GRAINS SHOW BRIEF RALLY

CHICAGO, Feb. 13 (AP)—Grains rallied in the last half of the session on the board of trade today after a morning of wildly fluctuating prices.

Touching off the rally was introduction of a bill in the senate which would repeal a provision requiring that the wheat carryover on July 1 should be at least 150,000,000 bushels. New buying and short-covering entered wheat and soon spread to corn.

The wheat carryover provision was inserted in the emergency European and relief bill late last year. If repealed, traders reasoned the result might be an increase in exports of the bread grain.

Prices were highly mixed during early dealings. May and July corn tumbled the 8-cent daily limit at the start and May wheat was down 8 cents at one time. These three contracts tended to lag behind later deliveries throughout the session.

Wheat closed 5 cents lower to 1¼ higher, May $2.33-$2.32, corn was unchanged to 8 cents lower, May $1.97¼, oats were 1½ to 3 cents higher, May $1.01¼-$1.01, and soybeans were 8 cents lower, March $3.33.

Wheat—	Open	High	Low	Close
March	2.38¾	2.41½	2.38¼	2.40
May	2.35-2.37	2.38½	2.29	2.33-2.32
July	2.19-2.21½	2.24	2.16⅞	2.18¾-2.18
Sept.	2.18-2.18½	2.28¾	2.15¾	2.17-2.15¾
Dec.	2.18½-2.17½	2.22¼	2.16	2.16½-⅛

Stocks Show Little Gain

NEW YORK, Feb. 13 (AP)—Stocks generally improved today after the market holiday layoff, but exceptions were plentiful and dealings relatively quiet.

Stiffening of some recently slumping commodities helped inspire early timid buying in the securities division. Individual rails and industrials edged upward. Gains of fractions to a point or so predominated near the close. Transfers tapered to around 1,000,000 shares.

Ahead most of the time were Santa Fe, Southern Pacific, Chrysler, Youngstown Sheet, Goodyear, Firestone Tire, International Harvester, American Can, Gulf Oil and United Air Lines.

American Telephone touched a 1947-48 low. Occasional losers included Union Pacific, Rock Island, Standard Oil (N.J.), Texas Co., J. C. Penney, Dow Chemical and United Fruit.

Bidding, mainly by professionals, was attributed to the thought that the list had been oversold in sympathy with diving staples and was due for a technical revival.

Bonds were narrowly irregular. Cotton, toward the finish, was up $1.15 a bale to off 85 cents. At Chicago corn ended unchanged to off the daily limit of 8 cents a bushel, wheat down 5 to up 1¼ and oats up 1½ to 3.

Copco Ups Outlay For Past Year

The California Oregon Power company reports 1947 capital expenditures of some $3,843,000, the greater part of which went into new business projects and additional facilities required to serve the record number of 7311 customers added, which number represents an increase of 11.67% over 1946. Capital expenditures are expected to total $5,200,000 in 1948, of which some $2,000,000 are earmarked for use in connection with the construction of the Toketee Falls plant on the North Umpqua river in Oregon.

In commenting on 1948 operations, A. S. Cummins, president of the company, states "present indications promise that demands will continue unabated throughout this period, with an increasing use of electricity by all classes of customers." He predicts that the company's residential customers will use an average of 4000 kilowatt-hours during this period.

In explaining the company's announced financial program he said that the proposed sale of $4,500,000 first mortgage bonds will be issued to refund on a long-term basis a like amount of bank loans and that the sale of common stock is to provide in part for 1949's new capital requirements. Mr. Cummins states that he expects 1948 revenues will exceed those reported for 1947 by about 10.50% and that net income will approximate $1,745,000.

Jew Quarter Out Of Bounds

JERUSALEM, Feb. 13 (AP)—The Jewish quarter of Rehavia and the business sector of Zion square in Jerusalem were placed out of bounds to British troops today. There was mounting tension over police reports of the deaths last night of four Jews.

Police said they found the Jews' bodies near Stephens gate in the Old City shortly after the four reportedly were picked up by British troops at a presumed Jewish gunpost. The British said they released the Jews after brief questioning.

The circumstances of their deaths have not been disclosed.

Police said five Arabs were killed and 12 wounded last night when Hagana, the Jewish militia, made a heavy bomb attack on the Arab village of Abu Kebir. Hagana said its men made a similar sortie against the Arab village of Yazur.

The unofficial Palestine death toll since the United Nations decision to partition the Holy Land last November 29, now stands at 1161.

Grain Taken From Grounded Freighter

KALAMA, Wash., Feb. 13 (AP)—Two derricks with clamshell buckets were unloading wheat into barges from the grounded freighter Thomas Fitzsimons today.

The vessel, in no danger, went on Coffin Rock in the Columbia river Wednesday night and efforts to refloat her at high tide last night failed. After the bulk wheat, consigned to the Orient, is unloaded, another effort will be made to pull the vessel free.

Capt. E. H. Bergman, master of the Liberty ship, said she failed to respond to the wheel in rounding a bend in the channel.
