Washington Clips Oregon Again For Lead In Division

SEATTLE, Jan. 26 (AP)—Back in the northern division Pacific Coast conference basketball lead, the University of Washington Huskies swing into Oregon this week-end to open season festivities with the challenging Oregon State Beavers at Corvallis.

Defending division and conference titlists, the Beavers were idle over the week-end and fell a half-game behind the Huskies as Coach Art McLarney's quintet swept a pair from the Oregon Ducks on the Seattle floor.

Washington ranks as a slight favorite, despite the State's home floor advantage, largely on the basis of its three-for-four mark against Oregon. The Ducks had nipped the State college Beavers in their only meeting.

OUT OF CELLAR

Washington State, which swept a rough pair from Idaho to climb from the cellar to third place, tackles the Idahoans again this week in a single game Saturday night at Pullman.

Both of the Saturday windup clashes ranked in the rough class—WSC and Idaho setting a new northern division record with 69 infractions, and two players—Washington's Don Millikan and Oregon's Bob Lavey—being thumped out of the Husky-Duck fray for over-enthusiasm.

Washington clipped Oregon 56-39 and Washington State humbled Idaho 58-34 in the Saturday contests.

Outstanding center play dominated both contests. Washington's big Jack Nichols tallied 23 points in his conference scoring to 105 points in six games while checking big Rog Wiley to four points. Idaho challenge the Cougars only so long as it had the 6-foot, 9-inch Jack Phoenix. The Vandals trailed only 22-18 when Phoenix was thumped out early in the second half. In five minutes WSC whipped the count to 37-25 and it was all over. Lanky Vince Hanson, the nation's leading collegiate scorer two seasons back, led the Cougars with 15 points.

Briefs

McKeever Highest Salaried

CHICAGO, Jan. 26 (AP)—Youthful Ed McKeever, football's nomad who has coached at five different schools in a dozen years, declared today that his three-year contract as new skipper of the Chicago Rockets "makes me the highest paid coach in professional football."

"What is more," he beamed, "the money covering the three years is in the bank."

McKeever's statement, made in San Francisco, indicates he will be drawing upwards of \$25,000 per season and probably more if he in the Rockets new backers, who so far have not been revealed.

The Detroit Lions' new owners recently were reported to have offered Frank Leahy \$35,000 annually to win him from Notre Dame, which he refused.

The 37-year-old Texas Tech graduate, who resigned from the University of San Francisco after leading the school to its best season in his history with seven wins and three losses, becomes the third pilot of the hapless Rockets which have been a financial bust in their two years of operation.

Lujack On Paper

CHICAGO, Jan. 26 (AP)—Johnny Lujack, Notre Dame quarterback who was voted the "athlete of the year" in 1947, signed a four-year contract with the Chicago Bears Saturday at a reported \$18,000 annual salary.

Lujack was reported to have received a \$5000 bonus for his agreement to play professional football with the National league team.

George Halas, owner and coach of the Bears, also announced today that George Connor, Notre Dame tackle and All-America choice in the 1946 Associated Press poll, signed with the Bears for three years.

Kuharich To SF

SAN FRANCISCO, Jan. 26 (AP)—The University of San Francisco, which has had four football coaches in the last five years, entrusted its 1948 grid destiny today to 32-year-old Joe Kuharich, ex-Notre Dame and professional star.

He was promoted from line coach to head man yesterday by the athletic board and telephoned his acceptance from Pittsburgh. He is expected here in a few days to sign a one-year contract for an unannounced salary.

'Gator Man Plans Show

Tuffy Truesdale and his alligator foe and companion, Rodney, will appear here Friday night as an added attraction to the weekly wrestling show at the armory.

Truesdale, a Floridian and "gator" specialist, will give an educational talk on the business of handling the big lizards commercially—capturing them for zoos, and the like—then will attempt to show how it done.

If he can flip Rodney on his back, the job is done, because a "gator" is more or less hors de combat when he is up-ended.

Rodney is not a trained performer. Truesdale says it is impossible to educate an alligator like you would a dog or horse, and he will resent being mauled around even though Truesdale is his handler.

Since he has been on his nationwide tour, Truesdale has had to get replacements in the "gator" department several times because the beast is subject to a variety of ills, particularly in cold climates, and frequently go to their own particular Valhalla by way of pneumonia.

Burt Shotton Offers Advice About Infield

Ex-Brook Manager Expects Dodgers To Win Flag Early

NEW YORK, Jan. 26 (NEA)—Up from his Bartow, Fla., home to be given the credit he so richly deserves by the New York baseball writers, Burt Shotton solved the Stanky-Robinson problem for Messrs. Rickey and Durocher.

All they have to do is listen to the veteran who led the Dodgers to the National league pennant and, with no pitching to speak of, carried the vaunted Yankees to the seventh game of the world series.

