WHEAT LOSES GAINS TODAY

CHICAGO, Feb. 17 (AP)—Trading in grain futures today was marked by considerable uncertainty. The opening was fairly steady, with May corn up sharply. After the demand was satisfied prices fell off, and all grains became nervous, reacting sharply at times.

May and July corn made the strongest showing. Deferred contracts were weak.

Wheat followed the lead of corn for a while but later backed up when there was no indication of government buying in the cash market.

At the close wheat was 3½ to 4½ lower than yesterday's finish, May $2.36-$2.35¾. Corn was 2⅛ higher to 3½ lower, May $2.06¼-¾. Oats were ½ to 1¾ lower, May $1.05½-¾. Soybeans were 4 to 7 cents higher, March $3.40.

Wheat—	Open	High	Low	Close
March	2.45¼	2.45¾	2.40¾	2.40¾
May	2.40½-¼	2.42	2.35½	2.36-2.35¾
July	2.24	2.25½	2.19	2.20-2.19½
Sept.	2.23½-¼	2.23¾	2.18	2.18¾-½
Dec.	2.21¼	2.22	2.17	2.17¾

Stocks Still Timid Today

NEW YORK, Feb. 17 (AP)—Timid buying for an extension of Monday's rally bolstered the stock market today, although many leaders were stalled by light selling.

Generally lower commodities tended to restrain bullish contingents to some extent. Individual favorites edged upward after midday, however, and advances of fractions to a point or so predominated near the close. Transfers dwindled to around 700,000 shares.

Republic steel hardened on an increased extra dividend. Ahead most of the time were U. S. Steel, Santa Fe, Chrysler, Goodrich, Boeing, Douglas Aircraft, and Pacific Western Oil. International Business Machines jumped several points on a few transactions.

Yesterday's sharpest upswing in four months inspired some professional profit cashing.

Bonds did better. Cotton, toward the finish, was down $1.15 to $1.65 a bale. At Chicago wheat ended off 3½ to 4½ cents a bushel, corn up 2⅛ to down 3½, and oats off ½ to 1¾.

C Of C Asks Air Power

A resolution asking that America be kept first in the field of aviation has been passed by the Klamath County chamber of commerce's board of directors and aviation committee and sent to Oregon's congressional delegation in Washington.

The question of strength and future of this nation's military air force is going to figure largely this spring in congress' debates on the national budget.

The local resolution called for a modern, powerful air force, sufficient trained personnel, research and development to guarantee that America stays foremost in aviation, strategically located air bases, adequate system of transportation auxiliary to the air force, strong independent aircraft industry and made other recommendations.
