for two days from Hollywood. Bogart was of course incognito, and was wearing typical duck hunter's apparel, nondescript Levis and a burgundy colored shirt, and traveling in a Dodge sedan of not-so-modern vintage.

His identity was discovered mostly by hints dropped by his companion, and also by his close resemblance to his movie appearance. Many dropped in Saturday night to look at him at the Crater Lake cafe, where he spent Friday and Saturday evenings with Mr. and Mrs. Jerry King and small daughter Sheryn, who operate the business.

Bogart amused little Sheryn with various coin and card tricks during the evenings of his stay here, and must have enjoyed his visit, for on leaving early Sunday morning, he stated his intention of returning to Fort Klamath again.

Unlike his contemporary, Clark Gable, Bogart could not be fined for having in his possession an illegal number of ducks, as during their stay here, he and his companion shot only one duck. Although he spent Friday and Saturday evening at the Crater Lake cafe, it is a matter of secrecy yet where he and his companion lodged during their hunting trip.
