PIN-WORMS NOW CAN BE BEATEN

The millions of Pin-Worms have been known for centuries, and millions of victims have sought a way to deal with this pest that lives inside the human body. Today, thanks to a special, medically recognized drug, a highly effective treatment has been made possible. This drug is the vital ingredient in P.W., the Pin-Worm tablets developed in the laboratories of Dr. H. J. Payne & Son.

The small, easy-to-take P.W. tablets act in a special way to remove Pin-Worms. Do not suffer with the embarrassing rectal itch caused by this pest. Ask your druggist for JAYNE'S P.W. and follow the directions. P.W. means Pin-Worm relief!
