

"Y" Official Slates Visit

J. C. Meehan, general secretary of the Portland YMCA who is acting as Pacific Northwest director of the YMCA World Youth Fund, will visit Klamath Falls Friday to confer with members of the Klamath Falls "Y" staff.

YMCA's throughout the United States and Canada are raising \$8,650,000 to rehabilitate and reactivate YMCA work in war-devastated countries of Europe and Asia.

Klamath Falls "Y" officials report that the fund to be raised locally has been only partially subscribed.

Tattered Newspaper Tells Story Of Lincoln Shooting

A tattered, yellowed newspaper dated April 15, 1865, is one of the proud possessions of R. A. St. John of 2303 Hope.

In black lettered columns, The Herald carried official reports of the president's condition. The first of the late bulletins announcing his death was from Edwin M. Stanton, secretary of war, stating simply, "Abraham Lincoln died this morning at 22 minutes past 7 o'clock."

Reports were carried of the president's assassination as he sat in his box at Washington's Ford theatre and the subsequent escape of the assassin, Edwin Booth.

The newspaper was given to St. John by his grandmother, Mrs. Obied Noble, who was in Kentucky at the time of Lincoln's assassination. She brought it with her when she and her family crossed the plains to come to Kansas.

St. John recently came to Klamath Falls from Southern Washing-

Turkish Planes Shot Down

ISTANBUL, Turkey, Feb. 12 (AP)—A foreign office spokesman said today Bulgarian anti-aircraft guns shot down two Turkish spitfire planes over Bulgaria Monday.

The planes apparently were from a large group purchased from Great Britain last year.

"I regret to inform you it is true," the spokesman said.

He said he knew of no official word from Sofia. Any army spokesman said a sergeant drowned when his plane fell into the sea. A lieutenant was arrested after being slightly injured in a forced landing.

Dear Friends:
We sincerely hope you will come in to see us this week-end, as we will have on display a large Makinaw trout and also a large Inconnu. (This latter fish is the one we wrote about recently. They come from the Great Slave Lake in Northern Canada.) This is your chance to see the size trout every one dreams of catching, and they are the finest fish we have ever had the good fortune to display.

We also have White Fish, Sole, Ling Cod, Red Snapper, Kipperd Salmon, Crabs, Crab Meat, Olympia Oysters, Small Oysters, Finnan Haddie and many other kinds of fish delicacies.

Our fish arrives fresh daily by refrigerated Railway Express cars.

Besides all this good news about fresh fish, we have also received a new shipment of imported Swedish peas and beans, as well as many new kinds of cheese, well aged.