President Rickey, you know, has indicated that he would like to see Jackie Robinson at second base, his "natural" position. After the world series, the Mahatma remarked that the Brooks had the best second baseman in baseball, but had to play him at first.

Farm Director Shotton solves the problem by simply declaring that one doesn't exist.

The kindly gentleman denies that Robinson still had fielding flaws at first base at the season's end.

KNOWS WAY AROUND

"Robby had become a fine fielding first baseman," he insisted.

"Of course, I'm just a guy on the outside looking in."

"Those things will have to be decided by Leo Durocher. But I don't think fellows like Preston Ward and John Douglas can fill the bill at first base."

"They tell me you should see Robinson at second base, but they forget that such a change would mean benching a great competitor like Eddie Stanky, so I can't see any over-all benefit through such a move."

Shotton wasn't telling the assembled writers and baseball people anything when he said Robinson's true test would come in this—his second year. That's true of every sophomore. The pitchers are much better acquainted with them.

"Last season was a tough one for Jackie," explained Shotton. "There was a lot of pressure on the boy. He was fully aware of the extraordinary situation, and he reacted admirably. He has wonderful natural ability that was fully brought out because of his willingness to listen to those people who had his best interests at heart."

Ike Williams Liked Over Fred Dawson

PHILADELPHIA, Jan. 26 (AP)—Lightweight Champion Ike Williams is a heavy favorite to whip Freddy Dawson, of Chicago, tonight in their 10-round non-title fight but he may be glad his title is not on the line before his third encore against the Windy City mittman is over.

Dawson has won eight straight bouts—the last four by knockouts—and has been no shrinking violet in predicting openly he'll see the champion up for a lullaby.

The last time the two fighters met on January 25, 1946, Dawson held Williams to a draw in a bitterly fought battle. Recently the Chicago negro has whipped Vic Patrick, Australian lightweight title in 12 rounds; mowed down Eddie Miller, top down-under feather in two, and polished off Dave Andrews in two and Candy McDaniels in five.

College Grid Demons Lapse At Basketball

NEW YORK, Jan. 26 (AP)—A roll call of the nation's top college basketball teams today would find few of the recent football powerhouses answering "present"—proving the little guy can still throw his weight around in the cage sport.

Of the institutions that made up college football's first ten in the Associated Press' first poll December 9 only two—Texas and North Carolina—are still around enjoying the fresh air of the upper strata basketball.

Texas, fifth in the football ranking, shares the southwest conference cage lead with Arkansas and Baylor on a perfect record (2-0) and boasts one of the season's best overall marks—13 victories in 14 games.

TARHEELS HOT

North Carolina, No. 9 in the grid lineup, has five straight victories, without a setback to occupy the southern conference top rung with N. C. state. The Tarheels have a season record of 13-2.

The other football top-fighters are basketball also rans while the cage campaign's dwindling list of unbeaten powers carries these names: New York U. (12-0), Duquesne (12-0), Columbia (11-0) and Fordham (11-0).

Notre Dame and Michigan, tops on the gridiron, have dropped four games apiece on the hardwood and are out of the national spotlight.

Others of the football first ten are struggling along with mediocre marks—Southern Methodist (9-6), Penn State (8-4), Alabama (8-5), Pennsylvania (4-6), Southern California (6-7) and Georgia Tech (4-7).

On the other hand, Kansas State, winless in more than 20 games in football, has captured 13 to 14 starts in the soft-shoe sport and is unbeaten in Big Seven competition to share the league lead with Kansas.

Other topflight basketball records are owned by Western Kentucky (13-1), LaSalle (13-1), Kentucky (17-1), Oklahoma A & M (13-1), Bradley (19-1), Illinois (11-2), North Carolina State (45-2), St. Louis (10-1), Bowling Green (16-2) and DePaul (12-3).

Coos Bay Gal Takes Keg Title

CORVALLIS, Jan. 26 (AP)—Bernice Elliot of Coos Bay won the class A women's singles bowling championship yesterday with a record tying 584 in the State Women's Bowling association tournament.

Jean Brade of Portland, 574, was second and Reba Kargman, Redmond, 558, was third.

Julia Wingert, Grants Pass, won class B title with a 519 and Lucille Walker, Albany, won class C with 512.

The class A doubles crown went to Brownie Matheson and Peggy Pringle, Albany, with a 1060. The B doubles was won by Norma Smith and Hazel White, Eugene, 964, and the C doubles by Edith McKinney and Margaret Mead, Seaside, 888.

Harold Kelly's Appliance, Portland, won class A team honors with 2351; Dahl's Drugs, Redmond, class B with 2335—a score that broke the 1941 record; and Herb's Associated, Corvallis, class C with 2104.

Final standings included:

Class B singles—Edith Bainbridge, Eugene, 509, third place.

Class C singles—Dena Backes, Klamath Falls, 482, third place.

Class A doubles—Florence McCullough-Anita Young, Eugene, 985, third place. Flo Ann Eaton, Klamath Falls, and Cleo Kuski, Albany, 530, third place.

