

Gienger Five Pound 50-40 Wool Victory

Anti-Criple Tilt Marks County Quint As Basin Favorite

A speedy, sharpshooting Gienger's quintet from Chiloquin shattered the season-long winning streak of the Oregon Woolen store basketball squad last night at KU gym, pounding out a 50-40 defeat over the city league titans.

The win put an entirely new face on the Basin league basketball picture. The Chiloquin aggregation will now be No. 1 seeded when the city and county divisions hook up in the season-end championship tournament.

The Hatcher boys—Gaylor and Wayne—headline the Gienger's all-star cast in offensive play. They found the net for 15 and 18 points, respectively.

The Woolens took an early lead, and managed to hang on to it during most of a see-saw first quarter, but the county boys sneaked into a 13-9 first period lead. From that point, the Chiloquinites dangled a slim but ever-present margin before the Woolens until midway of the third canto, when Oregon Woolen crept up to within one point of matching the Chiloquin lead, 31-30.

LAST FRAME RUSH

The Storekeepers then poured on some last-minute coal and maintained a comfortable margin until the final buzzer. Halftime score was 26-21 for Chiloquin, and the third period reading was 38-32 in Gienger's direction.

Bob Erlandson high-pointed for the Woolens with 12, followed by Marion Reginato with nine.

The preliminary tilt saw Hal's Sport shop hand a 50-33 drubbing to the Link River Motor hoopers. The Sports held a decisive margin all the way, taking the lead in the opening minutes of competition.

SCORING HONORS

Bill Crawford and Duck Cessnum, of Hal's, took scoring laurels with 13 and 12, respectively, while Earl McCaughey, of Link River Motors, followed with seven.

A fair crowd turned out to witness the program, netting an estimated 70 dollars for the March of Dimes campaign.

Ice League Teams Move Wider Apart

By The Associated Press

The spread in the standings of the Pacific Coast Hockey league widened last night as Tacoma and Vancouver, 2nd and 3rd respectively, won free scoring games from New Westminster and Portland.

The leading Seattle Ironmen were idle. They will be hosts tonight to the Portland Eagles, who have won only nine games this season while losing 34.

The Tacoma Rockets staged off a closing rally by New Westminster to take a 7-6 victory. The game was unusual in that although 13 goals were scored no player accounted for more than one.

The Vancouver Canucks, playing on their home ice, slammed out a 7-2 victory over the Eagles. Bobby Wallace, Canuck forward, registered two goals and an assist.

In the southern division, the San Diego Skyhawks dropped the Oakland Oaks into the cellar, and get themselves out with a tight 3-2 victory at Berkeley.

Besides the Portland-Seattle game tonight, Oakland will play in Los Angeles and San Diego will visit San Francisco.

Tule Cagers Face Modocs

TULELAKE, Jan. 28 — Tulelake court pounders have a busy weekend coming up, including a battle with the arch-rival Alturas Modoc Braves Saturday night at Alturas.

That basketball game will be for possession of the "scalp," the prized trophy athletic teams of Tulelake high and Modoc Union high scramble for at the slightest provocation.

Tulelake had the scalp after football season, but lost in an earlier basketball contest.

On Friday night, the Honkers go to Keno for a neutral-court conference round with the Butte Valley Bulldogs of Dorris.

Linfield Prowls For Grid Coach

McMINNVILLE, Ore., Jan. 28 (AP)—Another northwest college began a hunt today for a football coach.

Resignation of Wayne Harn, former Oregon State tackle, as mentor of the Linfield college gridiron forces, was accepted yesterday by President Harry Dillon "with regret."

Harn, who said he planned to enter business here, became head coach in 1939, went into the army in 1940 and returned to coach the 1946 and '47 teams. He had been assistant coach here from 1934 until his head coach appointment.

Ball Club's Name, Manager Coming Out

Klamath Falls' professional baseball club will have a name and a pilot after tonight.

Both the moniker and the manager have already been chosen, of course, but are being kept hush-hush for springing at tonight's diamond banquet and mid-winter baseball rally coming later in the evening to be put in an appearance at the banquet, off at the Willard hotel.

In fact, the newly-chosen manager along with such other diamond notables as Bill Bevins, Joe Oren, Walter Mails, Joe Hatten, Don McShane, Ken Penner and maybe Joe Gordon.

