

# Demo Leaders Jolted By Wallace Candidate Win In Special Bronx Election

NEW YORK, Feb. 18 (AP) — The smashing, unexpected triumph of a Henry A. Wallace-backed American labor party candidate in a special Bronx congressional election handed democratic party leaders a severe jolt today.

Third party strategists, on the other hand, were elated. Wallace himself, in Tampa, Fla., on a speaking tour, declared: "This proves that the so-called third party can become the first party in 1948."

Leo Isaacson, the ALP nominee, captured yesterday's 24th district contest easily by rolling up more votes than his three opponents combined.

The victory, and especially its size, was amazing to political observers who had eyed the election closely for a hint as to presidential candidate Wallace's power to win votes in this national campaign year. The democratic candidate was expected to win handily, since the 24th district has sent members of that party to congress for years.

Important Party New York state democratic leaders were sharply interested, not only in Wallace's effectiveness but in the strength of the ALP, an important factor in politics in the state for several years.

Several large labor unions dropped out of the ALP last month after it endorsed Wallace's presidential candidacy. In 1944, the party provided more votes for Pres-

ident Roosevelt than his state-wide margin over Gov. Thomas E. Dewey in the battle for New York's 47 electoral votes.

Isaacson, a 38-year-old attorney who will become the second ALP member of congress, won 22,097 votes. Karl Propper, democrat, got 12,578; Dean Alfange, liberal party, 3640; and Joseph de Nigris, republican, 1482.

Wallace campaigned strongly for Isaacson in the battle, assailing par-

regularly policies of the Truman administration with respect to Palestine. The Bronx district has a heavy Jewish population.

The district is in the stronghold of Edward J. Flynn, Bronx county democratic leader and former party chairman, who put his organization solidly behind Propper.

Mayor William O'Dwyer and Mrs. Franklin D. Roosevelt spoke in the district for the democratic candidate.

## Mississippi OK's Women On Juries

JACKSON, Miss., Feb. 18 (AP) — The Mississippi senate passed a

bill yesterday allowing women to serve on juries.

Passage, on a 25 to 17 vote, came despite warnings of opponents that the bill might make it necessary for women to serve with negroes on the juries.

After passage, however, the senate held the bill for reconsideration.

Sen. B. H. Lovins urged that the bill be killed on the grounds that recent United States supreme court decisions "say no negro can be convicted and the conviction stand unless there are negroes on the jury."

"That," he said, "means that the women of Mississippi would have to serve with negroes."

## Lumber Waste Pointed Out

SEATTLE, Feb. 18 (AP) — Use of a better grade of lumber than is needed for a given job is causing a waste of much of the present timber crop, A. C. Horner of the Timber Engineering company of California believes.

Horner made the statement yesterday before the Pacific Northwest section of the Forest Products Research society.

The society elected A. C. Knauss, Portland, as chairman for the coming year with two Longview men, Arthur L. Mottet and J. E. Lodewick, as vice chairman and secretary-treasurer, respectively. R. W.

Wellwood, University of British Columbia, was named trustee.

Americans pay \$25 per capita annually for all forms of medical attention, according to estimates.

## "This time it's Hudson"

### the car you step down into!

GET in on the excitement. See a new kind of motor car — only five feet from ground to top, but with more inside head room and roomier seats than in any other mass-produced car built today!

Hudson is the only American-built car you step down into when entering, not up on — yet it maintains road clearance.

Hudson's new, all steel Monobilt body-and-frame\* is the only motor-car construction that completely encircles you, even outside the rear wheels, with a rugged, box-steel foundation frame.

You ride within this frame — cradled between axles — not on top of the frame as in other cars. And as you ride, Hudson's combination of unique construction and comfort features gives you a sensation of snug safety and serene, smooth going unlike anything you've known before!

Treat yourself to the thrill of riding behind Hudson's all-new Super-Six engine — the most powerful six built today — or the better-than-ever Super-Eight. Find out about automatic gear shifting in forward speeds as provided by Hudson's exclusive "Drive-Master" transmission.

Step into the nearest Hudson showroom. You'll see why, across the nation, they're exclaiming, "This time it's Hudson!"