Class B doubles—Betty Dunn-Mildred Eaton, Eugene, 955, second place. Clarice Hopkins-Betty Van Orden, Eugene, 944, third place.

Class B teams—Clugman's, Eugene, 2239, third. Miller Lumber, Eugene, 2098, ninth. Joe Gordon Hardware, Eugene, 2075, eleventh. U-bowl, Eugene, 2068, twelfth.

Bobby Locke Takes \$2000 Phoenix Pay

PHOENIX, Ariz., Jan. 26 (AP)—As stiff a golfing test as any he has faced was behind South Africa's Bobby Locke today as he departed from Phoenix on the winter golf tour with the \$2000 first prize money from the Phoenix Open tournament in his pocket.

The cool headed visitor from Johannesburg yesterday went around the 6578-yard Phoenix country club but finished in 67-67 in the final 36 holes of the 72-hole test for \$10,000 in prize money and earn the nod by a stroke over Smiling Jim Demaret of Ojai, Calif.

Locke's 72-hole total of 268 clipped two strokes off the previous mark for the tournament held by last year's winner, Ben Hogan of Hershey, Pa., who finished well back of the leaders this year. Demaret, of last year's leading money winner on the PGA tour, made \$1400 while the \$1000 third place prize was taken by Lloyd Manrum who stuck close to the other two stars throughout.

Pels Carry Mat Punch

Klamath Union high school grapplers packed a little too much experience for the Grants Pass Cave-men last Friday, when the Pels won their dual meet on the Grants Pass mat 45-5.

The score is not an indicator of the true strength of the Cave-men wrestling team, because several of the better Klamath boys had difficulty in turning in their wins. Bill Mosby and Vern Ericks, two seniors, especially had a hard time.

On the other hand, little Ken Karnes of the 95-pound class dropped Pat Niles in the unbelievable time of 13 seconds. Dion Davey beat Jim Turner in 19 seconds; Charles Shell needed only 17 to dump Lewis Hogan, and Melvin Brown defeated Dick Siegman in 20.

The only Pel to lose a bout was Lamont Wilson, who tumbled before Wilbert Lenhart in the 165-pound division.

Pels Lose At SOCE

ASHLAND, Jan. 26 (AP)—The visiting Klamath Falls Pelicans dropped a 58-30 decision here Saturday night to the Southern Oregon college junior varsity basketball team, a preliminary tilt to the Southern Oregon-Humboldt State contest which ended 51-36 for the Red Raiders.

Vincent Pesky In Yankee Claim

PORTLAND, Jan. 26 (AP)—Vincent Pesky, University of Portland mound stalwart and younger brother of Johnny Pesky of the Boston Red Sox, probably will hurl for the Victoria Athletics during Western International league play this season, Sylvester Johnson, Oregon-Washington scout for the New York Yankees, said today.

Johnson said the 23-year-old Portland boy had signed with Birmingham, N. Y., of the class A Eastern league, a Yankee affiliate, but probably would start the season with Victoria, also a Yankee farm.

Solon Stock Meet Topic

LOS ANGELES, Jan. 26 (AP)—Two controversial topics are listed on the agenda for directors of the Pacific Coast Baseball league who open their meeting here today.

One involves the change in ownership of 53 per cent of the Sacramento stock and the other is the recent "popoffs" by some club owners on the PCL major league status controversy.

Oscar Salinger, former owner of the Milwaukee Brewers, recently purchased the majority stock of the Sacramento club and the sale must be approved by the league. Clarence (Brick) Laws has threatened to block the deal in order to keep the Solons home-owned.

Other items expected to be discussed are the annual all-star game and schedule revisions, President Clarence Rowland said.

Short Trout Season OK'd By Commission

PORTLAND, Jan. 26 (AP)—The 1948 angling regulations for Oregon have been adopted by the state game commission with sportsmen winning their demand for multiple spinner and double hooked plug lures.

Petitions asking the commission to revise the tentative rules, which banned the multiple spinner lure, were filed by sports goods dealers who said the rule was unnecessary when catch limits are imposed.

The trout season will run May 1 to September 30 except on coastal streams, where the season is May 1 to October 31 above tidewater and June 15-Oct. 31 in tidewater. The minimum length will be eight inches in coastal waters, six inches elsewhere.

Salmon and steelhead over 39 inches may be taken the year around with these exceptions: coastal streams and tributaries of the Columbia river below St. Helens where streams will be closed March 1-September 15; Miami river closed in November. The bag limit will be two a day or four in seven days or in possession with not more than 20 during the year.

Jack salmon bag limit, which had no limit last year, will be 10 in a day and not more than 20 in possession. During the trout season, however, the bag for jack salmon is to be counted as part of the trout limit.

Steelhead fishing in the Willamette and its tributaries above Oregon City is banned during the winter months, except in the Santiam river and north and south forks of that stream.
