MARKETS and FINANCIAL

WHEAT SCORES SOME GAINS

CHICAGO, Feb. 19 (AP)—Heavy sales of cash corn to the East and fears of damage to winter wheat combined to give support to grains today. Prices on the board of trade were ahead a few cents most of the day, although the market had a sinking spell at one time.

Cash dealers reported shipping sales of more than 400,000 bushels of corn. In contrast, no corn at all was purchased on a to-arrive basis from the country.

Wheat gained strength from additional reports of poor prospects in Western Kansas, as well as a forecast for a new cold wave and possible high winds. Mills were buyers of wheat at one time.

Wheat closed ¾-2½ higher, May $2.36-$2.36½, corn was 1½ lower to 2 cents higher, the distant December contract showing the loss. May corn ended at $2.11¾-½. Oats were 1½ lower to ⅜ higher, May $1.06½-$1.06, and soybeans were 5 cents lower to 3 cents higher, March $3.40-$3.39.

Wheat—	Open	High	Low	Close
March	2.40½	2.43½	2.40½	2.42
May	2.36-2.37½	2.38½	2.34¾	2.36-2.36½
July	2.23-2.24	2.25	2.21	2.23-2.23½
Sept.	2.20¾	2.22¾	2.18¾	2.21
Dec.	2.19½	2.21	2.17⅝	2.19¾

Stocks On Feeble Side

NEW YORK, Feb. 19 (AP)—Stocks struggled feebly for recovery today but gains were notably selective and many market leaders retreated.

Dealings were among the slowest in six months until the final hour when selling quickened a bit. Early advances running to a point or more were reduced or converted into minus signs at the close. Transfers for the full proceedings were around 700,000 shares.

An increase in prices for semi-finished steel products by major producers failed to stimulate stocks in this group.

International Harvester climbed on a proposed 3-for-1 splitup. Ahead most of the time were Mission Corp., Pacific Western Oil, Sunray Oil, Goodrich, Union Pacific, Great Northern Railway, Boeing and Kennecott.

Among intermittent losers were U. S. Steel, Public Service of N.J., and Southern Pacific.

A certain amount of bidding still was based on the hope for an extension of the recent technical revival.

Bonds were narrow. Cotton, toward the finish, was off 45 cents to 65 cents a bale. At Chicago wheat ended up ¾ to 2½ cents a bushel, corn off 1½ to up 2 and oats down 1½ to up ⅝.
