## Wheat Shows Weak Tone Today

CHICAGO, Jan. 21 (AP)—A strong demand for cash corn supported an upturn for yellow cereal futures on the board of trade today. The strength of corn brought about gains in wheat and oats.

Buying by a broker with Northwestern connections and by cash houses was conspicuous on the upturn.

Some of the gain was lost prior to the close, but the market continued to have a firm undertone.

Wheat, however, ended on a weak tone following announcement by Jesse Gilmer, president of the commodity credit corporation, that only 75,000,000 to 80,000,000 bushels of wheat and flour need to be purchased to meet the government's export goal.

Wheat ended ¾ lower to 1 cent higher, May $2.99½-¼, corn was unchanged to 2¼ higher, May $2.67¾-$2.68, oats were ¼ lower to 2¾ higher, May $1.28½-⅜, and soybeans 3 to 6 cents higher, March $4.22¼-$4.22.

# Most Stocks Slip Today

NEW YORK, Jan. 21 (AP) — The stock market slipped into lower ground today as rallies in rails and oil transports failed to carry through.

Many early gains registered by carrier and air line issues in forenoon trading were trimmed or converted into losses by moderate selling. Other groups ahead at times included oils and farm implements. Narrow declines were widely distributed near the close. Total transfers expanded to the neighborhood of 900,000 shares.

New 1947-48 lows were touched by Paramount Pictures and Eastman Kodak. Also skidding to losing territory were Pacific Western Oil, U. S. Steel, General Motors, Douglas Aircraft, U. S. Gypsum, Union Carbide, Johns-Manville and International Nickel.

Rails were propped by appearance of some favorable 1947 earnings estimates and optimistic forecasts of 1948 results. A rise in zinc prices aided some of the metal issues. Trading was reported largely professional.

Bonds were steady. Wheat at Chicago closed ¾ of a cent a bushel lower to 1 cent higher, corn unchanged to 2¼ lower and oats ¼ $92, 592 ¾ up. Cotton near the finish was off $1.20 a bale to up 10 cents.

WAKE UP YOUR LIVER BILE—
Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out about 2 pints of bile juice into your bowels every day. If this bile is not flowing freely, your food may not digest. It may just decay in the bowels. Then gas bloats up your stomach. You get constipated. You feel sour, sunk and the world looks punk.

It takes those mild, gentle Carter's Little Liver Pills to get those 2 pints of bile flowing freely to make you feel "up and up." Get a package today. Effective in making bile flow freely. Ask for Carter's Little Liver Pills, 33¢ at any drugstore.
