Mrs. Robert P. Craig will direct and Mrs. Patricia Hunt will be at the organ.

The pastor, Rev. Victor Phillips will preach the second sermon on "The Parables of Jesus." The topic for Sunday morning will be, "Childish People."

At the evening service at 8 o'clock he will preach the second sermon on "The Essential Difference" at the 11 o'clock morning worship this Sunday at Klamath Lutheran church.

Sunday school, with Bible classes every Sunday, at 9:45. On Thursday, February 26 at 6:30 p. m., there will be a Lutheran Brotherhood fellowship dinner.

'Mind' Topic For Week

Golden Text of this Sunday's lesson-sermon at the First Church of Christ, Scientist, 10th and Washington, will be taken from 1 Corinthians 2:16, "Who hath known the mind of the Lord that he may instruct him?"

Topic for this week is "Mind". Among citations comprising the lesson-sermon is the following from the Bible: "Buy the truth, and sell it not; also wisdom, and instruction, and understanding." (Prov. 23:23.)

The regular Sunday morning worship service is at 11 o'clock, with Sunday school at the same hour downstairs in the church. A weekly meeting is held at 8 p. m., Wednesdays. A free reading room is maintained at 1023 Main. All are welcome to attend services and use the reading room.

Choir Plans For Sunday

Rev. David F. Barnett Jr. will deliver the sermon, "The Boy Who Stayed Home," at the Sunday worship service of the First Presbyterian church. The choir, under the direction of Andrew Loney, will sing the anthem, "Incline Thine Ear, O Lord," by Engelkeley. Mrs. Elbert Veatch will play the organ accompaniment.

A nursery for small children will be conducted during services.

Westminster fellowship will hold its regular meeting at 6:30 p. m. at the church. At 8 p. m., the pre-Easter communicants' class will meet in the sanctuary with Rev. Barnett leading discussion on "The Church."

Next Sunday, February 29, will be observed as Laymen's Sunday. Phil Hitecock will report on the conference in Chicago to form a permanent national council of Presbyterian men, which he attended.

Sunday School Class Gains

At Peace Memorial Presbyterian church, 4431 So. 6th, this Sunday, the second Sunday in Lent, the pastor, Rev. Hugh T. Mitchelmore, will speak on "The Necessity of Grace." The chorus choir will sing a special number.

Sunday school is now taxing the facilities of the new church building. Twenty-five young people were in the high school class last Sunday. There is a graded Bible class for each age from pre-school through adults.

With three Christian Endeavor societies meeting at 4, 5 and 7:15 p. m., juniors, intermediates and high school youth are provided for.

The chorus choir rehearses at 6 p. m. As one of the neighborhood churches on the south side, all are welcome to attend the services.

WHY WE SAY

"ORPHEUS CHOIR"

TO NIGHT

THE ORPHEUS CHOIR

According to Greek mythology, Orpheus was a poet and musician, a son of gods and one whose lyre could charm beasts and move rocks and trees. Hence, modern singers' groups often designate themselves by this title.

Arabs Plan Appeal For Holy Land

LAKE SUCCESS, Feb. 20 (AP)— Arab leaders today are reported planning a campaign for repeal of the Palestine partition project by the United Nations assembly.

Well qualified sources said the first Arab tactic here would be an effort to block action in the security council debate starting Tuesday on the request for international military force to carry out partition.

The Arab line would be to contend that partition is illegal. Added to this now would be the argument that the scheme has been proven unworkable by violence in Palestine following the assembly's November 29 partition decision.

Reconsideration Eyed

The Arabs thus hope for reconsideration of the whole partition

plan by the 67-nation assembly, in special session if necessary. They are reported willing to consider a compromise alternative there.

Meanwhile there were these other developments:

1. Secretary of State George C. Marshall summoned Chief American Delegate Warren R. Austin to Washington Monday for consultations. Austin is expected to tell the security council on Tuesday whether the American government favors armed enforcement of partition.

2. Partition supporters received a setback when China revealed that she intended to continue to abstain on partition votes.

3. Iraq boycotted the trusteeship council, which is discussing the partition plan as it would affect internationalized Jerusalem. The U. S. denied in the council Iraq's charges of pressure on other countries to vote for partition.

Hypoproteinosis, But Don't Worry

CHICAGO, Feb. 20 (AP)—You've never heard of hypoproteinosis—possibly the most common disease in the world.

The disease—caused by protein deficiency—never has had a name in accepted medical language, an article in the Journal of the American Medical Association said today.

The name was suggested by Dr. Francisco De P. Miranda, director of the national institute of nutrition, Mexico City, Mexico, to distinguish it from undernutrition (lack of calories) and malnutrition (vitamin deficiency).

Hypoproteinosis, he said, is the "most common disease of the world" and is caused by "the low economic level on which half the population of the world lives."

The disease has a tendency to

delay growth of children and reduces their resistance to infection.
