Mr. and Mrs. Bert Albert returned on Friday night from a two-week vacation spent in the lower Willamette valley visiting relatives.

Paula Albert and Fred Fletcher spent Sunday visiting her parents, Mr. and Mrs. Bert Albert on Sunday.

Mr. and Mrs. Charles Warren returned Monday night from a 15-day trip to Nevada, Idaho and North-eastern Oregon.

Mr. and Mrs. Warner Blake and daughters Christie and Jean Marie have moved from Eugene to El Paso, Tex. They left Oregon the last week in January. Blake is a Chiloquin high school graduate and the son of Mr. and Mrs. J. B. Hamilton of Gilchrist.

Justine Buckskin entertained five of her sixth grade friends at a party on St. Valentine's Day, which also marked her 12th birthday. Guests were Gloria Ochoa, Louise and Mary Ferris, Freida Kirk and Karleen Parazo.

Mr. and Mrs. John Vaughn of Anderson, Calif. are local visitors this week.

Father Michael Ahearne, rector of Our Lady of Mt. Carmel Catholic church in Chiloquin for the past few years, was this week transferred to the parish at Fedmond, Ore. The news was received on Saturday afternoon, shortly after the death of Father O'Donovan of Redmond, whose place Father will take.

Rev. Ahearne conducted his last regular mass service at the local church on Sunday and moved north on Monday. His place will be filled by Father Eblan of Klamath Falls.

Harry Pearson returned last week from a month spent in Astoria and on the Oregon coast.

Freida Kirk was guest of honor at a 12th birthday party given for her by her mother, Mrs. Freidman Kirk, on Sunday afternoon, Feb. 15. The afternoon was spent in playing games, followed by refreshments and gift opening. Attending were Peggy Henhorne, Justine Buckskin, Marleen Griffin, Louisa Esqueda, Cherrise Baird, Marjorie Reed, Gloria Ochoa, Merry Hayes and Karleen Parazo.

Mr. and Mrs. Harry Ravizza made a recent hurried trip to San Francisco, having been called south by the illness of Ravizza's father.

The most entertaining basketball game of the season was played on the local gymnasium floor Tuesday night by the Harlem Legionnaires, a traveling professional negro team, and the Gienger quintet. Scoring was of minor importance in the game and comedy ruled supreme.

The six-foot plus visitors had an ability which won the admiration of the capacity crowd and a slapstick routine which brought gales of laughter. Rules went by the wayside as the invaders rolled, bounced or juggled the ball down the floor. Shots were made from the opponent's court, on bounced balls, by clever backstop handling, and even in tandem fashion as players rode piggy-back.

The local boys proved beyond a doubt that they could take it when the ball bounced off their heads, they were fooled on fake passes and even when hoisted to basket height to assure points for the town team.

A boy, their second son, was born this week in Klamath Valley hospital to Mr. and Mrs. Harry Faganello of Klamath Falls, former Chiloquin residents. The young man tipped the scales at seven pounds fourteen ounces.

Janet Hall, in Hillside hospital earlier this week, is much better say her parents, Mr. and Mrs. Earl Hall.

Mr. and Mrs. Leroy Gienger returned Wednesday afternoon from a five-day trip. They spent the weekend on the University of Oregon campus in Eugene with their daughter, Bonnie, a freshman, and participated in the Dad's week-end activities. Continuing north, the Giengers spent two days in Portland, backtracked through Eugene on Tuesday and drove south to spend the night with relatives in Medford. Wednesday Gienger attended a special cattle sale in Phoenix before returning to Chiloquin.

Mr. and Mrs. Henry Wolff, Dean Greear and Gerry Wolff spent Wednesday in Phoenix and in Medford, visiting with relatives and attending a Hereford sale.

And then, of course, there's the one about the young boys who took empty soft drink bottles from cases behind a store, brought them around and sold them to the clerks. Last Saturday, wasn't it?

Edouard Priault returned the middle of the week from a business trip to Portland.

Rev. and Mrs. A. C. Grimes and daughters are spending this week in Eugene attending a church conference.

A driver for Savage's logging workers, at present working on Sprague River, holding some 14 miles from Chiloquin, wrecked his logging truck on its initial run through town last Friday morning. Rounding the Shell service station corner, the bunks of the truck locked and the vehicle, which was traveling on icy pavement, skidded into a telephone pole. A fender was ripped from the truck, the radiator pierced and the axle bent. A heavy duty wrecker was summoned from Klamath Falls. The load of logs had to be dumped before the truck could be moved.

**Hospital Site Agreed On**

ALTURAS, Feb. 23 — A battle which has been going on for some time between the board of supervisors and the townspeople on selecting a site for the proposed new hospital has finally ended with the townspeople the winners.

It is said one member of the board who had held out for a site in the business center of the city was drawn over the coals by the chamber of commerce committee and he stated he still thought his selection was the best but would have to bow to the will of the majority.

The site selected is located in the northwest end of the city and comprises 40 acres.

The estimated cost of the building is \$864,240, one-third to be paid by the county, one-third by the state, and the other third by the federal government.

March 10 is the dead-line for making application to the state board for the funds. As this county stands among the first three in the state mostly in need of hospital facilities, it is thought the allocation will be granted.

WHY WE SAY

**"OUT OF SIGHT, OUT OF MIND"**

The Proverbs of Alfred (about 1270) has the earliest record of the use of this proverb, the meaning of which is obvious. The original quotation stated, "For he that is ute bi-loken (shut out—meaning absent) he is inne some forgeten."
