

Counties Get Forest Cash

Over one and one-half million dollars of fiscal year 1947 national forest receipts are now being distributed to counties in Oregon and Washington.

Oregon will receive \$938,870.56 of this amount. H. J. Andrews, regional forester of the U. S. forest service office at Portland, said today. The portion of this amount allotted to Klamath county has not been announced.

This money represents 25 per cent of national forest gross receipts from sale of timber and other forest uses. In accordance with existing law such payments in lieu of taxes are made each year by the federal government to counties having national forests within their borders.

An additional 10 per cent of the receipts is made available for forest service use on forest roads.

OVS Classes Win Interest

Strong interest has been shown by women of the community in Oregon Vocational school's new homemaking classes, scheduled to start this week.

So many applications have come into the school's enrollment office that clerks had not had time to tally a registration figure at noon today.

Greatest interest is in the upholstery and tailoring classes. Several requests have come in for a pottery and ceramics class, not now available. John Dunn, supervisor of instruction, said today that suggestions on homemaking classes will be welcomed. If a course is not now offered, but a wide enough interest is shown, an effort will be made to add the class.

Guard Recruiting Shown In Slump

WASHINGTON, Feb. 3 (AP)—Recruiting for the national guard is in a slump. Maj. Gen. Kenneth F. Cramer, chief of the army's national guard bureau said today.

The guard showed an increase of only 5400 men last month, compared with a gain of 11,000 last July and 33,000 in October, when special campaigns were underway.

In an address prepared for a meeting of the Adjutants General association, Cramer said he has written to the the adjutant general of each state urging renewed efforts.

Americans Taken From Changchun

PEIPING, Feb. 3 (AP)—The air evacuation of all American nationals, including missionaries, from isolated Changchun was started today by American authorities.

The evacuees, who will be brought to Peiping, will include U. S. Consul Allen Stephens, who closed his consulate Saturday.

In Nanking, a dispatch to the independent Hsin Min Pao from its Mukden correspondent, said a large scale battle was developing on the outskirts of Mukden. The dispatch gave no details.
