

UN Pledged To Carry Out Partition

LAKE SUCCESS, Jan. 9 (AP)—Trygve Lie, secretary-general of the United Nations, expressed confidence today that the security council would exercise "every necessary power" to see that partitioning of strife-ridden Palestine is carried out by next October 1 without fail.

Lie did not mention the creation of an international military force as a specific partition enforcement measure, but this was implicit in his statement, since the council has the power to set up such a force.

In an address prepared for delivery at the opening of tense deliberations by the five-country UN Palestine partition commission, Lie declared:

"You are entitled to be confident that in the event it should prove necessary, the security council will assume its full measure of responsibility in implementation of the assembly's (partition) resolution."

Exercise Power

"You have the right to assume, as I assume, that in such a situation the security council will not fail to exercise, to the fullest and without exception, every necessary power entrusted to it by the charter in order to assist you in fulfilling your mission."

Lie underscored in his prepared text the words "to the fullest and without exception."

The secretary-general pointed out that the partition plan had been approved by more than the necessary two-thirds majority vote of the general assembly last November 29 and added "Your mandate, therefore, is firm and clear."

"You are to take the necessary measures," he said, "leading to the establishment in Palestine, not later than October 1, 1948, of an independent Arab state and an independent Jewish state. The resolution of the general assembly under which you act promises you the full authority of the United Nations in discharging your responsibility."

THE EAST TOONERVILLE MID-MORNING COFFEE CLUB IN REVOLT

PTA Notes

Shasta

The Shasta PTA met December 17 and enjoyed a musical program given by children of the school. The rhythm band, under the supervision of Mrs. Nestlin, presented a very delightful number. The fourth and fifth grades, directed by Miss Houser, sang several Christmas carols.

The audience enjoyed two Christmas numbers sung by David and Elizabeth Fields, and two other holiday songs by Ronald, Larry and Gary Phair and Sonia Baxter.

The president, Mrs. Sberidan, presented Mrs. Bill Steele with a lovely corsage as a token of appreciation for her helpfulness given during her four years with the Shasta PTA.

The PTA nursery is now in operation, with Mrs. Uerlings, chairman. A motion was passed authorizing the chairman to purchase toys to entertain the youngsters.

The Shasta Study club will be organized in January with material to be taken from the PTA magazine.

The next meeting, which will be "Dad's Night," will be on January 30, with dinner and entertainment provided.

Following community singing, the meeting was adjourned and refreshments served in the cafeteria.

County Council

The Klamath County Council of PTA met in the Fremont cafeteria Tuesday at 1:45 at which time the president, Mrs. Harold Shaffer, conducted the meeting. Mrs. Hugh Haddock read an article of interest by Billy Rose in the New York Times pertaining to conditions

which exist in the New York City schools.

Letters were ready from Mrs. Audrey Hargreaves, state PTA president, asking about plans for the state convention to be held here in the spring.

Garry Robertson of the city school staff spoke briefly on the federal tax legislation bills or federal aid to schools. These bills will be on the next election ballot.

Mrs. Tom Lawrence, program chairman, introduced Mrs. Paul Buck, who spoke on the March of Dimes campaign and its relation to polio. She spoke of how much the county will receive in funds and what help has been given here.

The school count was won by Fairview, with Fremont and Henley tied for second place. Mrs. McNutt, president of Pelican PTA, has accepted chairmanship for the scholarship fund and a member from Henley accepted the hospital chairmanship.

Arnold Graiapp, superintendent of schools, was a welcome visitor and spoke a few words to the council.

Leash Ordinance To Be Voted On

PORTLAND, Jan. 9 (AP)—The controversial leash ordinance—requiring any dog on Portland streets to be on a leash—will be voted on by Portlanders at the May 21 election.

The city council, which long has argued the pros and cons of the ordinance, by a 4-1 vote yesterday submitted the question to referendum.

Europe Wheat Outlook Good

WASHINGTON, Jan. 9 (AP)—Europe's wheat acreage this year will exceed that of the past two low-level years, it is reasonable to assume on the basis of present information, the agriculture department said today.

