Stock Deals Prove Slow

NEW YORK, Feb. 9 (AP)—Rallying grains propped stock market sentiment to some extent today although many leaders failed to respond and dealings were among the slowest of 1948 to date.

Quotations slipped after a modest forenoon advance and fractional irregularity ruled near the close. The ticker tape frequently idled.

Transfers for the full proceedings dwindled to around 700,000 shares.

Better performers most of the time included Goodyear, Goodrich, International Harvester and American Tobacco "B."

Hercules Powder dipped following word of a sizeable secondary offering of this was contemplated. Backward at intervals were Chrysler, Montgomery Ward, U. S. Steel, Santa Fe, Rock Island Railroad, Southern Pacific, Southern Railway, Illinois Central, International Paper, Pacific Western Oil and J. C. Penney.

Railway bonds improved. Cotton, toward the last, was up $1.30 a bale to off 90 cents. At Chicago corn ended up 5⅜ to the permissable limit of 8 cents a bushel, wheat 5½ to 8 and oats 2¼ to 4½.

Strong Rally Sweeps Grains

CHICAGO, Feb. 9 (AP)—A strong rally swept all grains higher on the board of trade today. New buying attracted by the price break, some short-covering and lifting of hedges by mills gave the market support. Traders said there was no indication the government was buying cash wheat.

Offerings of cash corn by the country slowed down after the heavy outpouring of the past few days. Bookings were placed at 175,000 bushels. Dealers said there were shipping sales of 50,000 bushels from here, which contrasted with no shipping sales in the latter part of last week.

Wheat closed 5½ to 8 cents higher, May $2.57¼-2.56¾, corn was 5⅝ to 8 cents, the daily limit, higher, May $2.21½-2.21; oats were 2¼-4½ higher, May $1.08½-¾, and soybeans were 3 to 4¼ higher, March $3.57.

A spurt of welling developed in corn following news that a senate-house subcommittee had voted to restoration of restrictions on distillers' use of grain. Corn is the most widely used grain in the industry. Prices quickly rallied following this sell-out.

Private reports from the Southwest said that snow ranging from "light" to "about six inches" fell in Oklahoma and Texas over the week-end.