Mex Diamond Boss Quits Under Press

MEXICO CITY, Jan. 28 (AP)—Alejandro Aguilar Reyes, Mexico's high commissioner of baseball, said Tuesday he had resigned that position because "Jorge Pasquel wouldn't keep his fingers off the league."

Aguilar Reyes said the millionaire sportsman, who provided money for the league's foray into U. S. organized baseball in 1946 for two years, had violated an agreement not to interfere with policies of the league adopted at a meeting of club presidents.

The ex-high commissioner said Pasquel agreed to head the league in name only, devote his time to running his various business enterprises and keep his hands off the league.

Pasquel, Aguilar Reyes said, began attending meetings of the league, asserting himself authoritatively and finally said he would go to Cuba to contact players there "as the representative of Mexican baseball" although club presidents had not given him any such authority.

Reyes is better-known as Fray Nano, editor of the morning sports daily La Africón, said he accepted the post as high commissioner of Mexican baseball under pressure from Bernard Pasquel, Jorge's brother, "who is a very understanding person with full regard to the ways and means of doing things, especially after the financial results of the last two seasons."

Figure Skaters Book Long Tour

ST. MORITZ, Switzerland, Jan. 28 (AP)—The Olympic games will be just a start for Peter and Karol Kennedy, ace American figure skating pair from Seattle, according to their father, Dr. Walter Kennedy.

The Kennedy kids, who formerly lived in Shelton, Wash., will take in the world championships at nearby Davos, February 11-15, and have future appearances booked in Oslo, Copenhagen, The Hague, Prague, Vienna, Budapest, Milan, Paris and London.

Kurowski Joins Cardinal Fold

READING, Pa., Jan. 28 (AP)—George (Whitey) Kurowski is in the St. Louis Cardinals fold for 1948.

The star third baseman signed his 1948 contract last night after a 30 minute conference with Owner Robert Hannegan who was an honored guest at an old timers' baseball banquet.

While terms of Kurowski's new pact were not revealed, he said it contained a substantial boost over the 1947 contract figures.

The dinner is scheduled to start promptly at 6:30, and the Willard banquet room is expected to be filled to the brim with friends and fans of baseball. At 7:30 radio station KFLW will take over for a half-hour direct airing of the goings-on, and at 8 o'clock station KFLW will hit the air with its half-hour baseball show.

Walter (The Great) Mails, a long-time and loquacious Pacific Coast luminary, is to be the master of ceremonies.

The "name baseball club" contest, conducted for the past month by The Herald and News and KFLW, comes to its official

end sometime during that 8-8:30 half-hour when the name selected for the club is announced and the person who suggested the name is awarded a check (good) for \$100.

It will not be telling tales out of school to say that the manager of the club, sent here by the Philadelphia Phillies, will be an infielder with several years of major league experience, a man not too old to take his regular turn on the field and at the plate.

Tickets for the banquet have been on sale for two weeks at various places around town, and may be purchased at the hotel before the banquet for \$2 a copy.

BULLETIN

ST. MORITZ, Switzerland, Jan. 28 (AP)—The executive committee of the International Olympic committee, meeting as a "jury of honor," today notified the Swiss that they must reject both rival United States ice hockey teams as contestants in the winter Olympic games.

Amateur Hockey Association of America team today against Switzerland to open the Olympic games Friday at 11 a. m.

The International Ice Hockey Federation thus stood pat on its decision to include the Amateur Hockey association group. Avery Brundage, chairman of the U. S. Olympic committee, had opposed the AHA as the official United States representative and had sought to have the U. S. Olympic committee's team substituted.

The draw took place while the executive committee of the international Olympic committee was weighing the arguments of the U. S. Olympic committee against the AHA representing the United States.

Honkers Get 24-23 Edge Over Henley

HENLEY, Jan. 29—The Lakeview Honkers took an exciting last-minute cage win from the Henley Hornets here last night, 24 to 23, on a foul shot completion with just seconds left to play.

The Hornets led at halftime, 14-9, but Lakeview caught up and went into the lead in the third period. Then in the fourth canto Henley wrestled the lead again and were two points up at the three-minute time out.