Most favorable conditions were reported generally from those areas where early seeding was essential. It is still too early to make quantitative estimates of the acreage finally seeded, the department said.

Fall plowing and seeding operations in many areas were delayed by dry weather which ran through the summer and continued into the fall. However, November rains were substantial and reports coming from most areas now are optimistic.

France is expected to have a substantial wheat acreage increase and throughout Western Europe conditions are said to be fair to good.

Generally favorable conditions have also been reported from Italy, Greece and Turkey where fall weather and seeding operations were normal. Southeastern Europe, particularly for Russia and the lower Danube basin, had favorable fall moisture conditions and increased acreages.

Central Europe however was confronted with delays in a backward season with moisture generally inadequate for land preparation and for seeding and germination of fall-sown wheat. The situation was reported particularly serious in Austria and parts of Germany and Czechoslovakia.

High School News and Comment

By MARY LOU CASE

The Grants Pass varsity will be the Pelicans' opponent on the Grants Pass basketball floor Friday and Saturday nights. This is the Pelicans' first conference game, and it has been rumored the toughest. If the team can reach Grants Pass through the flood country, it should be a mighty good game. A large body of KU students were planning to make the trip for the two-night series. KPLW will broadcast tonight's game at 8 p. m.

It seems the amusement tax doesn't have to be paid when the admission price is less than 10 cents, so the rally squad makes a clear profit on their 5 cents per person room dances. One was held today in the girls' gym, with music by records. The rally squad is earning money in addition by selling candy after school; and the money goes toward financing their out-of-town trips to games.

Student body officers, Bill Southwell and Lou Ann Chase, have been working hard this week, preparing the sheets for balloting on proposed constitutional revisions. Next Monday a student body meeting will be held and the measures explained.

Fund Asked For Spaniards

SEATTLE, Jan. 9 (AP)—A \$2500 fund was being collected here today to send six Spanish youths, denied entrance to the United States, to Venezuela.

The campaign was opened by the Seattle CIO council after the national board of immigration appeals in Washington upheld a ruling, by the Portland immigration office, barring them from entering the U. S. Immigration Supervisor R. P. Bonham said the youths should be deported immediately.

well placed first and second respectively, in the second tournament. President of the Chess club is Stuart Oliver; advisor is Chester Newton.

This was the last week of regular going for most of the KU students until after the semester is over. Next week semester reviews will set in, and the following week, semester exams.

KNAPP SHOES

The six were picked up in Coos Bay, Ore., last October when they sought to enter the country illegally from the freighter Arthur Fairchild, out of Lehavre, France.

They have refused to admit their real names and have threatened suicide in belief that they would be shot if returned to Spain.

In denying entrance to the U. S., the national board ruled the youths could enter another country in the Western Hemisphere if it would grant admittance. CIO council leaders said Venezuela had granted such permission.

Meteor Blows Up Near Mountain

EUGENE, Jan. 9 (AP)—The meteor that startled Oregon and Washington December 19 apparently blew up about 10 miles southwest of Mount St. Helens.

This was the report from J. Hugh Pruett, Pacific coast director of the American Meteor Society and astronomer for the Oregon system of higher education.

The meteor, he said after studying reports from observers, first was sighted over Oregon. It traveled almost due north until it exploded, he said.

Pruett also is tracing another meteor whose green light was seen from California northward a few days later.

Communion At Episcopal

Sunday services at St. Paul's Episcopal church have been announced by the rector, Rev. Frederick C. Wissinger, as follows:

8 a. m. Celebration of the Holy Communion: Epistle and Gospel for the Sunday after Epiphany.

9:45 a. m. Church school for all grades.

11 a. m. Morning prayer and sermon. Sermon theme will be "Escape Religions or Facing Issues?"

At the worship services there will be the formal installation of newly elected officers of the women's organizations for 1948. The Young People's Fellowship will meet at 3 p. m. Sunday, with a special discussion group planned.
