WHEAT DROPS ON MARKET

CHICAGO, Feb. 18 (AP)—Wheat was mostly lower on the board of trade today, dropping as much as 6 cents at times. In contrast, corn displayed independent firmness. Price changes in oats were small.

A short-lived selling wave hit the pits shortly before noon when the agriculture department announced livestock on farms on January 1 amounted to the smallest number since 1939. Prices recovered quickly. Cash dealers said corn was not moving off Midwestern farms.

Agriculture Secretary Anderson's statement on the wheat situation, coming just before the market closed, attracted attention.

Secretary Anderson said all but 73,000,000 bushels of wheat needed to meet the 450,000,00 bushel export goal had been purchased. This will remain the goal at least until the end of March. Whether an extra 50,000,000 bushels can be exported depends on the rate of wheat feeding to livestock, he added.

Wheat finished 1¼ lower to 2¾ higher, May $2.35-$2.35¼, corn was 1¾-3¼ higher, May $2.10-$2.09½, oats were ¼-1½ higher, May $1.05⅝-½, and soybeans were 3 to 4 cents lower, March $3.37.

Wheat—	Open	High	Low	Close
March	2.36⅞	2.39½	2.34½	2.39½
May	2.33-2.31	2.35¼	2.29½	2.35-2.35¼
July	2.19¼-2.18½	2.22⅝	2.16¼	2.22¼-⅝

Stocks Slip Lower Today

NEW YORK, Feb. 18 (AP) — The stock market tipped irregularly lower today in its slowest session this year.

Unevenness ruled from the start, wit' railroads and some oils among principal losers. Price changes generally were limited to narrow fractions. Total transfers were in the neighborhood of 600,000 shares.

Retaining narrow gains were Republic Steel, Phelps Dodge, Union Carbide, International Harvester and U. S. Rubber (traded ex-dividend). Lower were American Telephone (which declared its usual $2.25 dividend and elected a new president), Southern Railway, Union Pacific, Rock Island, Pepsi-Cola, American Woolen and Johns-Manville.

Commission houses : id stocks appeared unable to shake off the unsettling effects of fluctuating commodities.

Bonds weer steady. Grains at Chicago were mixed, wheat off 1¼ to up 2¾ cents a bushel, corn 1¾ to 3¼ higher and oats ahead ¼ to 1½. Cotton near the finish was 45 to 85 cents a bale higher.

Merrill Plans Dance To Finance Fire Department

MERRILL, Feb. 18—'Tis 41 years since Klamath basin folks first tripped round the old Houston opera house to help raise cash to support this town's stripling volunteer fire department Now—Saturday night they are going to have another chance to do the same thing.

The Houston opera house is long since burned. Few of those original fire laddies are still here but the need for funds for maintaining the department is just as great.

Members of the department now responsible for operation of both city and rural equipment are sponsoring the 41st annual ball, to be held the night of February 21 in the community hall.

Through the sale of dance tickets, some new equipment is purchased and all the necessary maintenance bills are paid.

The crew of 25 business and professional men are on call at any time of the day or night. They respond to calls anywhere in the rural district boundaries as well as in town and they have frequently gone in an emergency to fires outside their own territory. None receives any pay for services rendered.

Ben Faus, the town's first fire chief and oldest in point of service in the state of Oregon at the time of his retirement, organized the department. The present chief is Robert R. Walker.

Members of that first department still living here are R. H. Anderson, Klamath Falls, and Henry Cox, Merrill.

The department during 1947 answered 23 calls, 17 city and 6 rural. Hundreds of thousands of dollars worth of property was saved.

The most spectacular blaze was at the Clifford Shuck ranch north of Merrill when several thousand gallons of fuel oil and gasoline went up in smoke.

Baldy's band will play for this year's dance in the recently remodeled community hall. Supper will be served at midnight by the firemen's auxiliary.

Dancing will be from 10 p. m. until 3 a. m.

And remember—the next call for help might be yours.
