WHEAT TAKES SHARP LOSS

CHICAGO, Jan. 23 (AP)—Hedging pressure entered the wheat pit on the board of trade today, sending the bread cereal down despite cold weather in the Southwest and continued government buying of the cash grain.

Passage by the senate of legislation continuing the agriculture department's authority to restrict distilling use of grain in February caused some selling of corn.

Grains closed at about the day's lows. Wheat ended 2 1/4-4% lower. May 2.94 1/4-1/2, corn was 2 1/2 to 3 cents lower. May \$2.65-\$2.65 1/2, oats were 1 1/4% to 1/2% higher. May \$1.27 1/4-1/2, and soybeans were 1 cent lower, March \$4.21.

Buying Helps Market Today

NEW YORK, Jan. 23 (AP)—Further short covering and other buying for a technical comeback bolstered the stock market today although many leaders were notably unresponsive.

The plus column was well filled near the close but declines were plentiful. Volume tapered to around 800,000 shares.

Favored most of the time were Southern Pacific, Great Northern Central, Atlantic Coast Line, U. S. Steel, Chrysler, International Harvester, Phillips Petroleum, Texas Gulf Producing, DeVoe & Reynolds.

Touching 1947-48 lows were Twentieth Century-Fox, Warner Bros. and Air Reduction.

Timid demand was based mainly on the belief the lengthy dip to around the December average bottom called for at least a temporary rebound.

Bonds were spotty. Cotton, toward the finish, was off \$1 to \$1.45 a bale. A Chicago wheat ended down 2 1/4 to 4 1/2 cents a bushel, corn 2 1/2 and oats 1 1/2 to 1 3/4.

Assets of the Equitable Savings and Loan association have reached a new high of \$38.2 million by increasing more than \$7 million in the past 12 months, according to an annual report of the association's 114th semi-annual financial statement by U. M. Chilcote of Chilcote and Smith, Klamath Falls investment and loan representative. The association is now the 16th largest in the nation.

Home financing demand accounted for an increased investment of \$4 million in mortgage loans during 1947, bringing the total mortgage portfolio to \$28.9 million. Loans on Northwest homes during the year totaled \$14.2 million, second highest lending year in Equitable's 57-year history, the representative said. Over \$15 million were loaned in 1946.