But the Honkers came through with a basket to tie the score at 23-23 and Taylor, Lakeview center, potted a foul shot to break up the tie. Taylor made good on four or five free throws during the evening.

Lineups and scoring:

Lakeview (24) Pos. (23) Henley Flynn (12) F (7) Rutter W. Boe (1) F (7) C. Adams Taylor (8) C (6) Ballin Cooper (3) G (6) B. Sheppard Uerling G (1) Noble

Shooting War On Foxes Open

SALISBURY, Md., Jan. 28 (AP)—Foxes have so gotten out of hand on Maryland's eastern shore that the hounds are on the run, and farmers are oiling up their rifles.

A shooting war—at two dollars a pellet—will open Saturday in an effort to reduce the oversized fox population, which has been preying on livestock, muskrats and squirrels. "It's the foxes that run in a pack these days," Game Commissioner Jonathan Longfellow said, "and lately they have been given to chasing the hounds."

Malin Townies Have One More

MALIN, Jan. 28—The Malin Townies of the Klamath Basin basketball league play their last conference home game Thursday night when they meet the Klamath Sons of Chiloquin. Latest outing for the Townies was a 37-19 defeat of the Langell Valley Beavers.

That contest followed the "civil war" game between two Merrill teams, a battle which saw the VFW defeat the Oddfellows.

Extra \$100 Goes For Earliest Knockdown

PORTLAND, Jan. 28 — It's an extra hundred bucks for the man scoring the first knockdown when Bobby Volk meets Jack (Ginger) Snapp in the Auditorium arena here Tuesday night, February 3.

Matchmaker Tex Salkeid said that he was putting up the extra \$100—over and above purses—and the boy decking his opponent first in the 10-round fight would collect.

Salkaid said the prize was "incentive pay" to make the boys work even a little harder than they did January 1 when Snapp took a 15-round decision from Portland Bobby. The middleweight maximum of 160 pounds will be disregarded for this bout, since Snapp's Northwest title is not at issue. Snapp probably will weigh 162, Volk 165.

In their last fight Volk had Snapp in plenty of trouble in the ninth round, down and all but out, but the Merrill star came back to recuperate in the 10th and go on to win in the last stanza. Going on the theory that if the January 1 scrap had been limited to 10 heats Volk would have won, Gus Wilson, manager of Volk, decreed only 10 rounds this time although Snapp would have been willing to try it for 15 again.

The support card for that bout will include two six-rounders, with

Panthers Top Sacred Heart By 53 To 37

CHILOQUIN, Jan. 28—The Panthers of Chiloquin high bowled over the visiting Sacred Heart Trojans here last night, 53 to 37 in a non-league basketball encounter.

Score at halftime was 21-17 for Chiloquin, then the Trojans started a rush that tied up the score at 27-27 all in the third quarter.

But the Academy offensive bogged down after that and the Panthers pulled away easily in the fourth period.

Gillis Hannigan scored 14 points for the Panthers, while Bill Pickett counted a like number for Sacred Heart and Jack Narey followed him with 13.

Lineups and scoring:

PCL Votes Barrier Against Stock Sale

LOS ANGELES, Jan. 28 (AP)—The Pacific Coast Baseball league has built another barrier to discourage major league clubs from buying franchises in the circuit.

Directors, en route home today, decreed at their final winter session yesterday that any coast stockholder who sells a controlling block of stock without the unanimous consent of the league will be subject to a \$20,000 fine and disenfranchisement.

League President Clarence Rowland, noting that the league rule formerly permitted such deals under a three-fourths vote, admitted it was aimed at major league owners.

The Coast loop is the only triple-A circuit in which the majors have no direct ownership.

The directors also put the clamp on their own members from making statements about the league in general which have not been cleared through the president's office.

This was designed to halt "irresponsible assertions" and grew out of comments by certain officials calling on the league to "go outlaw" if its demands for major league status were denied by big league bosses.

The league will renew its plea for revision of the draft agreement with the majors. It seeks extension of the time period from four to six years and arbitration agencies set up to decide cases where the Coasters believe a player draft merits more than the present maximum of \$10,000 allowed by the majors.

The all-star game, set for August 9, will be a North-South affair. Last year the team leading the league on August 1 met a collection of players from the other seven clubs.
