GRAINS DOWN DAILY LIMIT

CHICAGO, Feb. 10 (AP)—Grain futures broke the permissible daily limit in all deliveries at the board of trade today. Opening lower, wheat prices resisted the general selling on some mill buying in early dealing. When that demand was satisfied there were no takers for heavy offerings.

Today's decline was a continuation of liquidation which started February 4, and brokers said it was the result of lack of confidence in present prices. Corn led other grains downward.

During the past week wheat has declined as much as 39½ cents, corn 34½ cents and oats 15¾ cents, a bushel.

At the close all grains and lard were down the permissible daily limit. Wheat was 10 cents lower than the previous close, May $2.47. Corn was 8 cents lower, May $2.13¾. Oats were 6 cents lower, May $1.02¾. Soybeans were 8 cents lower, March $3.49.

Stocks Hit Tailspin

NEW YORK, Feb. 10 (AP) — The stock market today suffered another one of its smartest tailspins in ten months as major commodities slumped and selling enveloped virtually all share groups.

While liquidation was active at intervals, slowdowns were frequent. Rails and industrials began to skid after a fairly fast start. Prices dwindled further after midday with losses ranging from 1 to around 5 points widespread near the close. The overall average touched a bottom since early last June. Transfers expanded to about 1,300,000 shares, a top since December 31.

In front of the slide were Santa Fe, Illinois Central, Rock Island, Southern Pacific, Atlantic Coast Line, Great Northern Railway, Chesapeake & Ohio, Texas Co., Standard Oil (NJ), Gulf Oil, Mission Corp., Standard Oil of Calif., U. S. Steel, Bethlehem Steel, Chrysler, U. S. Rubber, Montgomery Ward, J. I. Case, International Harvester, Douglas Aircraft, Western Union, International Telephone, Kennecott, American Smelting, Dow Chemical, Du Pont, Allied Chemical, Union Carbide, Eastman Kodak, American Woolen, International Paper and Paramount Pictures.

Bonds trailed with stocks. Cotton, toward the finish, was off $5.40 to the limit of $10 a bail. At Chicago wheat, corn and oats ended down the limit of 10 cents, 8 cents and 6 cents a bushel, respectively.

School Line Problem Aired

Three members of the county school system, Board Member Roy Geinger, Superintendent Harold Ashley and School Clerk John Hayden, met with members of boards 1 and 2 in session at KUHS last night and further discussed the boundary problems of the three districts.

Other business of the boards included appointment of Mrs. Edna E. Young to primary teaching at Riverside. Mrs. Young will assist in the second and third grades. She is the wife of James W. Young, sixth grade teacher at Riverside.

Superintendent Arnold L. Gralapp announced that the elementary board would soon take action on calling for bids on the big Mills school auditorium for which money is on hand. It is hoped to call for the bids at an early date.

Authority was granted the city recreation department to set up night classes in ceramics at the high school. Garry Robertson, supervisor of teachers in the city system, reported on the arithmetic course of study and explained the new course to the boards. The course now being pursued by Klamath Falls youngsters is above that of state requirements.

Martin Asks More Airpower

DES MOINES, Feb. 10 (AP)—House Speaker Joseph W. Martin Jr., (R-Mass.) Monday called for "a super-defense in the air" to meet any emergency.

"We must have the most modern and the most scientific defense ever devised by man," Martin told Iowa republicans in an address prepared for delivery at a Lincoln Day luncheon.

"Such a defense is going to be super-expensive," he added.

Martin's remarks about defense climaxed a primarily agricultural speech in which he observed that "farmers are now making money" and he said he was glad of it.

Butchers' Confab Opens Thursday

Joseph Henderson, San Francisco, international union vice president, will preside at an 11 western state conference on Saturday. The Oregon State Federation of Butchers will meet earlier the same day.
