

Morse To Support GOP

CORVALLIS, Jan. 8 (AP)—Oregon's Senator Morse told an Oregon State college convocation here yesterday he would support the republican party's presidential nominee—

even Senator Taft of Ohio. "Taft is not the great menace to his party or the country some would have you believe," Morse, who has differed sharply with the Ohio senator in congressional debate, said.

The statement came during a forum discussion. Replying to another question, the Oregon senator said former Vice President Henry A. Wallace is following the route of "fellow travelers—whether he knows it or not."

Screen Writers File Big Suits

LOS ANGELES, Jan. 8 (AP)—Rog Lardner Jr., Lester Cole and Edward Dmytryk have filed suits for a total of \$3,163,928 against movie studios who removed them from their film jobs for refusal to answer questions before a house committee on un-American activities in Washington.

Trieste Labor Union Strikes

TRIESTE, Jan. 8 (AP)—The communist-dominated United Syndicate of Labor Unions staged a general strike today in protest against the arraignment of 21 partisans arrested Sunday at nearby Opicina. Police estimated the strike was 75 per cent effective.

Two Men Found Dead

ANCHORAGE, Alaska, Jan. 8 (AP)—Discovery of the unmarked bodies of two Alaska men, apparently killed together in a home in the isolated Bristol Bay settlement of Dillingham, confronted authorities today with what appeared to be a clueless mystery.

The victims were Harold W. (Tubby) Griffin, 45, former professional football player and businessman, and Martin Ernestus, 42, fisherman and cannery worker.

Neither man had been knifed or shot, the FBI said, and a four-hour autopsy failed to disclose the cause of death.

Following the basketball team to Grants Pass this week-end will be the Pep Peppers and Rally Squad.

Portland, Jan. 8 (AP)—Williamette falls and Bonneville locks handled a total of 3,094,150 short tons of cargo during 1947, the army engineers reported today.

The Willamette locks tonnage, mostly logging rafts moved downstream, was 2,398,316 short tons.

Tax Proposal Said Easily Figured

WASHINGTON, Jan. 8 (AP)—Pitting the Truman tax credit proposal into the withholding system would be a simple matter, a treasury official said today.

A complete new set of withholding tables covering those with any number of dependents and receiving pay on a daily, weekly, bi-weekly, semi-monthly basis can be prepared by one experienced tax man and a calculating-machine operator in a single day, he added.

The present tables were prepared simply by figuring the annual tax on variously sized salaries for persons with varying numbers of dependents.

STAYTON, Jan. 8 (AP)—Terry Antone Moravec, 20-months-old son of Antone Moravec, was drowned yesterday when he fell into a ditch in front of the family home eight miles east of here.

Griffin, well known in the Seattle area, was a football center at the University of Iowa in the mid 1920's and on graduation organized and played on the Portsmouth, Ohio, Lions, one of the early pro football teams.

Bull Adds To Yule Ship Fund

TACOMA, Jan. 8 (AP)—The Pacific Northwest Christmas ship cargo was \$650 richer today—and that's no "bull." But it was.

It started when A. H. Hooker donated the purebred Hereford bull Clor Al to the drive for European relief.

Restrictions prevented shipping a live animal. A bid of \$650 sent the animal to Ted Zimmerman yesterday for breeding purposes.

In Seattle the drive committee meanwhile reported other donations.

Grangeville, Idaho, (pop. 1900) has raised \$2800 toward a carload of wheat, Mayor Ralph Owen of Col-

lege said his community expects to donate two carloads of wheat; Bellingham sent 10 tons of food and clothing; and Dayton sent along \$529 in checks and 183 cases of food, including 163 cases of canned peas donated by the Blue Mountain Canneries, Inc.

NEW CONTAINER
SALEM, Jan. 8 (AP)—The state department of agriculture today granted pear shippers permission to use an additional container for pears during the current shipping season.
