Exclusive Granitize Service

"Ask the Man Who Has One"

The modern method of treating automobile finishes.

GRANITIZE SOLUTION contains a patented material which leaves a hard dry, granite-like finish. It produces a very high lustre which cannot be obtained by the hand method of polishing. There is nothing "like" Granitize. Granitize cleans, polishes and leaves a lasting protective coating. It is not necessary to wax a Granitized car. This solution is made for machine work and a trained operator is necessary for the best results.
